## Free Cancer Screening Unit Coming To LV

By Sol Robin

All residents of Leisure Village are encouraged to attend a free cancer education and screening program presented by the City of Hope's Mobile Screening Unit, co-sponsored by the American Cancer Society and Your Neighbor's Care Group.

Women who attend the education program may obtain a 15-minute appointment for a free breast, skin, lymphatic, thyroid, and rectal examination done in the privacy of the City of Hope's Mobile Screening Unit. Women are eligible for a pelvic examination, and those who have not had a Pap smear within the last one to three years may request one.

Men who attend the education program may obtain a five-minute appointment for a free thyroid, skin, lymphatic, testicular, prostate, and rectal examination done in the privacy of the Mobile Unit.

All records will be handled in confidence by the City of Hope.

The purpose of this program is to instruct individuals in ways they can protect themselves against major cancers through early detection, and to provide those attending this education program with opportunity for free cancer screening. **EARLY DETECTION SAVES LIVES!**

The education program will be held on Monday and Tuesday, July 30 and 31, in the LV Rec Center. The time each day for the

## Trophy Display Case For Womens Golf Club

An eye-pleasing trophy display case was presented to the Leisure Village Women's Golf Association during a brief ceremony at the golf shack in early June.

A very generous donation by member Ruth Marler culminated a two-year effort to have a display case to exhibit the plaques and trophies earned by ladies during leading competitive events.

"I did it for all the girls who made it possible for me to play early-morning golf," said an appreciative Ruth. "My eyesight only allows me to play very early tournament days and for 10 years I was granted this favor."

She continued: "Addi-

tional support was also granted me during actual play. Those who played in my foursome would constantly 'track' my shots to insure I'd know exactly where the ball rested each time."

According to President Esther Malkin the display case has been a joint effort on behalf of the Sawdusters who volunteered their labor plus Joe Selden's drawing of the blueprints to be submitted to the Ed & Rec and the Arch Comm whose support made it all happen.

This is a splendid example of the cooperation and friendly support which characterizes the spirit of Leisure Village for all of us.

## Euthanasia Suicide To Be Discussed At YNCG Lecture

By Sandy Okum

Was the doctor in Michigan doing the right thing helping the woman commit suicide? Should life support be given to a person against his will? These are the questions that will be discussed by a panel at Y.N.C.G. next lecture.

The Panel will consist of the following: the Director of Social Services and Family Support, the Director of Chaplain Services, the Director of Nursing Critical Care, and the Chairman of the Ethics Committee - all from St. John's Hospital in Oxnard.

Suicide in the elderly has risen dramatically in the last few years. Giving life support to terminally ill people causes mental anguish and cost to surviving spouses. Do you think a person has the right to prescribe his death?

Get the views of these professionals and ask questions.

The Lecture will be Mon July 2, 7:30 p.m. in the AR.

**Durable Power of Attorney forms will be available at this meeting.**

& 15 - Time: 9:00 a.m. - 12:00 noon; 1:00 p.m. - approx. 4:00 p.m.

Thursday, August 9 & 16 - Time: 9:00 a.m. - 12:00 noon; 1:00 p.m. - approx. 4:00 p.m.

Interested residents can call SOL ROBIN - 987-5534 or SANDY OKUM - 482-8125.

## • OPINION •

### TV Tower

By James H. Nichols

Camrosa Water District plans to construct a 5 million gallon water tank. This construction must include the site where the Leisure Village Association television antenna tower is presently in perpetuity, an agreement which will be terminated.

Camrosa has proposed that the tower be razed and that Camrosa furnish a more suitable site in the Las Posas hills where it also has a tank. Camrosa will install thereon a new self-supporting triangular tower. This site will be held by L.V.A. by a new easement in perpetuity.

Camrosa will also construct a tower at the Recreation Center to receive signals from the hills tower. The signal will be transmitted by a new microwave system. Under the proposal all costs of the project will be paid by Camrosa.

Negotiations between Camrosa and L.V.A. have been taking place for nearly a year. Negotiators for L.V.A. have been the General manager and the L.V.A. Board of Directors.

Jack Rogers, a homeowner and resident of L.V.A., is one of the publicly elected directors and is also president of Camrosa. As president he has been involved in the negotiations on behalf of Camrosa.

