

DEGREES, CREDENTIALS AND CERTIFICATES

California State University, Fresno is authorized to grant the bachelor of arts, bachelor of science, bachelor of vocational education, master of arts, master of science, master of business administration, master of city and regional planning, master of public administration and master of social work degrees. See *School of Education and Human Development* for public school credentials for which the university is authorized to recommend candidates.

ELECTION OF REGULATIONS

A student must fulfill degree requirements from one bulletin, not the most favorable requirements from two or more bulletins. As long as a student maintains "continuous attendance", he or she may elect, for purposes of fulfilling graduation requirements,

- a) the bulletin in effect at the time a student begins attending a California public community college or California State University campus or any combination thereof, or
- b) the bulletin in effect at the time a student begins attending CSUF, or
- c) the bulletin in effect at the time the student graduates from CSUF.

91

Continuous attendance is defined as being officially enrolled at least one semester or term during an academic year regardless of the number of units completed. Also, a student is considered to have been in attendance even if he or she registered and totally withdrew from school during that semester/term as long as the official transcript so indicates. Any break in attendance of one academic year or longer or attendance during a regular semester/term at campus other than a California Community College or a CSU will break a student's continuous attendance status. Active military duty will maintain a student's continuous attendance status providing he/she enters the military from a California Community College or California State University campus and returns at the first registration for a fall/winter/spring semester or term following his or her release. The dates of military service must account for all of the time not in attendance. A planned educational leave will maintain a student's continuous attendance status (see *Planned Educational Leave*).

TRANSCRIPT EVALUATION

Undergraduate transfer students will be evaluated under the degree requirements listed in the Bulletin at the time he or she enters CSU, Fresno unless eligible for the 1980-81 or earlier *Bulletin*.

The advanced standing evaluation will be mailed to the student's mailing address sometime during the first semester of attendance assuming all transfer transcripts are on file. Upon completion of approximately 90 semester units, each student *should request* a 90 unit degree evaluation from the Evaluations Office which will show all requirements completed and any remaining baccalaureate degree requirements. Only one degree evaluation can be made for each student. Each student should keep his or her personal copy current. All transcripts submitted in support of an application for Admission become the property of the Records Office and are not returnable, even on loan. Students are strongly encouraged to obtain duplicate copies of their records from high school and prior college attendance for their personal file. Students
