Retired Inside Leisure Villagers Feted

Lois Atz

By Marge Lorraine

Former Inside Leisure Village Coordinators, Betty Murray and Lois Atz were honored last month at a luncheon at Michael D's restaurant. Outgoing reporter, Jack Whalen, featured in August Issue of *Inside - Leisure Village* was also honored.

Murray started working on *ILV* with Issue 1, Volume 1 as a staff member. When the group reorganized, with various people taking turns with the responsibility for a month, Betty was the first coordinator. Initially, she shared the position with six others, but finally, she and Lois Atz were left doing it the last few years. In June 1999, Betty resigned for health reasons.

Lois started on the staff shortly after she moved here in 1984. Within a year, she was sharing the coordinator ship. After Betty's resignation, Lois continued on alone until she suffered a

stroke January 31, 2000. Lois remains on staff as a consultant.

Jack Whalen has been a reporter for *Inside Leisure Village* for nearly 20 years. During that time he wrote a minimum of one article per month.

The remaining staff thanked Betty, Lois and Jack for their years of service and wished them many relaxing years.

The Current Issues Forum will present its second special election program on Friday, October 27, 2000, at 7:30 p.m. in the Assembly Room. This program will focus on the upcoming election of two members of the Camarillo City Council.

There are four candidates running for these two Positions. They are: 1) Carlos Cruz, retired California Highway Patrol officer; 2) Kevin Kildee, incumbent councilman; 3) Les Meredith, former Planning Commissioner; and 4) Don Waunch, Planning Commissioner.

The Camarillo City Council consists of five members who each serve a four year term. These terms are staggered so that at one time, two seats are vacant, as now; and the next time, three seats become vacant. Council members are elected at large, i.e. they do not represent any

particular district or area, but the city in general. They also select their own mayor and vice-mayor from among their group.

The City Council is responsible for making the major decisions for Camarillo; of course, within the limits of state laws. This includes such tasks as: monitoring land usage, growth and development; approving building permits and requests for construction; appointing and supervising city employees; and making financial decisions regarding the use of city revenues.

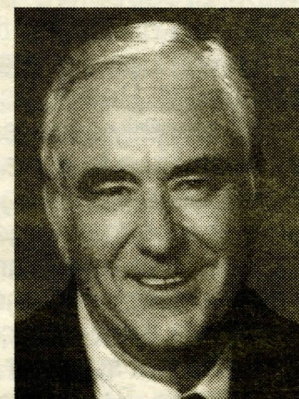

In other words, these officials are responsible for local policies and plans that can directly

affect the quality of our lives in Leisure Village. Therefore, it is important to meet these candidates, hear what they have to say, and learn where they stand on various major issues. This upcoming Current Issues program will provide just such an opportunity. At that meeting, each candidate will discuss his qualifications for office, and will also define his priorities, if elected. This will be followed by a question-and-answer period when members of the audience can directly ask about subjects of special concern to them. We urge you to be sure to attend this important and informative meeting.

What Do We Get For Our Money?

When prospective buyers check out Leisure Village, two questions that are immediately asked are, "How much are the dues?" and "What do we get for that?". Residents of Leisure Village get a lot.

For a monthly assessment that is in the price of a night's stay in a four-star resort hotel, residents get a month of resort living. The sporty three-par golf course is well maintained and challenging in spite of its size. The tennis and the paddle tennis courts are newly resurfaced and in excellent condition. The table tennis area attracts a large following, especially in the hot summer afternoons, and later in the rainy season. Bocce ball is also popular. The bike lanes make cycling a delight. Unless a tournament is scheduled, one can play any sport any time at no extra cost. The tournaments are fun and reasonably priced.

Those who like competitive games, but don't want to get hot and bothered, can drop into the billiard room, where there is usually plenty of action. Shuffle board is another option. The serious exerciser will find the work out room to their liking.

