

48th Annual
Commencement
2018

CALIFORNIA STATE UNIVERSITY, BAKERSFIELD

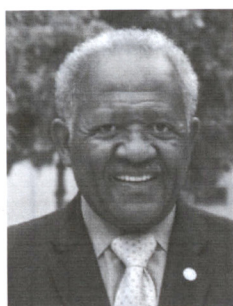

Commencement

CALIFORNIA STATE UNIVERSITY, BAKERSFIELD

PRESIDENT MITCHELL'S LETTER TO THE GRADUATES

Dear Graduates:

I extend my personal congratulations and those of our faculty and staff on your completion of this significant educational milestone at CSU Bakersfield. You have demonstrated your intellect and perseverance in your pursuit of knowledge, thus extending your intellectual horizons and expanding your future possibilities. We honor you for that.

The Class of 2018 came to CSUB from different cultural, experiential, and educational backgrounds. Many of you are first-generation college students, as I was. You took different pathways and time frames to get here. You have different life stories. You have completed different academic programs, and you have varied plans for where you will go from this point. But all of you have one thing in common – your commitment to the achievement of your educational goals. You have met, and quite often exceeded, the high standards and expectations of our distinguished faculty. And you have learned from each other, as well. You epitomize a significant component of our vision of excellence and diversity.

I am pleased to be joining you as a “member of the CSU Bakersfield Class of 2018”, since I will be retiring at the end of this academic year.

We are very proud of you, and wish you the very best as you pursue other educational, career and life aspirations. We encourage you to mentor members of your family or our community, “Inspiring Excellence, Transforming Lives”, as they see you as a role model while they strive to achieve their goals. We look forward to the collective and cumulative contributions you will make through your professional achievements, civic engagement and leadership in our diverse, global society. We encourage you to make a commitment to lifelong learning and to participate in the University’s activities through the CSUB Alumni Association.

Remember, “CSUB will always be YOUR University.”

Sincerely,

Horace Mitchell, Ph.D.
President

A MESSAGE FROM CHANCELLOR WHITE TO OUR GRADUATES

Dear Class of 2018 -

Today, you are surrounded by your peers, loved ones and the entire California State University community, all those who supported you in your journey.

Indeed, celebrate the faculty who deepened your knowledge and expanded your horizons. Celebrate the counselors, advisors, librarians, tutors, coaches, facilities and support staff who created the environment for your success. Celebrate your family, friends and colleagues whose support and belief in you never wavered.

But most importantly, know that we are here to celebrate you – your determination, passion, drive and vision for the future – both your own future and the one you will create for the world. As new opportunities await you, so too do new responsibilities. For you are now and always part of the CSU alumni family. You join a successful, impactful and generous community more than 3.4 million strong. Together, you build a better tomorrow for your neighbors, for the United States and for our world.

So as you start a new chapter, I encourage you to stay connected to the CSU, both your campus and the larger university. Connect with classmates, seek out faculty as mentors and join alumni chapters. Look for opportunities to give back. Support the generations who seek to follow in your footsteps.

California State University Class of 2018, you are ready. I look forward to all that you will accomplish.

Sincerely,
Timothy P. White, Ph.D.
Chancellor

Commencement

CALIFORNIA STATE UNIVERSITY, BAKERSFIELD

ASSOCIATED STUDENTS, INC. PRESIDENT'S MESSAGE

To the Graduating Class of 2018,

On behalf of the Associated Students, Inc. at CSU Bakersfield, I would like to extend my sincerest congratulations on achieving such an incredible milestone.

On this day we become legendary. Today is about celebrating the journey that not many others have been able to endure.

President Barack H. Obama once said, "When your journey seems too hard, and when you run into a chorus of cynics who tell you that you're being foolish to keep believing or that you can't do something, or that you should just give up, or you should just settle—you might say to yourself a little phrase that I've found handy these last eight years: Yes, we can."

Yes, WE DID IT! We overcame a lot to be here today. To all the people who told us we couldn't do it, today is living proof of what we are capable of. Through all the late nights spent up doing homework, we made it. Through the times when we had the urge to give up, we persisted. The lessons we learned at CSUB will carry us throughout our lifetime.

As your ASI President, I witnessed the countless sacrifices you made to be here while helping and uplifting others along the way. It is humbling to stand alongside you as a member of the graduating Class of 2018.

