**TWENTY-FOURTH ANNUAL  
COMMENCEMENT  
CALIFORNIA STATE UNIVERSITY, FULLERTON  
MAY 28-29, 1983**

## FROM THE PRESIDENT

---

It is with sincere pleasure that I welcome you to the California State University, Fullerton campus for our 24th annual commencement. Commencement is a very special time for graduates, their families and friends, and the campus community; we are delighted we can share the experience with you.

During our six individualized ceremonies on May 28-29, the University honors some 3,900 undergraduate and graduate students who completed degree requirements in January or who expect to do so in May or August. It is fitting that recognition for their accomplishments should be in your presence, for as professors, relatives or friends you have participated in a variety of ways in helping them attain their academic goals.

On behalf of all of us at Fullerton, I offer hearty congratulations to this class of 1983 upon reaching this educational milestone. May you have continuing success in all of your future endeavors.

Jewel Plummer Cobb  
President  
California State University, Fullerton

## FROM THE ALUMNI

---

As Director of Alumni Affairs, I am very pleased to add my congratulations as you graduate from California State University, Fullerton.

Today marks a very special day in your academic career. We hope you can look back on your years here at CSUF with fondness and good memories.

Your education will provide the foundation for your personal and professional life in the years to come. The faculty, staff and administration wish you well and hope we have added significantly to your life.

As a graduate, you are automatically a member of the Alumni Association. You will soon be receiving your first newsletter. We invite you to participate enthusiastically in alumni activities.

Sue Scott, Director  
Alumni Affairs

## EXPLANATORY NOTES

---

**LISTS OF CANDIDATES:** Students eligible to participate in the 1983 commencement exercises are January 1983 graduates and May 1983 and August 1983 candidates who filed for graduation prior to the announced deadlines. This program does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

**GRADUATION WITH HONORS:** Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade-point averages follow: Honors, 3.5; High Honors, 3.85; Highest Honors, 4.0. Honors and High Honors notations appearing in lists of May 1983 and August 1983 candidates are based on the students' records at the end of the fall semester of 1982. Highest Honors notations are carried only after the students either have completed their degree requirements or have performed at the 4.0 level in their final courses at the time this program went to press. Official designations are dependent upon the students' complete records.

**PHI KAPPA PHI:** Among those participating in commencement exercises are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

**CARILLON:** Aided by a contribution from the Friends of the State University, Cal State Fullerton in 1975 installed a Schulmerich carillon. Westminster chimes and hour and half-hour strikes are produced by five tiny bell-tone generators of bronze, struck by miniature clappers. The tones then are electronically amplified and transmitted through rooftop speakers. Through its amplification system, carillon music recorded on magnetic tape is played for commencement and other special events.

**PHOTOGRAPHY:** The Conference of CSUF Alumni has arranged for a commercial firm to photograph each graduate at the moment he or she crosses the platform. Graduates are informed before their exercise of how to receive a proof without obligation and how to order prints. While guests may take photographs during the ceremonies, in the interest of decorum they are not allowed between the seating area and the platform.

**RECEPTIONS / FOOD SERVICE:** Receptions, held south of the Commons, will follow several of the exercises and feature complimentary refreshments. For persons desiring to purchase food or beverages, the Snack Bar in the University Center will operate from noon–5 p.m. May 28–29.

**SMOKING:** Please, no smoking during the exercises.

**EMERGENCIES:** Personnel from the Student Health Center and the University Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency phone number is 773-3333.

## REGALIA

---

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

**THE GOWN:** The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves — or the color of this velvet may be that of the subject in which the degree is granted.

**THE HOOD:** Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

**THE CAP:** The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

**TRIMMINGS:** Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters, and light coffee (drab), Business Administration.

**THE MACE:** The mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973 and Master of Arts in Art in 1976. The design of the mace reflects the University's architecture, colors (blue and white) and location — the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the University's colors are represented through the use of ivory and niello. At the top of the mace is the University seal.