I have known Jack for over four years and have found him to be a man of integrity. I am sure that during the negotiations he has considered the positions of both parties and aims to see an agreement that is fair to each of them.

Jack is completing his second year as chairman of the L.V.A. Finance Committee. The question was raised during homeowners' comments at the L.V.A. Board of Directors meeting on June 4, 1990 as to whether Jack, as president of Camrosa, being involved in the negotiations between Camrosa and L.V.A., while serving as chairman of the L.V.A. Finance Committee, constituted a conflict of interest.

I have served on the Finance committee five of the nearly seven years we have lived in L.V. These years include the two years Jack Rogers has been chairman. I have served as secretary of the committee during this period.

The matter of an agreement with Camrosa has never been before the Finance committee. It has never been mentioned at committee meetings. Since L.V.A. funds will not be involved, the proposed agreement will never be presented to the Finance

#### Open Letter To Board Of Directors

Gentlemen:

It has been brought to my attention, by friends, that my 'Turn At The Mike', June 4th was considered by some members of the board, and some of the audience, as being frivolous, and not a serious, well planned proposal.

This could not be further from the truth. I have had too much respect for the present board's accomplishments to waste their time in idle jest.

I was not carelessly suggesting a new, expensive re-painting project. I was pointing out the futility of trying to paint the trim on homes in my area with other than Oxford brown paint.

My area, Village 29 to

the east gate and facing Leisure Village Drive, receives ten to twelve hours of direct sun. The results are dried and cracked house trim. Unlike homes on side streets, which are partially protected from the sun by neighboring homes and the close proximity of shade trees.

I submit the advantages:

1. Oxford brown paint costs less.
2. Oxford brown paint covers more surface per gallon than the lighter formula paint.

My family and I wish to thank all of our friends in Leisure Village who have sent cards or called us to express their sympathies on the sudden death of my beloved wife, Ruth. Your kindness and concern mean a lot. Thank you again.

Lou Sirotnik, V 37

The recent death of my husband, Frank J. Worth, brought such an outpouring of cards and phone calls expressing sympathy, love and caring, it was almost overwhelming. I do want to thank all

committee. It is exclusively a matter for the L.V.A. Board of Directors.

Therefore there is no conflict of interest.

#### EDITORS NOTE

At the June 4th meeting of the L.V. Board of Directors, Karl Joehnck, replied to a statement that because Jack Rogers is on the Finance Committee and is also President of Camrosa there is a conflict of interest. Since this conflict of interest has been brought up many times, ILV asked for a clarification of the issue. Karl suggested that Jim Nichols, who has long served on the Finance Committee, would be most capable of explaining the situation, so the ILV editors agreed to relinquish this monthly editorial to him.

#### ABOUT NEXT MONTH

Coordinator for next month will be Jim Hothouse. Please follow guidelines and be as brief as you can. Deadline for the July 27 issue will be Monday, July 9. To arrange for a photographer, call coordinator at least 3 days in advance.

We want to thank each and everyone for your love, caring, and kindness in connection with the recent and sudden death of my father, Howard Walker. My mother will be writing personal notes at a later date.

**LETTERS .....From Pg 2**

It is a great source of comfort to live in Leisure Village, where we are surrounded by so many caring, giving friends when everything is going smoothly, with no traumas. Just have the unusual happen and so many of you come forward with calls, cards, tributes, and total concern that one wonders how we were so lucky to have made the most correct decision when we chose to live in Leisure Village.

We feel very privileged to live in the perfect neighborhood. Thank you all for your concern. It is great to be feeling fine again.  
Mimi & Art Kaufman, V 1

I wish to thank all my wonderful friends for the cards, calls, tributes, visits, flowers, food and expressions of concern and good wishes which I received following my foot surgery and subsequent bout with pneumonia. It is most heart-warming to

know that I live in such a caring community. I love you all.

George Goldfarb, V 18

My family and I extend our sincere thanks to all my wonderful friends and neighbors for their kind expressions of sympathy and concern. The cards, food and donations extended in memory of Orville were really appreciated. What a wonderful place to live.

Ginny Leffingwell, V 19

Many thanks to all my friends for their cards and visits. It is wonderful to be home. Thanks to all for your caring.

"Ageless Sam" is alive and well in Village 35.