The jacuzzi offers a great way to relax those tired muscles after all that work, and the refurbished swimming pool offers more exercise or just cooling off. And as one lies on the lounge, they must notice the gazebo area, the beautiful landscaping, and then look to the mountains in the background. (While Leisure Village CAN'T take credit for those, they are part of the ambience.)

Numerous bridge and other card games are available at various levels at all hours of the day. Various art and dance classes are offered, as are self help groups. Dances are held on Saturday nights; those months which have five Saturdays feature a live band dance. The garden patches, and computer lab offer other options.

Leisure Villagers have an array of choices and live in a beautiful park like setting. That's what we get for our money!

I have no axe to grind with the 1998-1999 LVA Board of Directors, nor have I taken the time to research the contracts and reserve study referenced in their August 25th Letter. All I know is that my homeowner's fee was increased by 11% on April 1, 1999, not 8.31% as was mentioned in their letter.

Nancy Kuebel, V. 9

I would like to thank all my wonderful friends and neighbors in Leisure Village, for their expressions of love and support, at the passing of my husband Roy.

I would like to take this opportunity to thank Roger Williams from the wood shop in Leisure Village.

1968. In moving to L.V. from Paso Robles in 1996 the table was damaged.

I saw on Channel 8 the ad about the wood shop doing repairs on Wednesday so I took my table there a week ago. Within days Mr. Williams called me and said it was ready. He did a beautiful job when I opened my wallet to pay him he said no then thought a minute and said, "How about some home made cookies?" He'll have them next Wednesday.

I hope Leisure Village people will think of them when they need expert work done.

Thanks again,
Helen Leatherwood, V. 1

My heartfelt thanks to all the caring and helpful people of L.V. for calls, cards, food and sincere offers to help for any problems with the broken arm and surgery for same.

To My Friends

&

Neighbors

Words cannot express my love and gratitude for the outpouring of sympathy when Mel passed away. Your donations, cards, calls, visits and food have just overwhelmed me and my family. Though it has only been a short three years, we could not have been happier than to have become part of the Village and my now extended family. The many clubs Mel and I belonged to gave him much joy.

I hope I can return the warmth and love you have given us. Thank you and God Bless.

Fran Greenwald-Frank, V. 16

My family and I join in thanking all of you for your support and thoughtfulness on the passing of my beloved husband Morris (Murray).

I wish to personally thank all my friends and neighbors for your cards, donations and all those delicious goodies we all enjoyed!

I feel fortunate and truly blessed to be living amongst such caring friends as in Leisure Village.

Rose Gassman, V. 26

It is the consensus of the huge audience that viewed the Star Stud-ded Showtyme Spectacular "Anna Marie Alberghetti" and her ensemble that she was as good as she always was. Everyone enjoyed the performance. The Comedian was also outstanding.

Harriet Schwab, V 13

Initially, a scintillating "Taste of Funny" by Paul Desmond's comedy act, followed by a

rip-roaring band of sparkling instrumental sounds, then wham!

First class entertainment! Mind-boggling beauty and voice-ANNA MARIA ALBERGHETTI meeting the standard of excellence, singing her heart out, filling our eyes and ears with wonderment—all through the auspices of our L.V. SHOWTYME CLUB on Saturday night, the 26th of August. It was a very impressive performance and we owe a debt of gratitude to Jerry Banchik who worked tirelessly to bring this distinguishing quality of music to our doors for our enjoyment.

Billie Pachter, V. s15

My family and I are so grateful for all the wonderful expressions of love and understanding we received from our many, many dear friends in the Village. All

the gifts and donations given in memory of Ed warmed our hearts and helped to sustain us during this difficult time.

I am able to go on with less pain at our loss because of all the calls and offers of help. God bless you all. Frieda Weinberg, V. 44

I want to express my most thankful feelings for having received so many cards of sympathy and condolences from so many caring friends in Leisure Village. This hopefully will help me face my future life alone without my beloved husband, Andy, who passed away 8/20/00.

