Winners of the Student Book Collection Contest

The John Spoor Broome Library is proud to announce the winners of the 2010-2011 Student Book Collection Contest:

1st place – Gina Hernandez, “The Underground”

2nd place – Tyler Crowley, “I Think I’m Turning Japanese, I’m Turning Japanese, I Really Think So”

3rd place – Laura Webb, “Stories Told and Lessons Learned”

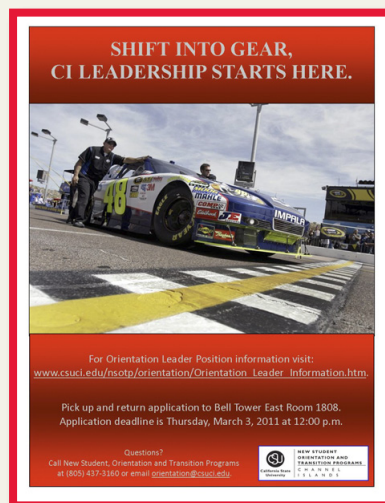

4th place – Carolyn O’Hara, “Art and Entertainment”

The winning students’ essays, bibliographies and collections will be on display in the Broome Library reading room until March 25, 2011. Congratulations to our winners!

Judging was based on the strength of the collection, which is derived from the theme and common thread that tie the books together, as well as the collector’s knowledge of the subject, (i.e., the scope and depth of a collection that reflect expertise as well as the range of viewpoints or genres.)

The program runs throughout the year with three types of payment plans and different box sizes to accommodate your household and eating habits.

Active CSA members receive free admission to the farm for the length of their membership, access to the recipe blog and product community area on the Web site, periodic e-newsletters with updates from the farm, and a 50% discount on the Fall Harvest Festival weekend admission price. Quarterly and semi-annual members can also attend a private tour of the farm. Boxes are delivered to El Dorado Hall every Tuesday at 1:00 p.m. and are supervised until 2:00 p.m.

Check out the UFF Web site at <http://www.underwoodfamilyfarms.com/CSAProgram.html> to learn more and sign up. This is a great way to support local, sustainable agriculture, eat more veggies and fruits, and build community at CI.

Performing Arts presents: *The Donner Party Cycle, Part One* – March 9-13

The cycle of plays follows the ill-fated Donner Party as they crossed the western desert and mountains en route to California. Only half the company survived, most dying in the Sierras during the winter of 1846-47. The plays dramatize key decisions the party made along the California Trail, any of which could have spelled their doom.

This performance, written and directed by Bob Mayberry, includes performances by the students of PA/ART 391, and music arranged and performed by Ina Velia and Nicolas Deuson. Be sure to stop by and relive the experience with the Donners themselves. You'll leave hungry for more...

Performances are Wednesday, March 9 – 12 at 8:00 pm, closing Sunday, March 13 at 2:00 pm in the Malibu Hall Theatre at CI.

Performances are approximately 90 minutes. Tickets are free for CI students, \$5 for non-CI students, \$10 for faculty & staff, and \$15 for the general public.

Generously sponsored by Instructionally Related Activities and the Martin V. Smith School of Business & Economics.

For additional information and to purchase tickets online visit the PA website at: <http://performingarts.csuci.edu/events.html>, and "Like" us on Facebook for future updates at: <http://www.facebook.com/DonnerPartyCycle>.

Women's Recognition Luncheon – March 29

The Center for Multicultural Engagement and Multicultural Programs will once again host a Women's Recognition Luncheon to honor women who foster growth and development of our community through leadership, service and dedication. This year's Women's Recognition Luncheon will be held on Tuesday, March 29 at 12:00 p.m. in Malibu Hall 100.

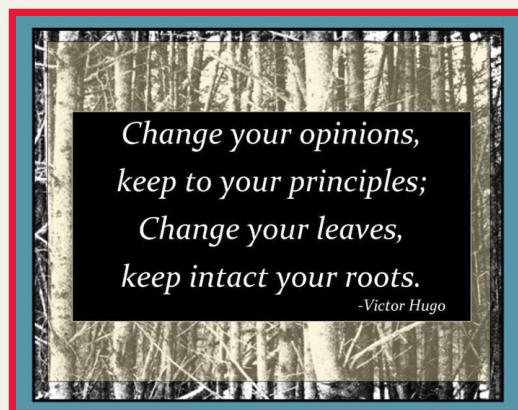

The event will pay tribute to the National Women's History Project theme: "Our History is Our Strength". To honor the 100 year anniversary of the California Woman Suffrage Amendment, we welcome you to mingle with historic female California suffragists played by the 1911 Conejo Valley Votes for Women Club. The luncheon will also host Ms. Winifred Elam and her one-woman performance "Ain't I a Woman" inspired by Sojourner Truth's famous 1851 speech.

Any member of the campus community may nominate an exceptional female leader that has fostered the growth and development of the community. Since CI's history is based upon the strength of our mission pillars, we ask that you nominate women on the basis of their contribution to:

- Integrative Approaches
- Experiential and Service Learning
- Multicultural Perspectives
- International Perspectives

Nominations will be accepted in the six categories of:

- Student
- Staff
- Administrator
- Faculty
- Alumni
- Community Member

[Click here to download Nomination form.](#) Nomination forms are also located in the MWGSC, Bell Tower East 1805 or by e-mail request to jennifer.chapman@csuci.edu.

Submissions are due no later than 5:00 p.m. on Friday, March 4. The luncheon is open to all campus community members and invited special guests.
