*The  
Magnificent  
Pioneer*

THE VILLAGER is proud to announce that in our February issue that grand lady of Palm Springs, Mrs. Pearl McCallum McManus, will write an exclusive and absorbing article on Palm Springs and its founding.

Mrs. McManus is Palm Springs' oldest pioneer and has lived here for seventy years. No one has ever loved the desert with deeper feeling. Her father, John Guthrie McCallum, founded Palm Springs in 1884 and since then Mrs. McManus has watched and been a vibrant part of the fabulous growth of our Villager. Her story will be memorable. Watch for it in the February issue.
