Hello Lupe,  
As Marisol told to you, I am the new coordinator of Cisco Networking Academy Program, so you can contact me now for any requirement regarding this program. Marisol told me that you are trying to schedule a meeting in Guanajuato for November 18 or 19, but it is imposible for me to assist on those dates, if it is OK with you, I suggest November 15, 16 or 17, or the week of November 29.  
Please let me know.

Thank you.  
Best Regards,  
Ana Maria Legarreta
