Remember the Annex?

Like the frog that turned into a prince, what used to be that strange structure with old shuffleboard lanes, no real roof and storage space for theatrical sets is now 4,000 bright square feet for Leisure Village activities, appropriately called The Clubhouse.

New roof, new flooring and carpet, new lighting, new paint and new furniture

in three new rooms greeted Villagers at the official ribbon-cutting party on Jan. 22.

The project — proposed four years ago by the strategic planning committee — has added a new larger home for Wii Bowling, a ping-pong room with specialized flooring and a cabaret room for parties, dances and classes.

Budget calls for assessment increase of 3.845 percent

By Patty Ecker

At the January Town Hall meeting, LV's proposed 2014-15 budget was outlined for homeowners, after a line-by-line effort by the Homeowners Association staff and the Board of Directors that took several months. The budget grand total for the upcoming fiscal year is projected to be \$11,725,988.

Based on that figure, the homeowner's assessment will be increased in the next fiscal year by 3.845 percent. That

translates into an approximate \$12 to \$18 monthly increase, depending on the size of the house.

The facts and figures for 2014-15 were presented to the audience — in the AR and those watching at home — by the Board's Treasurer, Ted Lansing, using a PowerPoint Presentation.

There are no significant lower costs in this new budget. Increased expenditures for the upcoming year include

Two notable birthdays took place in January. On Page 6, read about Imogene Gregory's 105th birthday, and on Page 14, read about the Village's astonishing 98-year-old bowler.

Our precious cat was let out of our home and was out for two nights. Thanks to the caring of two neighbors — one in Village 18 the other in Village 20 — and the vigilance of our

Village Police, we were able to rescue our cat.

It is so reassuring to realize we live in such a caring place.

2.4-mile tree-planting project completed along LV Drive

A drive down the 2.4 miles of Leisure Village Drive — that's East Gate to West Gate — is now a verdant example of the generosity of LV residents.

Thanks to donations from Villagers and the efforts of LV's landscape crew, 84 new trees have been planted along the route, filling in the open spaces between the curb and sidewalks.

This "street tree" project, first suggested in the 2010 Master Plan, cost nearly \$11,000, and 90 percent of that came from contributions by Villagers and Village groups, according to Karen Snethen, LV's landscape assistant.

The new saplings are mostly flowering trees, "specifically chosen because they will put on an ongoing show," says former Board member and landscape

It is beyond my expectations that this was done with donations. It reminds me how great the Village is.

— Don Marquardt,
Project organizer

architect Don Marquardt, who shepherded the project from start to finish. "It is beyond my expectations that this was done with donations. It reminds me how great the Village is."

He predicts the new trees should be around for 40 years.

Your Neighbors Care Group brings free diabetes screenings to Village

By Patty Ecker

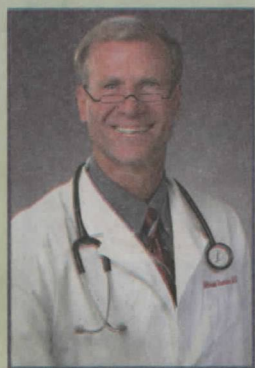

A series of pre-diabetes and diabetes screenings just for Leisure Village residents begins on Monday, Feb. 10, in the Sun Room. Sponsored by Your Neighbors Care Group in conjunction with Community Memorial Hospital of Ventura, this new program will bring doctors, registered nurses and nurse practitioners to the Village from 8 to 11:30 a.m. on the second Monday of every month. The screenings are free.

An estimated 85 million

Americans have pre-diabetes, and most don't know it. Approximately 25 million have been diagnosed with Type 2 diabetes.

"The numbers are stark reminders of why everyone should find out if they are at risk," says Mary Jane Porter, president of Your Neighbors Care Group.

Free screenings, educational information about diabetes and foot exams will be provided by the CMH professionals. The Diabetes Awareness program will continue for six months.

Focus is on Camera Club queen as she turns 105

By Marlene Votion

Jan. 8, 2014, the Leisure Village Camera Club celebrated Imogene Gregory's 105th birthday. She was presented with flowers and a special cake in her honor.

