#### **FRESNO STATE COLLEGE ASSOCIATION, INC.**

All students enrolled at Fresno State College are members of the Fresno State College Association, Inc., a nonprofit corporation chartered by the State of California to operate campus auxiliary services and other association-financed activities. The membership fee, paid at the time of registration, is \$10 for students carrying at least seven units and \$5 for students carrying six units or fewer. A nontransferable membership card is issued which permits participation in association activities and admission to all association programs either without charge or at a reduced fee. Faculty members are also eligible for membership. Association fees support athletic activities; publications; music, drama, and cultural programs; and student government activities. The Board of Directors, composed of faculty members and students, exerts budgetary control and determines management policy for all association operations, including the bookstore, the cafeteria, the college union program, and other activities involving expenditure of association funds.

#### **STUDENT PUBLICATIONS**

Membership in the Fresno State College Association, Inc., entitles the holder to copies of the four major student publications. The *Daily Collegian* is the official news publication. A directory, appearing soon after the fall semester opens, contains an address list of Fresno State College students. The college annual, the *Campus*, appears during the final month of the college year or the first month of the fall semester. The college literary magazine, *Backwash*, is published once each semester and is available to students at a nominal charge. These publications are under the general control of a nine-member board of publications composed of faculty and students.

#### **STUDENT ORGANIZATIONS**

Student organizations are encouraged, and over 100 of them representing various fields of social, academic, vocational, and professional interests have been granted recognition. Nine national social fraternities and six national social sororities exist on the campus and operate group-living units. Religious interests are served by the college religious centers adjacent to the campus. These many and varied types of organizations not only offer an opportunity for social life but also make a fine contribution to the development of student leadership.

#### **Honor Societies**

In addition to high standards of scholarship expected of all students, special recognition is given to superior scholarship. The honor society of Phi Kappa Phi, a national scholarship organization, was established at Fresno State College in 1953. Most departments of the college sponsor honor societies, many of them national in scope, in which membership is based upon superior college work. The Blue Key National Honor Fraternity for men and the Tokalon Honor Society for women offer membership to students who have good scholarship, are prominent in college activities, and who have demonstrated leadership in student affairs.