Emergency Services Organization

By Paul Kelwin

The ESO - Emergency Service Organization DPX - Disaster Preparation exercise was September 14. Channel 8 was the first source of information and next month's ILV will follow. But ESO certainly thanks all who cooperated and participated in putting out their "flag".

Those in LV, as well as others, live in earthquake country...all along the coast of California. Remember the 5.2 September 3rd Napa tremor? Injuries were from avoidable accidents; from objects that should have been secured to a wall. Many in Leisure Village

have done just that. It is best if a bit of slack is allowed. Not a rigid anchoring. Some have placed a small but husky spring between, e.g., a book or display cabinet and a strut in the wall.

Another hazard is a hazardous material spill heading the village's way with a ground hugging toxic cloud from Hi-way 101 or Santa Rosa Road. Evacuation would be almost impossible. The answer to that, or rather, the best alternative, is a SHELTER-IN-PLACE. If more information is desired, there are instructions under that title, in the Recreation Office.

ESO's next meeting will be October 17 at 1:30 p.m. in the MPR. Come and be a part of the group!!

Amateur Radio

By Paul Kelwin

The LV Amateur Radio Club (aka "HAMS") were certainly appreciated for their participation in the DPX (Disaster Preparation eXercise) of September 14.

The HAMS meet for breakfast on the third Saturday of each month at 9 a.m. at Michael D's in the Santa Rosa Plaza, just outside the Main Gate. Anyone interested in amateur radio is welcome. The next meeting is October 3 at 10 a.m. in the Annex. The next breakfast will be on October 21.

55 Alive

By Naomi Balfour

55 Alive will be presented on October 19, 20. Call Naomi Balfour at 987-9851 or Zo Simmons at 484-5205.

PLAYERS GUILD

By Ed Williams

The Players Guild workshop presentation of "Music Hall Follies" presented August 17, was

outstanding Milt Mankoff directed and twenty residents participated. All were terrific. The fullhouse attendance inspired all on September 21 program, "Gold Coast Singers" Participate or attend. Make Players Guild a habit.

Ballroom Dance Classes

By Georgia Schneider

The Ballroom Dance Classes began on August 21 with Sandi Patterson, Instructor from Moorpark College. The approach to the different facets of dance and music will be an interesting challenge presented in a unique fashion.

Areas of study will include movement theory, dance vocabulary, stressing dance courtesy, as well as fundamentals of music as they relate to dance and dance history.

Basic Phrasing is the initial lesson to the rhythm consisting of music with a Mini Phrase of 8 beats for 4/4 Time; a Minor Phrase of 16 to 24 beats for 4/4 Time, and a Major Phrase of 32 and 48 beats for 4/4 Time. All 4/4 Time counted in "Sets of 8".

Foot positions are used for correct steps in the Time Step (Side Two Step) and the Box Step.

The mixed class of college students to augment the senior group from Leisure Village allows for a great intergenerational experience.

Next Open Board Meeting is Mon. October 2 at 10 a.m. in the AR

The club will follow along on October 24 with a hobby program in which members will demonstrate their extracurricular activities such as arts, crafts, or just plain talk.

On spookiest night October 31, the goblins and angels will mix it up for Halloween.

The Computer Club continues to grow both in membership and activities. New classes, new equipment and new meetings! The Computer Center has been arranged to accommodate a new Mac scanner, HP 832 printer, and a projector all of which add to the range of skills and information now available by attending the many classes. In appreciation for the valuable help given by the many Village "gurus", donations to the club will always be welcome and can make it possible to obtain even

more new and exciting equipment and accessories for the use of everyone.

In addition to the Monthly General Meetings, monthly Open House meetings are held. These are get-togethers for the exchange of news and views and a chance for questions and answers. They are held on the 4th Friday of each month at 10 a.m. at the Computer Center.

Full details of classes and "Sigs" may always be found on notice boards and Channel 8 and by e-mail to members if the club has the address.