Sam Saltus

I would like to take this opportunity to thank all of my friends for their cards, telephone calls, concern and best wishes for my speedy recovery from surgery. I'm getting along very well, walking with a

cane and, hopefully, before long will be out walking 4 miles every morning as I used to do. Thanks again.

Terry Teres, V 40

Irv and I wish to thank our neighbors and friends, especially our friends in Variety Guild and the Village Players, for the many cards and calls and good wishes for a speedy recovery.

To so many caring people we love you all.

Irv promises he will be on the boards again real soon.

Many thanks.

Irv & Lillian Leeds V 41

We in Leisure Village have much to be proud of.

We have a great record of volunteers for numerous worthwhile organizations and individual needs. We lead in having a high percentage of registered voters going to the polls on election days, and we need to be especially proud of the fact that the

residents of Leisure Village have 100% response to the census questionnaires. We have had no refusals!

We in Leisure Village know the importance of being informed, being good citizens and being good neighbors.

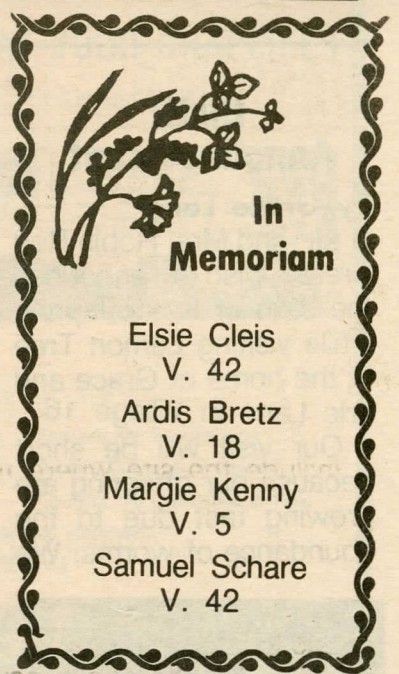

Lori Kaye, V20

Thanks to all you wonderful villagers for your caring during my recent hospital stay. Your gifts of food, cards and the help given Jess to ease him through his cataract surgery was all greatly appreciated.

Nita & Jess Parentice, V13

My love and thanks to all my dear friends in Leisure Village who, after my recent operation, showered me with cards, phone calls, goodies, plants and all sorts of personal assistance.

Everything went just fine and I expect to be back in circulation in a

## Village Briefs

### Birth Announcement

By Grace Lane

Mr. and Mrs. Robin Red Breast wish to announce the birth of two offspring while visiting Lemon Tree at the home of Grace and Erle Lane in Village 16.

Our visit will be short because our offspring are growing fast due to the abundance of worms. We

are enjoying our visit because of the confinement of the cats in the Village. The ones that do climb the fence are scared away by the Lanes.

This is our third year visiting here to raise our family and we hope to come back for many years. So, as the saying goes - "See you next year".

### Marriage Of Levelle & Liddle

The marriage of Gerri Levelle, V11, to Jim Liddle was the highlight (and a reason for) a three-day family reunion which included the children and grandchildren of both.

Jim's aunt, Leona Cummings, with her daughter and Gerri's sister, Jocelyn

Walker, with her daughter, son-in-law and two grandsons also came.

Many Village friends of the bride and groom attended the beautiful ceremony on May 26 in the Trinity Presbyterian Church, Camarillo. The couple is at home in V17.

### Special Bingo Flash

In an unprecedented display of Bingo playing saw Marie Chase a steady Village Bingo player, call BINGO 5 times! She called 1 Bingo in just 4 numbers, this has to tie a world record, but then she completed the evening by making a clean sweep of the Special Paper game, by calling the 1 Bingo, the 2 Bingo game and then the complete blackout. Marie was given a standing ovation as this is the first time that anyone has made a clean sweep.

Your  
Neighbors  
Care Group  
Bulletin

By Jim Edwards

Annual membership renewals for Your Neighbors Care Group will become due on July 1 for the fiscal year July 1990/91. New membership cards are black on white; and dues will remain the same - \$1.00 per person per year.

Our membership this past year was just short of 900, and we hope to exceed this figure in 1990/91.

Many thanks to those of you who added contributions to your annual dues.

## YNCG Needs Help

By Sandy Okum

In the past fourteen years Y.N.C.G. has helped all the residents in LV in hundreds of ways — lectures, health fairs, flu shots, free blood pressure clinics, free use of hospital supplies, wheel-chairs, walkers, crutches, canes, etc.

