Mr. J. Willicombe
Los Angeles Examiner
Los Angeles, Cal.

Dear Mr. Willicombe:

The check for \$116.80 which you received from the U. S. Customs Service under Entry 0490 refers to a shipment of two vans and 15 cases received on the SS Virginia in July, 1934.

The vans contained the furniture from the Aragonese Hall, purchased from Mr. Byne.

This is the shipment on which the customs inspector assessed duties on the restored portions of the furniture. We protested the assessment of duty and the case was tried before the Customs Court by Mr. Costello of Mr. Neylan's office.

Trusting this is the information you desire and with kindest regards,

Yours truly

Julia Morgan
