FEDERALLY INSURED STUDENT LOAN/CALIFORNIA GUARANTEED STUDENT LOAN PROGRAMS

The Federally Insured Student Loan/California Guaranteed Student Loan Programs enable students with financial need to borrow to help pay educational costs. Under this program, the state and federal governments insure loans from participating lending institutions (banks, credit unions, savings and loans associations, etc.). Depending on the lender, undergraduates who qualify may borrow up to \$2,500; graduates may borrow up to \$5,000 per year. The total outstanding principal balance for undergraduates may not exceed \$12,500 at any time and \$25,000 for graduates. Simple interest at the rate of 7% per annum is charged on loans for students who have previous outstanding loans at 7% and 9% per annum is charged for all new or existing loans at 9%. The federal government will pay this interest until the student borrower enters the loan repayment period.
