My Dear Miss Davies:-

I am writing to you in behalf of the Monday Club of San Luis Obispo which represents about 300 women organized for the promotion of civic welfare, and which is also a member of the Federation of Women's Clubs. Through the competent services of Miss Julia Morgan we have but recently completed our most attractive little club house, of which we are justly proud - it being the fulfillment of an apparently hopeless dream. Miss Marion Davies
San Simeon, California.

My Dear Miss Davies:-

I am writing to you in behalf of the Monday Club of San Luis Obispo, which represents about 300 women organized for the promotion of civic welfare and which is also a member of the Federation of Women's Clubs. Through the competent services of Miss Julia Morgan, we have but recently completed our most attractive little Club House of which we are justly proud, - it being the fulfillment of an apparently hopeless dream. Unfortunately, in spite of our careful budgeting our financial returns are not materializing as we had hoped, and we are not always able to meet our obligations as planned.

Due to your generosity in giving of your time and talent is so well known and widely recognized, that we - the Monday Club - are asking whether you will do us the honor of giving a benefit performance at our Club House, at a time suiting your own convenience - either afternoon or evening.

We realize that many demands are made on your talented group of artists, and especially on you - a person so well known, and with such extensive activities, yet when the need is great - one ventures greatly. We shall appreciate your kindly consideration.

Very sincerely

Mrs. Andrew Onstad
Cor. Sec'y.
