

If, for any reason whatever,
however mundane, you
want to contact me today
(Thursday), I'll be at the Apt.
all morning. Biol. Sci. Faculty
meeting. 1:30-2:20 Office 2:30
to 3:30. Then back to the Apt.
and I'll see you at 4:30 or
4:45.

Dr. John's secretary, Jan, said
she'd have the medical excuse

for you so I can pick it up Thurs.
morning, so I'll bring it when
I come for our dinner date.
Until then "Success in
everything and happy
landings."

Carl.