The Camera Club has been paying homage to Imogene for many, many years and hopes to continue this tradition for years to come.

Imogene has been living in the Village for 34 years and has been actively involved in the Camera Club for 30 years. She was the president of the club for two years. Up until a few years ago, she was an active photographer who submitted many photos for competition and won many awards for her photographs.

Imogene has seen many changes in the club, starting from presenting the photos in slide form, clear up to the now-present digital format. Although she hasn't done any photography for the last few years, she still attends every meeting and the workshops, as well.

Imogene is still interested in looking at the beautiful photos, and the club members look forward to seeing our queen every month sitting in her front-row seat in the Multi-Purpose Room.

Long live the queen of the Camera Club!

VILLAGE HAPPENINGS

Showtyme puts spotlight on music

By Bob Cohen

Intermission is over. The curtain is rising on the next act presented by Showtyme productions. But, this act is different — similar, but definitely different.

"Music has always been part of my life for as long as I can remember," said Paul Schifanelli, the new vice president of monthly productions. "And, because music relates to every human emotion, Showtyme monthly productions will focus this year primarily on music, with a variety of performers who are mostly new to Leisure Village.

"However, first up, on Feb. 14, Raymond Michael, a great Elvis impersonator who performed on our stage several years ago, will thrill us once again. This special event is open to all Leisure Village residents at no charge. Showtyme membership is not required for this show. So, save the date! Join us at 7:30 p.m. in the AR for this special Valentine's Day treat with the King of Rock 'n Roll."

Raymond will return again later this year to wow us with his renditions of Engelbert Humperdinck and Tom Jones.

It's a great start to the new year, but even more is in the works!

In April, Janice Gerard will entertain us with her "Broadway Babes and Movie Melodies." This show features songs popularized by Streisand, Midler, Minnelli and more. Enjoy classic tunes from "Funny Girl," "My Fair Lady," "Pajama Game" and other theatrical and cinema favorites.

But wait, there is much more.

"I'm working on a deal to bring an edited version of a very well known Broadway show to our stage, and perhaps more than one," Paul added.

To paraphrase the words of a great song from a "A Funny Thing Happened on the Way to the Forum":

Something familiar,
Something peculiar,
Something for everyone,
There's music tonight!

\$11.7 million budget for LV explained at meetings

insurance costs (\$77,000), sewer expenses (\$90,000) and cable (\$54,000).

"Some of the figures are 'what if accounts,'" said General Manager Bob Scheaffer. "If the sewer breaks, the money is spent. If it doesn't break, we don't spend it."

Lansing said that over the previous 38 years, the average annual increase in assessment has been 4.48 percent. "The increase this year is obviously less than that," he added.

By Sharron Parker Troop Real Estate Inc.

Realtors who specialize in Leisure Village are often called to talk to families about making a decision to lease or sell a parent's home. This is an important decision, and good information will help.

Selling a home will require a Competitive Market Analysis to determine current market value with and without upgrading. The house will need to be cleared of all personal property, and a Realtor can assist with what upgrades — including painting, flooring, lighting, etc. — may be helpful to get the house sold more quickly and for the best price possible. In some cases, an "as is" sale may be the best decision. Realtors will review closing costs to help to determine the seller's probable net proceeds.

Leasing a home in Leisure Village will also require the removal of all personal property,

along with some typical upgrading to make it emotionally appealing to a prospective tenant in a competitive leasing market. The Leisure Village Association will do an exterior inspection of the property, and some corrections may be required. The homeowner/landlord will usually pay the association fee, property tax and any upgrading or maintenance of the property.

The homeowner/landlord may choose to have a Realtor property manage and/or assist in finding a qualified tenant.

The Leisure Village Association has specific Rules & Regulations regarding the sale or leasing of a property. Your Leisure Village Realtor will be glad to assist.

LV Woodshop

By Chuck Russell

The Woodshop is another of the great recreation facilities in Leisure Village. It's a popular place: 76 key holders used the shop in 2013.

Ten committee members, with occasional help from a few key holders, volunteered their expertise and time to repair items for residents and do some projects for the Village. They accomplished more than 300 projects.