The Happy Hoofers have been busy performing for other Village groups, practicing old routines, and learning new ones.

The group has been lucky enough to welcome newcomers. The Happy Hoofers offer open arms to any and all who would like to join. Call President, Ida Zeller at 484-9882, or Helen Gold, the lead dancer, at 987-2494. They are very obliging and friendly and can give pertinent information. It is fun to KEEP ON DANCIN'!

The Billiard Club meetings are again in full swing after two summer months' hiatus.

Big months are ahead. The suggested new rules are still being tested. The fall tournament is planned. Sign up sheets are posted in the Billiard Room. It is hoped that all club members sign up and keep the tournament managers busy!

The next club meeting will be October 24, 2009 at 7:30 p.m. in the MPR.

The Leisure Village Exercise Group is planning its Annual Gala Potluck Dinner on Thursday, October 12 at 5:30 p.m. in the AR. Those attending will make up their own tables of 10 or 12, also plan and provide their own menu for their table. This will avoid having to wait on line and the possibility of food shortage. Attendance is limited to paid up members only. A stage presentation of that popular quiz program, "What Was My Line", moderated by Milt Mankoff, will help to insure a fun evening. Exercise Group members will be featured as panel members and guest contestants. Space is limited. Contact Shiphrah Maller for table assignments.

The Leisure Village Exercise Group meets Monday thru Friday from 8:30 to 9 a.m. at the Pool Pavilion. All residents are welcome to participate and enjoy the benefits of healthy exercise and sociability.

Channel 8 will open the Fall viewing season on October 2 with a full slate of programs that have originated and been taped in the Village.

The premiere attraction of the month will be the recent Players Guild hit performance *La Cage Aux Folles*, to be shown on Wednesday evening October 18 at 7 p.m. Channel 8 cameraman, Bob Vanderhaven has done his usual wonderful job of taping and editing the entire production.

The lone commercial offering is great show for "NOSTALGIA NITE"; featuring 30 year old lost episodes of Red Skelton, Thursday night October 12 at 7 p.m.

The LVA Open Board Meeting (a live broadcast on October 2) will kick off the month's other fine programs of "What Was My Line?", Lillian Hawthorne's Book Review, and the latest in a series of "Investments" by Ed Pollanine.

Long time member of Channel 8 Jack Whalen, taking over for recent retiree Larry Sawyer of the "Shared Experience" program, will interview recent move-in Bob Koster, son of noted director Henry Koster and his widow, villager Peggy Koster. Bob was "The Voice" on recent Channel 8 programs, and we are looking forward to working with him in the future.

A visit by Camarillo City Manager and Police Chief that was taped on August 24 as well as Information Forum with LV General Manager Randy Watkins as moderator, will air on Monday, October 9, at 10 a.m.

We urge all Villagers to watch "The Run" on Channel 8 for daily announcements and the complete October Program.

BE INFORMED!

An Appeal From the EAC

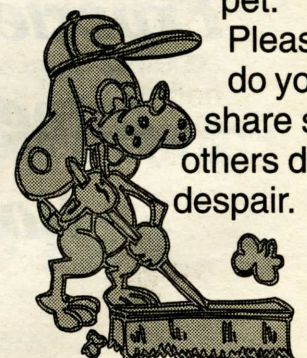

The Engineering Advisory Committee seeks help from others in Leisure Village. There is a need for engineers and persons with technical background to address the questions and programs that the Board directs to the group. Homeowners with these qualifications please come, forth and assist the committee in some challenging work, which has a great potential payoff for everyone. The appeal goes especially to recent arrivals who have not been involved to date.

The committee plans to operate on a task force basis. This may make volunteering more acceptable for those who may not wish to be full-time members of the Committee, but who may still be willing to help out on specific projects for the limited periods that such projects require. One of the committee's objectives is to identify a pool of technical talent from which to draw for specific help, even if only on a part-time basis.

