The College Assistance Migrant Program (CAMP) at California State University, Fresno provides retention services to university students from migrant and seasonal farm worker families. As a retention service program, CAMP is committed to help students stay in school. Our staff will help you explore your academic and career choices and make sure that you have the information you need to make informed decisions.

Services designed to assist CAMP students include academic assistance, career planning, cultural enrichment, recruitment, job search, financial aid and scholarship application assistance, and vision and dental care assistance.
