

## CALIFORNIA DEMOCRATIC PARTY

# HELP REGISTER NEW CITIZENS DEMOCRATIC

On June 20th, 21st and 22nd, approximately 21,000 new citizens will be sworn in at the L.A. Convention Center.

Last year, over 110,000 recent immigrants became citizens and subsequently were eligible to vote.

With Democratic registration falling below 50% for the first time since the New Deal, this group of new citizens needs to be welcomed into our party—the party of inclusion.

Zoon Nguyen, Director of the California Democratic Party's New Citizens Project, is organizing a major mobilization to enroll these new citizens.

Please join Ms. Nguyen, Chairman Edmund G. Brown Jr., and many other Democratic elected officials in this critical project to welcome new citizens into the California Democratic Party.

Ms. Nguyen will be visiting your caucuses to ask for your help. You can also fill out and return the enclosed form to the CDP Booth or the CDP Staff Room, and Zoon will contact you.

### When could you attend the New Citizens Democratic Swearing In?
