**SUPERVISOR ZARAGOZA ANNOUNCES
A TOWN HALL MEETING ON
GREEN JOBS, CLIMATE CHANGE, AND THE ECONOMY**

The Office of County Supervisor John C. Zaragoza is proud to announce a "Green Jobs, Climate Change and the Economy Town Hall Meeting" will be held at 7:00 PM on Wednesday, October 20, 2010 at the Oxnard Library (251 South A Street – Conference room B). The Ventura County Air Pollution District and Lupe Anguiano of the Stewards of the Earth are co-sponsors of this event.

Supervisor Zaragoza explains, "In these difficult economic times, it is critical that we focus our efforts on job creation and job retention. One of the most promising opportunities for creating new jobs could come from green industries. I am excited about this opportunity to discuss how we can create green jobs, address our climate change challenges, and improve our local economy".

State Senator Fran Pavley is scheduled to be the keynote speaker. Business, government and environmental representatives are also scheduled to speak.

There is no charge to attend and participate in the Town Hall Meeting, and no need to register prior to the event. For more information, please call Supervisor John Zaragoza at (805) 654- 2613 or e-mail me at supervisor.zaragoza@ventura.org.
