Advanced Placement. The Advanced Placement Program of the College Entrance Examination Board permits able high school students to take college-equivalent courses while in high school and, based upon comprehensive qualifying examinations, receive advanced placement and credit at participating universities and colleges. This university grants credit toward its undergraduate degrees for successful completion of examinations of the Advanced Placement Program of the College Board. Students who present scores of three or better are granted from 3 to 6 semester units of college credit for each examination. In order to receive credit for these examinations from this university, students must request an official copy of their test results directly from the College Board.

Credits earned through advanced placement are not included among the maximum of 30 units of credit by examination that may be credited toward a bachelor's degree.

International Baccalaureate. Credit is granted for International Baccalaureate Higher Level examination passed with a score of 4 or higher. Contact the Evaluations Office, Joyal Administration Building, Room 115, for further information.

English Placement Test. Unless exempt according to CSU policy, all students enrolling at California State University, Fresno must take the EPT after admission and prior to enrollment. - a score of 550 or above on the verbal section of the College Board SAT I* Reasoning Test taken on or after April 1, 1995

Students who cannot demonstrate basic competence on the EPT exam are required to enroll in ENGL A or, if they are nonnative speakers of English, in the ESL 20-30 series. ENGL A must be completed with a credit grade by the end of the first year of enrollment.

Entry-level Mathematics Exam. The ELM examination tests students for entry-level mathematics skills acquired through three years of rigorous college preparatory mathematics coursework (normally Algebra I, Algebra II, and Geometry).

Unless exempt according to CSU policy, all students enrolling at California State University, Fresno must take the ELM after admission and prior to enrollment.

Students may qualify to take the General Education required quantitative reasoning course by taking and passing the ELM examination with a score of 550 or higher.

* The College Board SAT and Achievement Tests were replaced by SAT I and SAT II, respectively, beginning March 1994. Beginning April 1, 1995, the SAT I and SAT II exams have been scored on a new scale.

** Beginning in May 1998, SAT II: Writing Test scores were increased about 10 to 20 points. The adjustment was made to make writing test scores more comparable to scores on other SAT II subject tests. Although scores are higher, their relative rank compared to scores for tests taken before May 1998 remain the same.