It took a number of loyal volunteers over the years to achieve all the above. We are now in need of "new blood" for our programs and YOU can help us.

### WE NEED THE FOLLOWING:

1. 1 or 2 persons to maintain our Hospital Supply Room, follow-up returns and see that necessary repairs are made.

2. A few persons to be substitute telephone receivers — that is, take phone calls from needy LV residents, use and maintain our present cross-file of volunteers to serve their requests.

3. Several compassionate persons to be on our board of directors who are sensitive to the welfare of all LV residents. Our meetings are very informal and convene only once per month.

## YNCG Helpers Nonored

By Romaine Lambert

There's a special group of Villagers in our midst who help make Your Neighbors Care Group what it is--not just those dedicated "telephone" people, and/or the blood pressure monitors who hold the free clinic--but those others who are often called upon for less visible help.

It is fitting, then, that once a year Mr. Neighbor Himself, Sandy Okum honors all of these giving people with a catered dinner in the AR.

Those recently so honored are: Sylvia Altes, Dorothy Anderson, Roland and Valerie Barbeau, Sol and Sarah Brejensky, Sonia Brink, Estelle and Dave Corwin, Jim and Lee Edwards, Phil and Yetta Farber, Woodie and Ruth Hart, Garnett and Don Holmes, Maxine and Ellis King, Romaine Lambert, Sanford and Evelyn Okum, Trudy and Andy Orsan, Dora and Max Polley, Freddi Popkin, Alvie Rasmussen, Fred and Gerda Richter, Dorothy and Arthur Skuro, Florence and Mort Wilner, and Leonie Ziler.

Besides Alvie Rasmussen and Leonie Ziler who were recognized for their long and devoted service, there was another very special guest--Jeanine Blymer, who served many years in the Village. She is now living in Leisure World and was Sonia Brink's house guest and former next-door neighbor when living in the village.

4. Help for our various clinics, blood pressure, etc.

5. And general "idea" people.

Call Sandy Okum, 482-8125; Sonia Brink, 484-2387; Lee Edwards, 484-3289.

# To Recycle Or Not To Recycle

By Jim Holthouse

If Hamlet were to come on stage today, he might well emote, "To recycle or not to recycle, that is the question." And his next line is the answer, "I pray thee, recycle all that you can and do your part to protect and save the environment".

To assist you in a recycling program, here is a list of recyclable items. **ALUMINUM:** Includes aluminum cans as well as other aluminum items such as pie plates, foil, etc. Separate aluminum cans.

**PLASTIC:** Plastic bottles with California redemption sticker. Other plastic bottles and items are not recyclable at this time.

**CARDBOARD:** Cardboard and corrugated boxes as well as other types of boxes and packages (e.g. all kinds of food and cereal boxes; shoe boxes; cores from paper

towel and toilet tissue rolls, etc.)

**PAPER:** Computer paper, white office-type paper, colored paper and newspaper. Separate paper by type.

**NEWSPAPER:** Camarillo Recycling will accept newspaper but will not pay for it.

**TIN CANS:** All types of metal cans (coffee, fruit, vegetable, meat, fish, etc.) Remove paper labels.

**GLASS:** All glass items such as bottles, jars, window panes, etc. Remove lids from bottles and jars and include with scrap metal.

**SCRAP METAL:** Brass, copper, steel, jar lids, etc.

Now, Hamlet's on stage again with the question, "Where, pray tell, do we take all these recyclables?" There are two collection stations for recyclables, all relatively close to Leisure Village.

**CAMARILLO RECYCLING** -- 409 Calle San Pablo #112 -- The ENTIRE LIST of recyclables above is accepted at Camarillo Recycling. Cash is paid for all items except newspapers. Camarillo Recycling hours: 9am - 5pm M-F; 9am - 3pm Sat. Call 987-0226 if you have any questions. **VONS** -- 5275 Mission Oaks Blvd. - Aluminum beverage cans; plastic beverage bottles with California redemption sticker; and returnable beverage bottles can be redeemed at Von's Redemption Station in front of store. Cash is paid for cans and bottles.

Getting into the recycling habit is easy. Not only do you earn a few coins, but you enable recyclable items to be reprocessed and made useful again. As Hamlet says, "Don't refuse to reuse. You, too, can turn trash into cash."

