Dear Fellow Delegate:

History hinges on decisions. Confronted by national and world crisis, what should we Democratic Party delegates do?

Let the Press stampede us - determine our votes before we leave home?

Let minority groups dictate our decisions?

Be swayed to extremes - either Right or Left?

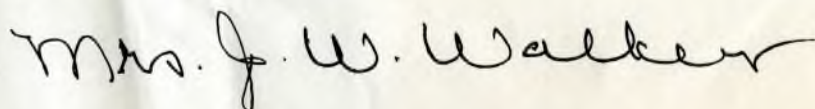

Choose mature experience and demonstrated ability for leadership; or yield to the lure of Youth?

Continue factionalism; or choose the man who pulls opposing forces together, achieving the greatest good for the greatest number?

The Social Order that gave rise to our problems also provided the solution. I deeply believe it lies in the superb leadership of Lyndon B. Johnson, a statesman possessed of Created-For-The-Hour abilities.

I have known Senator Johnson for many years. I know his great character, his ardor and energy, his attention to "Grass Roots" problems, his utter devotion to honest, efficient government. Therefore I beg you to support and vote for him.

Sincerely,