It is a true privilege to have been able to serve as your ASI President. I am excited to see all wonderful things you will accomplish. Now that you have greater tools of knowledge, go out and share those with the rest of the world.

Again, congratulations on this tremendous achievement!

Sincerely,

Mariela Gomez '18
President & CEO, Associated Students, Inc.

CSUB ALUMNI ASSOCIATION PRESIDENT'S MESSAGE

Congratulations, new CSU Bakersfield alumni! On behalf of the Alumni Association, it is my privilege to applaud you and your momentous achievement.

Take pride in your new degree. We all know it took hard work and determination to make it to this finish line. Know you are now part of a strong alumni network, more than 50,000 strong. You will see fellow graduates and notice the 'Runner logo everywhere you go.

But also know your new title of "CSUB graduate" comes with a certain responsibility. You are an ambassador for CSUB and it's important to represent what is great about our university.

I urge you to stay connected to campus by joining the Alumni Association. Through membership you can keep up to date on CSUB news, learn about the accomplishments of fellow graduates, network with other professionals and discover philanthropic opportunities. And you can give back to your alma mater.

As Maya Angelou said, "When you get, give. When you learn, teach." For example, you can mentor current CSUB students through the Runner Alumni Mentor Program, volunteer for alumni-focused programs and events or donate to a scholarship. If you choose to continue your education at CSUB, you can apply for a scholarship just for alumni.

There are many ways to stay connected to CSUB and the Alumni Association. Follow us on Facebook, Twitter, LinkedIn and Instagram at @CSUBAlumni. Visit our website, csub.edu/alumni, to join the Alumni Association and keep your information updated.

Class of 2018: Congratulations again on your graduation, and for making your dreams become reality. Welcome to the family!

Sincerely,

Ms. Carla Barrientos
President, Alumni Association

MRS. GAYLE BATEY

Ruth Gayle Batey is an esteemed, beloved, and visionary member of the Bakersfield community; champion of student development, academic success, and graduation; philanthropist; and supporter of CSU Bakersfield. She was awarded the CSUB President's Medal in 2015 and is the longest-serving member of the President's Community Advisory Council. After graduating with a master's degree from Vanderbilt University, she began her career in education which led to her lifelong interest in helping students and others succeed. She and her late husband, Ben, left the field of education to become successful real estate developers and builders as founders and owners with their son, Bryan, of Batey Construction & Realty.

The Bateys helped lay the foundation for growth in northwest Bakersfield to make it one of the city's most desirable residential areas, building nearly 1,000 homes in Bakersfield. They also built extensively in southwest Bakersfield neighborhoods, including Stockdale Estates, Haggin Oaks, The Oaks, and Seven Oaks – the communities surrounding CSUB.

Twenty-five years ago, she and her husband gave \$50,000 to create Project BEST (Black Excellence in Scholarship and Teaching) to address the problem of low high school graduation rates among African American male students in the Kern High School District. Project BEST continues as a partnership among the Kern High School District, CSUB, the local business community, parents, and students, providing academic support and scholarships. She similarly supports initiatives to increase the number of female university students who study mathematics and science.

In 2013, Gayle presented \$100,000 plus another \$100,000 from her husband, and a subsequent gift of \$200,000 to the Kern County Museum Foundation to create, enhance, and sustain the Batey Gardens to beautify the museum grounds. The Tejon Ranch Conservancy Partnership was started in 2015 based on Gayle's vision to provide internships., expose students to science-related careers, and help the Tejon Ranch Conservancy better understand the area's natural resources. She helped establish the Gobalet-Batey Foundation Endowment Fund to provide motivation and support for undergraduate biology students who will pursue a graduate degree in a science- or medicine-related discipline. She has provided funding for students in CSUB's Behavioral Neuroscience Laboratory for GRE preparation, testing fees, graduate school application fees, scientific meeting travel, and laboratory supplies which has helped more than a dozen students get into graduate school.

Gayle is a co-founder of the Ben and Bryan Batey Fund at the Kern Community Foundation. She also committed \$500,000 to finance the Batey Family Alzheimer and Parkinson Research Fund at the University of Southern California's Zilkha Neurogenic Institute to research the diseases that claimed Ben's life. She has made a substantial gift to support the building of the Larwood Health Center at Camp Kern, a Boy Scouts camp, in honor of Dr. Tom and Pauline Larwood.

