

Hi Michele
I attended the Puente Conference
at UC Riverside in 1996. I was attending
Golden West College back then. I bought your
book *Chicana Fela*. I borrowed to a
"chena" (Salvadoran slogan for a "morra") and
she never returned back to me. I would
like to buy it one more time, but I'd
really appreciate if you could sign it for me.
I really admire your Originalidad y Sencillez.
At the UC Riverside Conference you sat next to
me before the performance. I felt the strong
enthusiasm that you transmit....
Now I attend UCLA Anthropology major, Senior,
planning to go for a Ph.D. in Afro or Latin
American studies focusing in El Salvador and
Salvadoran Refugees. (Central American Refugees).
If I'm not wrong you're a UCLA graduate with
all your talent you have to be a Brain, ~~but~~ But
not important a chicana.... Falsa.... linda....