## Only In America

By Lillian Wallace

Her hours were filled with glory,  
There were challenges every day -  
With little time for wasting  
And, much less time for play.

From tenement to tenement  
Across the yard, lines strung-  
With threadbare sheets, towels,  
All the laundry she had hung.

I see her on her hands and knees  
Upon the kitchen floor—  
Scrubbing, mopping, pushing,  
As she sweated at her chore.

How did she have the time  
To send aromas on the air-  
Plucking chicken, cleaning fish  
Her hands were everywhere.

Life meant just one thing to her,  
Survival, so to give-  
Food, an education,  
A decent place to live.

Never did we hear a word  
About all she had done-  
For her, this was a way of life,  
Where work and love were one.

America, land of golden opportunities,  
She took-  
To live verbatim, like it read  
In every history book.

## July 4 BBQ

The July 4 holiday would not be complete without the all-Village BBQ in the picnic area. Many volunteers will assist with preparation and cooking of the food and serving the more than 300 villagers who convene. Richard Mathes, Recreation Facilities Manager, will direct the volunteers.

The barbecue is scheduled from noon to 3:00 p.m. with serving time from 12:30 - 1:30 ONLY.

Menu includes barbecued hamburgers, baked beans, salad, dessert and beverages. Tickets will NOT be available on July 4.

Traditionally the entertainment will be provided by the LV Rhythmettes, under the direction of Piff DeSimone. Selma Simon will return to the group for one day, to play a spirited accompaniment to the singing and other instruments.

## THE VILLAGERS

By Cecil Nunn

ESO .....From Pg 1

March the Unit held a practice deployment of a medical station and nutrition unit.

Also in February we participated in the City hazardous material (HAZ-MAT) drill and introduced the concept of a "safe room" as one form of response to a toxic spill.

Progress has recently been made in defining the protection of volunteers with respect to liability and "worker's compensation" protection.

Eleven stations were selected and marked for communications centers throughout the Village to facilitate operation of our Communications network using Village Coordinators, CB radio units and Amateur radio. The LV board of directors has considered our request for a centrally located fixed antenna to improve communications under emergency conditions.

Our LV Survivors Guide is being incorporated into the coming edition of the LV Phone Directory to help insure its availability.

Identification in the form of arm bands has been provided our Communicators and coordinators by the Women's Club, who provided the materials, and several of their members who designed and fabricated them.

We take this opportunity to thank Inside Leisure Village and Channel 12 for the full cooperation they have given us; the Board of Directors for its liaison and consideration of our needs; and last, but far from least, the some 300 residents who contribute their time, effort and professional skills to the functioning of ESO.

Durable Power of Attorney forms will be available at the July 2 YNCG lecture.

## VISION LIMITED

By Florence Block

At the May meeting of Vision Limited the members and guests were privileged to hear Dr. Irving Hart, Clinical Psychologist from Camarillo State Hospital. He narrated the story of his life before, during and after World War II. Before the war he was pursuing a military career in the cavalry. Wounded in the war he lost his eyesight and had to decide how and what to do with his life.

Dr. Hart decided to become a psychologist and went back to school. He graduated from Pomona College in 1951. In 1954 he attended Duke University. In 1956 he became a Clinical Psychologist from Berkeley. He also attended Stanford. In 1963 he was employed by Camarillo State Hospital as a Clinical Psychologist. He has pursued working for the rights of the blind and hard-of-hearing. Dr. Hart's life story is truly an inspiration for all visually impaired people. He set the example that one can overcome and achieve his potential. What a human man!

Our June meeting was also inspirational. We were entertained at the piano by Kurt Godfrey, V. 3 In his own inimitable way he played Brahms, Mozart and the finger tapping and toe tapping popular nostalgic melodies. What a masterful musician he is! Come back again, Kurt!

The next meeting will be on Mon July 2 at 1:00 p.m. in the Sun Room. (Notice change of room). Election of officers, plans for August picnic and a pleasant rap session are on the agenda. All are welcome.

By Jeanne Carlson

Women's Club's June meeting turned out to be very special. Two young people really made our day!

President Kay LaPrel presided over business. The Election Day Outdoor Trading Post Sale had been great and she and Gertie Dorward (mother of Trading Post) thanked all the workers and customers.

