Anna,
 I have:

1. My Ormond Beach Task Force blue blouse (has a mother and baby bird).
2. My historic t-shirt of the first National Women's Conference - November 18-21, 1977 in Houston - where as an elected delegate - I read the Declaration of American Women - along with Coretta King and Jean Stapleton.
3. My "No on LNG" political T-shirt - protecting our environment from LNG.
4. My Cisco Networking Academy, which I brought to Oxnard College - one of the Tech. top CA State Projects.

I would like to bring them for you to see, and help me decide. Let me know date that works for you.
 Lupe

Lupe,

Of course! Whatever you feel reflects you would be perfectly acceptable. I was wondering, is there also any article of clothing that reflects your "cultura" that you have worn on any occasion that you might also want to include?

Anna,

Question? will it be OK if I have Kinko's duplicate my "Wonder Woman Award" in a poster board for use as a loan item for the Exhibit? it is my favorite award. I asked UCLA to send me a duplicate copy so I can have it placed as a poster - if the idea is acceptable with you and the VC Museum. Please let me know ASAP.

Lupe

Absolutely. We can have a hi-resolution image taken for their use.
Lizette can handle the details. I am in Europe until July 10. But if you
have any problems, just send me an email.

Best,
Chon

Chon,

Question? would it be possible to take a picture of my "Wonder Woman
Award" to be used in a VC Museum Exhibit for public viewing Sept. 18,
2009 to Nov. 20, 2009?

The Museum invited me, along with 14 other VC Latinos, to participate in
an Exhibit - "Wearing our Stories: Latino costume, Adornment and
Identity. The Museum sent a photographer to take pictures on Sunday;
now they want me to loan them one of my Awards. My favorite award is
the Wonder Woman Award - which is under your care - Archives.

You know more about Museums then I do - what do you think? If that is
not possible I will use the most recent award I received from CSUCI in
March, 2009 or something else.

Lupe
