Dear Miss Morgan :

Enclosed please find check for \$5,000 for Byne, in place of the one previously given for this purpose, which was destroyed in fire.

2. I think we ought to get some specialist on farm buildings when we get to laying out the ranch houses and the farm houses. I think it needs a peculiar kind of experience, and in order to get these things right it would be best to have someone who has had that experience as a consulting expert. See enclosed clipping of advertisement in COUNTRY LIFE of Cross & Roberts, Inc., Boston, Mass.

Sincerely,

J. W. Aearst

FARM BUILDINGS

The proper design and construction of farm buildings is work of a highly specialized kind. We shall be glad to consult with owners who contemplate building and give them the benefit of our years of experience in designing and building on contract every kind of farm building: cow barns—dairies—horse stables—garages, etc.