Leisure Village residents are welcome to bring items to the Woodshop in the Recreation Center Tuesday and Wednesday mornings between 10 a.m. and noon. There is no guarantee that all damaged items can be fixed, only that the volunteers will try to restore them to the best of their ability. There is no charge for this service. Donations are accepted for materials. For more information, call Chuck Russell at 383-3043.

Racquet Club

By Diane Knopf

Need I state the obvious? The recent facelift to our beloved paddle tennis courts suffered a few setbacks. Some of the painted lines, namely the yellow pickle ball lines, were, shall we say, less than permanent and more than powdery. Blame it on a bucket of old paint that lost its chemical integrity. Our ever-vigilant Racquet Club president caught the mistake, commiserated with the contractor and made sure it was repaired without added expense. Thank you, Diane Carroll!

By the way, the next LVRC meeting is March 12 in the MPR, where you can see her in action.

Busy time for paddle tennis! Leagues are up and running. Just so you don't show up to the courts and find they are busy, these are the set times for the leagues this

month: Tuesdays, 2:30 to 3:45 p.m.; Wednesdays, 12:30 to 1:45 p.m.; Thursdays, 3 to 4:45 p.m.; and Fridays, 8:30 to 9:45 a.m. Feel free to come watch. It's a good spectator sport. And don't forget the modified third court, which is always free and can be used for either tennis or paddle. If you have any questions about the league or want to be on the sub list, call Trish at 991-6374.

FYI: Other times that the courts are reserved for paddle (excluding the modified tennis courts): Tuesday, Thursday and Saturday from 8 to 9 a.m., easy; Tuesday, Thursday, Saturday and Sunday from 9 to 11 a.m. for open play; and Monday and Wednesday from 3 to 4:30 p.m., round robin.

LV paddle players have been invited by the Casa Del Sol members to the Laguna Woods Orange County Senior Paddle Tennis Invitational (that's a mouthful!), senior men's and ladies doubles. It will be on Saturday, Feb. 22. Diane is trying to organize an LV entourage. Call her for information at 419-4325.

Amateur Radio Club

The club has a new president, Jonathan Fox of Village 6. A new secretary has yet to be determined.

Our club promotes a fun hobby that is enjoying a renaissance today as more people discover the ability to make new contacts with fellow hams in both local and distant lands. Others join our club as a way to help with service to the community by working with state, county and local agencies to provide communication in times of need.

scenario being exercised was a catastrophic earthquake that caused significant damage to the California

State University, Channel Islands, campus. Numerous public safety agencies converged upon the mass casualty incident at the university. Police and fire officials encountered a number of injured victims requiring rescue, triage and transport to a temporary hospital facility. Many other non-injured victims on campus were evacuated and relocated to a Red Cross megashelter setup at Freedom Park in Camarillo. Our local ham radio operators provided communications support between the different transportation agencies that normally have no ability to contact each other.

If you are curious about becoming a member of the club, please join us at one of our meetings. You do not have to be a licensed amateur radio operator to join. We will provide help in getting your license, and it's now easier than ever since Morse code is no longer required. Meetings are held the first Thursday of the month in the MPR at 2 p.m.

The Mavericks

By Margo Secia

The month of February brings us our always popular "Cash In The Attic" on Friday, Feb. 28, at 7 p.m. in the AR. We hope everyone will bring one or two of their "treasures" that they wish to be auctioned off on that evening. These usable and re-salable items will be displayed for all to see before the start of the auction. (Sorry, we are unable to handle large items such as furniture, oversize pictures and paintings, etc.)

The money from this auction will go into the club's treasury so we can continue to provide entertainment and fun events in the future; all leftovers will be donated to a local charity. Coffee, hot tea and water

will be provided by the club and, as always, you may BYOB. Our auctioneers are always entertaining, so we hope everyone will come to join in all the fun and laughter this night always generates.

If you have any questions or comments, please feel free to contact President Jeanne White at 207-9869.

Bowling League

By Bob Cohen

The first half is over and Team 14, consisting of Danny Coleman, Leslie Fox, Nancy Guirell and yours truly (barely) held on to first place. Didn't do so well in the first game of the second half, but it is early!

