Dear Judy Berger:

I request payment for work completed on the CUEREC grant entitled *Impacts of Urban Growth Limits on the Environment and Quality of Life in Ventura County*.

The following Sustainability Council Board members have worked on the Project from March 1 to July 31, 2000 at least two hours per month for five months at the rate of \$35.00 per hour. The work involves training for the development of the Indicators, giving community input to planning the interviews and working with the students devising the Indicators. (The signature by each name below indicates each member's verification of work completed.)

The total requested is \$3,150.00 (2 hours per month for 5 months at \$35.00/ hr., for nine Board Members.). This should come from the "Training Stipend" and "Workshop Costs" budget items. Please send a single check to our postal address.

Thank you very much.

Respectfully Submitted,

Robert Chianese, Board President, The Sustainability Council of Ventura County.