If there are those in the village who have a technical education or experience, especially retired engineers, scientists or technicians who would like to help please call Ed Hawthorne, V. 42. 987-6790.

PET POINTERS FOR PET OWNERS

"Pet Pickup" is for everyone who has a pet. Please do your share so others don't despair.

Recreation Facilities Vision Committee

Do you plan to be living in Leisure Village in 2005? 2010?

Would you like to influence life in LV during these years?

If you answered "Yes" to either or both of these questions, read on—

A committee is being formed to evaluate and make suggestions or recommendations to use our Recreation Facilities more efficiently and equitably.

This committee will have two sub-divisions, an "A" and "B." Each sub-division will have a different purpose, but they will need to interact at some points. The "A" division will concentrate on more efficient use of our current facilities. "B" will address the need for additional space.

Since the suggestions and recommendations of this committee will directly or indirectly affect all homeowners, it is hoped many will take an active interest. This committee should be balanced between residents with "history" and the more recent "move-ins" that will be using the facilities in years to come. This should not be a long time commitment. When the assignment has been completed the committee will be disbanded.

How can the residents help?

- 1) Submit any ideas in writing and your ideas will be incorporated in the evaluation and recommendations.
- 2) Volunteer to serve on either A, B or both by writing to Marilyn Holthouse, 20144 V 20, or calling 987-4319.

Marion Jayne gave an inspirational demonstration of oil painting of FLOWERS at the August 2 meeting. This was done to stimulate the members to start working hard to produce "works of art" for the October Art Show! The date of the Art Show is Sunday, October 15, 10 a.m. to 4 p.m. in the AR.

All villagers are invited to display their works of art at the show, but it is necessary to be a current dues-paying member of the Village Painters in order to be able to show. This may be accomplished by coming to the next meeting and joining (for \$4) or by contacting President, Sylvia Wachter—389-1147.

The next meeting is September 6, at 1:00 p.m. in the MPR when there will be a critique of paintings by Marion Jayne, the Village Painters' expert in this difficult enterprise.

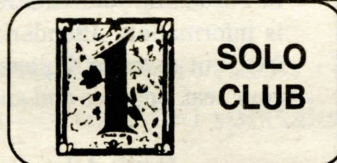

There are more reasons for joining the Village Painters other than the ability to show paintings in the Art Show. It is not necessary to be a painter. Art lovers, who

enjoy the atmosphere of being with others who do artwork or just talking about artwork, are welcome. All experienced artists or those involved in the field of the arts are welcome as members or visitors to the Village Painters activities.

The meetings, once a month, involve various demonstrations of different art media, videos about artists and art-related subjects and programs with hands on experience of different art materials. Occasionally, instead of feeding the aesthetic spirits, the Village Painters, also feed the flesh in the form of pot-luck luncheons, and at each meeting there are refreshments served.

All villagers are invited to donate any art materials which are no longer being used. Dorothy Lemchen and Muriel Summer have been most generous in this area. The donations are greatly appreciated by the Art Class and by the Village Painters, who have an annual sale of art materials with proceeds going to local philanthropies.

Art Class, Mondays, 1 to 3 p.m. in the Lanai Room and monthly meetings, first Wednesday of each month, MPR at 1 p.m. For information, please call Ruth Miller, 482-3471.

The Solo Club is having a potluck on October 13 at 6 p.m. in the AR. All members whose last name begins with an A through G are to bring

dessert. Those with an H through Q are to bring a salad and those with an R through Z bring a main dish.

Things to remember: Foodshare, place setting, 50¢ to defray expenses and BYOB.

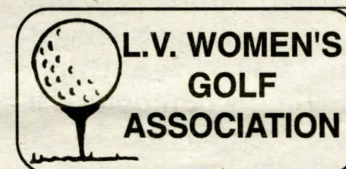

The next bag lunch business meeting will be on October 20 at 12:30 p.m. in the Sun Room.

