Mr. William Randolph Hearst,
137 Riverside Drive,
New York, N.Y.

Dear Mr. Hearst:

By registered mail are two sketches showing Ariadne in the pool and at the terrace level. The enclosed photograph is about in correct scale.

In the same package is a suggestion for treatment of the little south side terrace of House A. In marble to match the group it would cost about \$650.00 -- in stone about \$200.00 less.

Yours very truly,

JM-dem
