

## RECREATION ADMINISTRATION

Audrey M. Fagnani, *Coordinator*

The Physical Education and Recreation Department offers a bachelor of science degree with a major in recreation administration for students who are preparing for leadership and supervisory responsibilities in recreation service. The curriculum offers each student an opportunity to select course material in public, private, and therapeutic settings. Curriculum experiences are designed to serve as a foundation for graduate education in recreation administration.

### BACHELOR OF SCIENCE DEGREE

The bachelor of science degree with a major in recreation is granted upon completion of 128 units including the courses listed below. The general degree regulations and general education requirements must also be fulfilled.

#### MASTER OF ARTS DEGREE

The graduate program for the master of arts degree in physical education with an option in recreation administration is based upon undergraduate work in recreation administration. At least 12 of the 30 units required for the degree must be in graduate courses in recreation administration. For specific requirements, consult the departmental chairman or the graduate committee; for general requirements, see *School of Graduate Studies*. For detailed information about the graduate program, see the Graduate Bulletin, available in the Office of the School of Graduate Studies.