By Mannie Abbate

Club members will play at Soule Park two times in October so make sure to mark your calendars correctly. October 4 will be regular regulation golf tournament. The sign-up sheet was put up a month ago.

On October 26, there will be a Combined Tournament with the LVWGA at Soule Park. The Shotgun Start at 7:30 a.m. will allow everyone to finish in time for the Buffet Luncheon at the Soule Park Clubhouse. Ernie says this was done a few years ago and it was a big success. Perhaps this one will be even better.

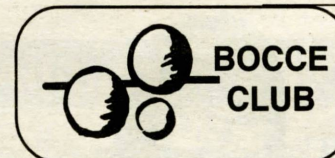

By Mary Giesler

The August Month End Mixed Tournament was held Sunday 27 and hosted by the Men's Club. Entertainment for the 19th hole party was enhanced by a tape showing Paul Eberle bungy jumping at the young age of 85. This great feat was accom-

plished on October 1999 in New Zealand, from the bridge where bungy jumping first originated. Management was so impressed that he was not charged the usual fee. The President's Cup Tournament will be held on October 18 and 25. Regulation Golf will be at Westlake on Thursday, October 19. The Month End Mixed Tournament and 19th hole party will be hosted by the Women's Club on Sunday, October 29.

There will be a car pool arrangement so that those members with partners who will not be playing in the tournament may still go to Ojai, do a little sight seeing and join us for the luncheon. Tickets may be purchased at the Men's and Women's tournaments on Tuesdays and Wednesdays or by calling Donna, 987-2627; Ernie, 987-2954; or Mannie, 482-0642.

The price for the Golf and Luncheon is \$45 each. Tickets for the Luncheon alone are \$13.50 each. There will be many special prizes. This will be a Texas Scramble format. The teams will be set up by handicaps so everyone can all have a chance at winning a prize. A computer *maven* will tell us how to set up the teams.

President Al Ventura would like to thank all the "well wishers" in bout with his back ailment. Members wish him the very best and a fast recovery.

The attendance at the Bocce courts was very

impressive this summer. There was also a lot of play in the early evening as well as in the day time.

The word has it, that in November we should expect to see the reworking of the courts. Here's hoping!

The Bocce Club meets the last Thursday of the month at 7 p.m. in the AR.

Due to space restrictions the Club Directory could not be printed.

Ed Evans Honored

By Marge Lorraine

Ed Evans was honored for his outstanding contributions to Leisure Village at the August open Board Meeting. President Caroline Pratt presented Evans with a plaque gratefully acknowledging his work as chairman of the Insurance Committee.

The committee unanimously wrote the Board commending Ed for his extensive time and efforts in securing insurance coverage for the Leisure Village association. They cited his outstanding dedication in assisting both the Leisure Village Board of Directors and the residents by compiling a comprehensive bid package for first time bidders. In spite of serious heart problems, he devoted more than twelve hours a day for over two weeks contacting insurance carriers and brokers. He patiently answered questions and chauffeured bidders around the Vil-

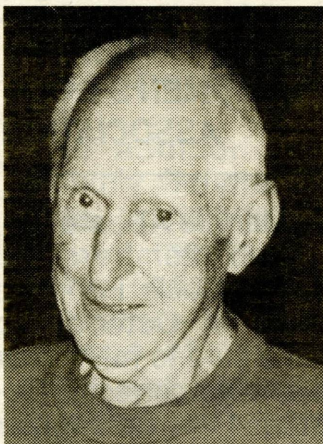

photo by Vic Fledge

lage. Because of Ed's work, Leisure Village was successful in obtaining the best insurance coverage for the money spent.

Ed is very concerned that the frequency and the amount of claims are causing potential financial hardship for the Village in the near future. He is particularly concerned that the rate of negligent claims are rising. The problem he feels, is caused by the fact that Leisure Village is considered the primary carrier and the homeowner is the secondary carrier. Ed strongly recommends a CC&R change to reverse that order.