In recognition of her lifetime commitment to education, leadership, philanthropy, service, and her distinguished achievements which embody the values of California State University, Bakersfield, the Board of Trustees of the California State University and California State University, Bakersfield are proud to confer upon Ruth Gayle Batey the honorary degree of Doctor of Humane Letters.

MR. BEN BATEY

The late Benjamin Batey helped lay the foundation for growth in northwest Bakersfield and make it one of the city's most desirable residential areas. He was an educator; advocate for student success, especially for under-represented students; builder, real estate developer; and philanthropist. Ben passed away at the age of 78 on August 1, 2014 from Parkinson's disease and dementia.

Ben Batey grew up on a dairy farm in Tennessee and earned a bachelor's and a master's degree from Vanderbilt University. He and his wife Gayle came to Kern County to teach high school. After several years, he left the field of education to become a commission-only real estate salesman with Karpe Realty, then helped develop neighborhoods including Summerside, Amberton, Laurelglenn and Pinon Springs through a Karpe-Batey partnership. In 1973, the Bakersfield Association of Realtors named him its salesman of the year.

In 1980, Ben and Gayle formed Batey Construction & Realty with their son Bryan and continued to build homes in southwest Bakersfield neighborhoods, including Stockdale Estates, Haggin Oaks, The Oaks, Seven Oaks, Palm Estates, Westdale and Olive Park. In 1987, they bought farmland north of Rosedale Highway at Meacham and Allen Road, where there were few homes and no commercial center. The Bateys called it Westdale North. It became the first all-Batey subdivision. In all, they built nearly 1,000 homes in dozens of neighborhoods. Part of Bateys' Olive Park property was sold to national home builder Centex Homes. Veterans Elementary School sits on a portion of the Bateys' original Olive Park property, as does the St. Elizabeth Ann Seton Catholic Church at Old Farm Road and Reina Road.

Ben and Gayle saw education as the way out of poverty. They provided seed funding for Project BEST (Black Excellence and Scholarship in Teaching) to address the problem of low high school graduation rates among African American male students in the Kern High School District. Project BEST continues as a partnership among the Kern High School District, CSUB, the local business community, parents, and students, providing academic support and scholarships. They have provided funding for students in CSUB's Behavioral Neuroscience Laboratory for GRE preparation, testing fees, graduate school application fees, scientific meeting travel, and laboratory supplies which has helped more than a dozen students get into graduate school. They support the Boys and Girls Club; the Tejon Ranch Conservancy; established the Batey Gardens at the Kern County Museum; and financed the Batey Family Alzheimer and Parkinson Research Fund at the University of Southern California's Zilkha Neurogenic Institute, which is exploring ways to prevent the diseases that claimed Ben's life.

In recognition of his lifetime commitment to education, leadership, philanthropy, service, and his distinguished achievements which embody the values of California State University, Bakersfield, the Board of Trustees of the California State University and California State University, Bakersfield are proud to confer posthumously upon Benjamin E. Batey the honorary degree of Doctor of Humane Letters.

LIST OF CANDIDATES

Students eligible to participate in the 2018 Commencement exercises include those who graduated in Summer and Fall 2017, and Spring and Summer 2018 candidates who filed for graduation prior to the announced deadlines. This program does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

Please note that student's name, address, phone number, school and year of graduation may be used by CSUB for the development of University affiliated marketing programs. If you do not wish to have this information used, please notify the CSUB University Advancement Office at 661/654-2136 or write to the CSUB Advancement Office at 19 AW, 9001 Stockdale Highway, Bakersfield, California 93311-1022.

Partisan Control: The Relationship Between Party Control
of State Offices and Presidential Electoral Results

2017 - 2018 Roadrunner Society

Roadrunner Society is a program designed to recognize our outstanding graduating seniors at CSUB. Seniors are selected for induction into the Roadrunner Society in one of three ways: 1. You have been nominated by an academic department for the Outstanding Student Award in the school; 2. CSUB Department of Athletics has selected you as a member of the Golden Circle or 3. Student Union and Organizational Governance has selected you for membership in the Student Leadership Hall of Fame.

**ALMA MATER
“LONG LIVE CSUB”**

The blue and gold stands high for honor,
Thanks to all its pride.
We stand to pay respect and glory,
For us all to guide.
We are proud to shine above the mountains,
And across the sea.
Salute the blue and gold tradition,
Long live C-S-U-B

-H. William Ingram
