Mr. William Randolph Hearst  
c/o Los Angeles Examiner  
Los Angeles, California

Dear Mr. Hearst:

I will make a real search  
for your Tavernier picture, mate to the one  
in the vault at San Simeon. I do not remember  
having seen it.

Will also send the samples  
of tile used in the Wyntoon pool to Sir Charles  
Allom, with a full section sample of the terra  
gutter - and a layout for a 150 ft. by 50 ft.  
pool, on the order of the Beach House for depth  
and with circulation data.

As always,

Yours truly,

JM:F