During the four-week reporting period, 15 200-plus scratch (no handicap, for you few who do not know the lingo) games were bowled. Art Matter led the parade this month with four games (223, 207, 206, 226), Danny Coleman had three games (200, 206, 240), having two games each were Alan Singer (204, 212) and Art Titan (211, 202), while Vivian Hurst (222) and Fred Diehl (220) had

one each.

The side pot winners for Week 14

were Ellen Neally, Vi Guzman and Billie Stimac for the ladies and Bob Chamberlain, Irv Cohen and Art Matter for the men.

Week 15 winners were Leslie Fox, Karen Levitt and Barbara Leigh for the ladies and Alan Silverstein, Fuzzy Melton and Jerry Rosen for the men.

Week 16 winners were Ellen Neally, Vi Guzman and Vivian Hurst for the ladies and Alan Singer, Art Titan and Phil Kamens for the men.

Week 17 winners were Ginny Cordell, Olga Clode and Vivian Hurst for the ladies and Phil Kamens, Art Matter and Fred Diehl for the men.

Finally, and perhaps most important, on Jan. 24 we celebrated the 98th birthday of one of our best and most active bowlers, Jerry Schneider. Jerry, who sports a very respectable 140 average, bowls three times a week! To put that average in perspective, out of the 63 regular bowlers in the league, only 14 have a higher average than Jerry — or put another way, his average is higher

The short business meeting in February includes the installation of officers and, after adjournment, features Marvin Robinson, who has performed at the Smoke House in Burbank. His songs of Lou Rawls, Hoagy Carmichael and the Drifters float nostalgia through our minds. Are you plugged in? Camarillo Library has computer classes

By Marion Green

"Is This Thing On?"

That is the name of the beginning computer class offered at the Camarillo Library. You will be taught the very basic steps to get up and running and comfortable using a computer. The class covers understanding and using the mouse and keyboard. Once confident with those steps, you can move on to the second class offered by the library.

I bet some of you would like to know what a "Google" is. Dayna Canada is the Adult Services' librarian and would be happy to show you in her "Browsing the Internet" class.

Both classes are on Wednesdays from 12:30 to 2 p.m.

"Mouse and Keyboard Tips" will be on Feb. 5 or 19, March

5 or 19.

"Browsing the Internet" is offered on Feb. 12 or 26 and March 12 or 26. Space

is limited, and reservations are required. Please call the Reference Desk at 805-388-5811.

In addition, on Tuesday and Wednesday afternoons from 2 to 3 p.m., the library offers a "drop-in" lab for those with questions about their laptops, iPhones, iPads and Kindle devices. Library staff will provide assistance with photo and document management, email accounts, basic Internet questions and more. Sign up is required at the Reference Desk because of the limited number of available computers.

Another training resource offered at the Camarillo Library is the program "lynda.com." It is a comprehensive library of 2,000-plus instructional videos taught by industry experts and uses a self-paced online video method of instruction. This program is available only at

the Tech Lab at the Camarillo Library. A subscription can be purchased for use on your home computer.

If you don't have your own computer, you are welcome to use the computers Leisure Village has available for residents. A key is required to access the Tech Center and can be obtained after completing a Key Request Form available at the Rec Office. Hopefully, between the lessons available at the library and those our Tech Center is planning for the future, LV residents will be able to navigate the Internet, email their family and friends, upload and view family photos and enjoy all the wonderful resources now available to everyone in this electronic age.

Library seeks volunteers from Leisure Village to help tutor

available to the community. There are books, books on tape, music CDs, videos, ongoing educational and entertaining programs and so much more — all free to the public.

Our local library also has an Adult Learning Center that provides tutoring, mostly in speaking, reading and writing English, but also in math, science and history. They also provide assistance to those preparing for their GED. Several current volunteers are Leisure Village residents.

Since so many of our residents are retired teachers, volunteering at the library can be a perfect fit. How rewarding it is to see the progress when someone with limited English skills becomes proficient in the language. Some of those seeking assistance are well-educated but feel inadequate in their ability to communicate well in English. Others have the need to learn the basics of English.

