Dear Jane:

Congratulations on your election as Chairman of your Central Committee.

The urgency of the decisions to be made in the coming months will challenge to the utmost our energies and our imaginations. Please be assured of my personal interest in the activities of your Central Committee.

I have urged every California citizen to check up on his voting status to make sure he can help choose the next President, his representatives in the Congress and in the State Legislature. My thanks to you and the members of your committee for your dedicated efforts to see that we elect Democrats to these executive and legislative bodies.

Sincerely
