

Fourteenth Annual Commencement
California State University, Fullerton
June 9, 1973, Anaheim Stadium

To California State University, Fullerton Graduate of 1973:

On behalf of the entire University, I congratulate you on receiving a degree this morning.

I commend you for your achievement, and for the share you have had in building an institution of highest quality. California State University, Fullerton is becoming known and recognized in many fields, both academic and extracurricular.

This has been a year of new program development in the University community. There are many additional exciting ideas and projects we are considering for the future. Your contributions towards the fulfillment of these plans are most appreciated.

It is my sincere desire that out of all our experiences together, we are becoming more sensitive to each other and to the need of all men to be more aware of the ties that must bring us together. It is our hope that you will be a force for reason and goodwill for your alma mater and for all of us.

Wherever you go, and whatever may be your occupation or profession, we at Cal State Fullerton urge you to return here often, to visit and to offer your suggestions and ideas for improving and advancing our educational programs. We wish you well.

L. Donald Shields
President
California State University, Fullerton

"America the Beautiful"

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America! God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for Pilgrim feet,
Whose stern impassioned stress
A thoroughfare for freedom beat
Across the wilderness.
America! America! God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law.

Words by Katharine Lee Bates
music by Samuel A. Ward

House Made of Dawn

Happily may I walk.

Happily, with abundant dark clouds, may I walk.

Happily, with abundant showers, may I walk.

Happily, with abundant plants, may I walk.

Happily, on a trail of pollen, may I walk.

Happily may I walk.

Being as it used to be long ago, may I walk.

May it be beautiful before me.

May it be beautiful behind me.

May it be beautiful below me.

May it be beautiful above me.

May it be beautiful all around me.

In beauty it is finished.