The tutors also help those who are preparing for their citizenship examination.

Wendy Batstone is the coordinator

of the Adult Literacy Center.

The library does an outstanding job for those in our community seeking tutorial assistance — and at no cost. The designated room for the tutors has bookshelves full of books for those working on their English skills. The reading level of the books runs from basic to more advanced, and the books can be checked out to the students.

A series of classes is offered to new tutors to acquaint them with the skills needed to be a successful volunteer. Tutors are free to work with their learners to schedule meeting times and places. It is so rewarding and often a life-changing experience for both the tutor and the one being tutored.

Services that you can offer are: one-to-one tutoring in reading, one-to-one tutoring in writing and one-to-one tutoring in spoken English. No prior teaching experience is necessary. Some of those learning simply need experience talking to someone in English.

Barbara Williams, a Village resident and library tutor for almost five years, shared how rewarding her experience has been. Belen, her student, originally from Mexico, came to her with limited

English skills. After working with her for almost two years, Belen just passed her GED! And she is not done yet; she is enrolling in a class at the college to learn medical translation.

How exciting for everyone concerned to be a part of a positive life-changing experience like this.

Barbara stated, "I have so much admiration for these folks and the courage it takes for them to come into a learning program like this, some with

barely any English skills, to rise to the challenge to learn a new skill."

The entire department is very excited over Belen's recent accomplishment.

Are you familiar with the languages spoken in China, Korea, Iran, Mexico, Philippines, Lithuania or Peru? Great! But even if you are not familiar with those languages, you can tutor.

The library needs you! Call Wendy Batstone at the Adult Literacy Center at 805-383-5689 for more information. Wendy is there Monday and Wednesday from 3 to 6 p.m. The center is available for tutoring anytime the library is open.

Below is a poem written by Chi Chun, a Leisure Village resident, read to the tune of John Lennon's "Imagine." It addresses the volunteer opportunities for Leisure Village residents:

Imagine no volunteering
It's hard to do but try
Very dark and lonely
Nothing but to sigh
Imagine all the people
Living just for self
Ohh, I think
Volunteers bring light.

Annex reborn as The Clubhouse

Continued from 1

LV Board President Lin Grant invited those at the ceremony to "Enjoy it. This is your space!"

Board Treasurer Ted Lansing led a cheer for General Manager Bob Scheaffer, whom he was described as "the prime mover of the project, using his time, effort and sometimes his own tools to get the Clubhouse done."

Scheaffer smiled as he told the audience, "I hope you enjoy it as much as we did building it."

The facility is about 70 percent completed and already in use.

"The yoga class met here this week in the cabaret room. It was more relaxing than the AR; we felt more at

peace," said Gail Hillesheim.

The new Wii Bowling Room has four state-of-the-art TVs, room for dozens to play and cheering space for fans.

"Before, we lost members because we didn't have room. Now more people can join in," says Wii President Paul Schifanelli.

The Annex-to-Clubhouse remodel cost around \$100,000 with help from private donations, such as the contributions of Wii bowlers for the TVs.

"This is a natural for the Village," Board member John Mayer said. "As long as we keep change ongoing like this, Leisure Village will not lose its glow."

LV Wii Bowling Club

By Joan Levy

LV Wii Bowling Club's 2014 season is in full swing. The bowlers are very

excited about our new facilities in the Annex, including a larger room and four new wall-mounted 55-inch flat screen TVs. We hope to start Wii Golf and Tennis clubs in the near future.

On Sunday, Jan. 19, we celebrated our new facility with a Wii Bowling "Guys vs Gals" tournament and potluck lunch. More than 60 members signed up to participate. In addition to our new room, we enjoyed the use of the new larger room as well. Seven TVs were set up between the two rooms for the tournament. Groups were formed based on the averages of the bowlers. Everyone played one game, and through the process of elimination, the top four players in each average group were determined. Four guys competed with the top four gals in each category for the best in the tournament. The results are as follows:

The games began with Sylvia Edmonds bowling a perfect 300 game, setting the challenge of the tournament.

human refuse to groom herself with her tongue?" Silly humans.