Evans was on the Insurance Committee in

1994 when the Northridge earthquake struck. The Board appointed him as the adjuster for Leisure Village because they could not find an independent adjuster. Ed worked every household claim, with a net savings to the Village of \$700,000.

Ed and his wife, Illene, have been residents of Leisure Village for 14 years, and Ed has been a very involved homeowner most of that time. The Evans' come from Pittsburg, Pennsylvania, where Ed owned an Insurance Brokerage Agency for 37 years. He is proud for the fact that he never advertised and his clients were all referrals. He adds, "I made a good living, too."

Although insurance has been both a vocation and an avocation, Ed is a man of varied interests. The beautiful roses in his front yard attest to Ed's love of gardening. Ed also likes regulation golf and travel.

Because Illene doesn't share his enthusiasm for travel, Ed and a buddy spent 26 days

touring South America. He has also traveled extensively all over Europe. Ireland is his favorite European country "because the scenery is so beautiful and the people so hospitable". He and Illene

spent their fiftieth wedding anniversary there, and slept in a castle on their anniversary night

Ed and Illene have a daughter and a grandson, both attorneys.

Showtime Club's August show was a terrific success. Those of you who did not attend, missed a great performance. Each show seems to be better than the last, so get your tickets early for the next show. No definite date yet, but it will be sometime in December.

The main purpose of

"Showtyme" is to bring good professional entertainment to Leisure Village at better than reasonable prices. This can only be done with the help and cooperation of all, members and non-members. If this concept pleases you, join the club.

Meetings are third Monday of the month 7:30 in the AR. After a short business meeting, an interesting tape is projected on the big screen, of a musical, comedy or something topical. Come and enjoy.

INTERNATIONAL FOLK DANCE

To My Friends and Supporters at Leisure Village:

Ventura County has lost millions of taxpayers money stemming from an illegal Mental Health merger. Against warning from the County's CAO and the Federal Government that the proposed merger would be illegal, my opponent voted for it.

Most government agencies have healthy surplus budgets from a booming economy but Ventura County faces serious financial problems due to mismanagement and poor decisions.

Borrowing money as our current board has done will not solve the problem. Sound fiscal management will!

My legislative record and history of community involvement reflect my commitment as a public servant. I've had to make tough decisions as a former Mayor and a 20-year City Councilman to keep Camarillo fiscally sound. I contributed to Camarillo's successful recovery from its 1986 budgetary problem. Unlike my opponent, I do not accept contributions from groups such as Pardee or the Building Industry Association.

Ventura County needs a Supervisor with experience in financial management. One voice of reason can make a difference. With your vote, I will be that voice!

THE CHOICE IS CLEAR ... ON NOVEMBER 7TH RE-ELECT

VENTURA COUNTY SUPERVISOR **KATHY LONG** SERVING THE RESIDENTS OF LEISURE VILLAGE

As your Supervisor, Kathy Long:

- ✓ Serves on CSU-Channel Islands Site Authority to ensure the University is fully funded and higher education opportunities are available.
- ✓ Fights to keep Camarillo Airport a general aviation operation, limiting the types and frequency of aircraft to "fly neighborly." **No Expansion!**
- ✓ Leads the effort to have firefighter/paramedics on all engine companies serving the Leisure Village community.
- ✓ Secured \$40.5 million in grants for the new Juvenile Justice Center.
- ✓ Led the fight that stopped the 23,000 home Newhall Land development in its tracks.
- ✓ Recruited one of California's most experienced administrators, Harry Hufford, to serve as the County's Chief Administrative Officer. She's voted to increase the CAO's authority and oversight of the budget.
- ✓ Joined with her colleagues to approve a balanced "no-frills" budget that restored our A+ credit rating and protects the County's \$27 million reserve.
- ✓ Refused to accept a salary increase and cut more than \$115,000 from her office budget over the last 4 years and returned it to the General Fund.