At our January meeting we introduced our new board and our new feature: The Two-Minute Howdy. A few members got to introduce themselves. Many of our members are as interesting as their pets. For example, Rick Spindel and Linda Voller are both certified trainers. Passion for pets "r" us!

After watching the Wag 'n' Walk-a-Thon video, we also discussed suggestions for programs, speakers, field trips and events for 2014.

Studies show that people with pets live longer and are happier. So don't miss our February meeting in the MPR. It could add years to your life. And besides, we always have cookies.

Men's Golf Club

By Rob Sollett

Picture this, if you will: Several

months ago Ray Nakata awakes from a dream involving a white flag on a distant green and a slithering golf ball rolling into the cup for an ace.

"It was someone from my practice group who scored a hole in one," recalls Nakata.

The dream soon faded into a distant, forgotten memory.

Jan. 7 marked the return of tournament golf for members of the LVMGA after holiday celebrations. When his turn came, Ray Nakata took his stance on the first tee and took a few practice swings with his club before impacting with the sphere. The ball took flight, fell to the ground and rolled along the green. Nakata vaguely recalled the dream as he watched the sphere drop into the hole. It was the first hole in one of the new year!

Needless to say, he was thrilled as he glanced at the pin, a white flag flapping in the wind.

"The dream came true. An amazing thing," confessed Nakata.

Congratulations, Ray.

While we're on the subject, a hearty attaboy to Bill Crome for his Jan. 21 hole in one on the 16th hole.

Welcome new members George Williams, David Woolf and Jim Ingersoll to the LVMGA.

Vice President John Hislar wants to remind scorekeepers to use the full name of members — and in the same order — on both tournament score cards.

"Too many groups are being disqualified for poor scorekeeping," remarked Hislar at the recent monthly meeting.

"We're looking for a candidate for the LVMGA Second Vice President position," said President Pat Gunning. "Step up and volunteer. Give back to the club, as we all should do."

If you haven't done so already,

check out the new digs in the golf shack. A fresh coat of paint and a carpet now adorn the Men's Golf Shack — pity it's called a shack!

I don't know about you, but I'm dreaming of a frosted hole in one chocolate cake at the next club meeting.

See ya there.

Groovin' Easy Band

By Dick Guttman

Following on the heels of their

outstanding performance at Channel Cities Jazz Club in January, LV's own Groovin' Easy Swing Band has been invited to be the featured band at the Simi Valley Jazz Club on Sunday, Feb. 9.

What? You say you're not a member of the Simi Jazz Club? Not a problem. Our band rehearses here in Leisure Village on most Tuesday evenings from 7 to 9 p.m. in the AR, and there is no charge to attend and listen or dance. And, we serve coffee and cookies at the break to enjoy and socialize.

Our Groovin' Easy Swing Band was formed by LV resident Sam Arouesty four years ago, and the band has been delighting audiences ever since. We invite all Villagers and their guests to come hear our 17 professional musicians recreate the big-band era of 1930s, '40s and '50s swing tunes. Rehearsals for this month are scheduled for Tuesdays, Feb. 18 and 25, but there will not be a rehearsal on Tuesday, Feb. 11.

For more information, or for information and directions to the band's upcoming performance at the Simi Valley Jazz Club, call Sam Arouesty at 484-7507 or Dick Guttman at 484-5806.

IS IT TIME?

Is it time for some of your **FAMILY AND** friends to move to **Leisure Village?**

Well, this is what we hear from the younger owners about the "new Leisure Village".

- The Village is taking on a new dynamic with the "Baby Boomers" moving in.
- Several Villagers are still working full time—coming early to get settled before they retire.
- Many love the Prop 60/90 advantage for property taxes.
- Many love the advantage to come and go as they please (i.e. weekends, holidays, etc., RV parking, a sanitary dump adds to their convenience.)
- With the younger owners we are starting to hear about Soc Hops, Car Shows and some owners even have Harleys!
- The remodeling and updating of homes is awesome.
- Why wouldn't people want to come to the Village? There's great weather, ocean walks, shopping made easy, entertainment, new library and even a university nearby.

Have your friends call Dave, he will find them a perfect Village home!