Other items were that a board ruling will stop the annual Bazaar Raffle but the Bazaar itself will be the usual big fun and shop day.

The Nominations Committee is set up and will begin work soon. Members are: Chair, Blanche Follen; Anna Snyder; Maxine Himstreet; Vi Haley; and Eloise Wilson. This is a difficult job and

the committee will need all possible support from the membership.

Gertie then introduced a very special young lady, our Women's Club Scholarship winner from Rio Mesa High School. (She also received a scholarship from Rotary). Karen M. Haiglar was presented with a check for \$300. She plans to attend Ventura College and become a teacher of physically and mentally handicapped children.

A second outstanding young person was 19-year-old Robert Thies. He is the grandson of Villager Marion Gordon and her late husband, Marvin Gordon.

Robert is a fantastic performer, composer, and arranger of both classical and jazz music. His grandparents (and parents) inspired and encouraged him to use his remarkable talents. As a way of memorializing his grandfather, Robert volunteered

to perform as a benefit for the piano and Organ Fund.

Robert has already won an International Recording Competition and has worked under the direction of Mehli Meta. He has made a concert tour through China and has studied under Russian pianist, Alexander Slobodyanik. He will begin his second year at the U.S.C. School of Music in September.

For the Club he played "Ondine" by Maurice Ravel, a Jazz Suite that he himself had arranged from melodies by Jerome Kern, Frank Churchill and George Gershwin, and his own improvisation of the theme from "Chariots of Fire". His grandfather had been particularly fond of the last.

Every club member present felt privileged to hear this young artist. Thank you, Robert, and your grandparents.

Refreshments were apple strudel and coffee served by Marie Chase, Nancy Gallagher, and Dorothy Sparkman. Excellent!

Looking Ahead: July meeting--a pot-luck salad luncheon. Each person who attends should bring a salad for six as well as her own silver. The entertainment will be BINGO! No Trading Post!

Trading Post "Bargains Galore" Photo by Klapperman

## Great Outdoor Trading Post

The outdoor Trading Post is always fun because quite large items can be handled. Bargains are everywhere. As a matter of fact sales totaled over \$1,200!

Hot dogs, coffee cakes, and coffee were available at low prices and were going fast by noon. All kinds of things were being offered for sale. The men customers were particularly interested in the gadgets, appliances, wiring, parts etc. One man's wife (no names) is still complaining about the yards and yards of electrical

connections and wiring he was taking home.

Gertie Dorward, Trading Post guru, thanks all the people who worked carrying, selling, cooking, etc. Many of them have never missed being on the yard sale crew. It was a long, long day for them since they started at daylight but they do it every year.

All the workers and club members thank the customers. The weather was beautiful, the gossip good, and it was a friendly L.V. - a great get-together day!

By Mary Erbsen-Kent

Friday, June 29 at 2 p.m., in the GR, Al Bennett, Secretary, LV Board of Directors will be principal speaker of Meet Your Neighbor. In addition, a special surprise guest will speak.

Last month, speakers were Chief Moses, Lt. Jim Moore, and Sgt Mike

Meet Your Neighbor is an opportunity for new residents to meet villagers who have been here for awhile; a chance to ask questions, and to make new friends while enjoying coffee and cookies. Everyone is welcome.

## HAPPY HOOFERS

By Jean Parker

The Hoofers are resuming their dance practice to the rhythm and blues of new dance routines. Look out, Villagers, they are getting ready to further stimulate the excitement of tap dancing.

In addition to practice,

we are preparing an installation of incoming officers. That's just another side of the Hoofers.

You see, we also have lots of organization within our group in addition to our happy feet tapping away.

Anyone with any tap dancing experience who would like to join the Happy Hoofers, please call Helen Gold at 987-2494 and get your exercise with tapping rhythm.

The Rhythmettes are a few days away from marching out in their red and white to entertain at the July 4 picnic for the village. We are fortunate in having Selma Simon at the piano again. She has been practicing with us and will accompany us at the picnic.

After July 4, the Rhythmettes will be on summer hiatus until Sept, probably beginning again on the day after Labor Day.

Our new Board of Directors was installed June 5. The officers are; Kay Collier, pres; Hilda Zelanko, v.p; Trudy Orsan, secy; Edna Rogers, treas; Piff De Simone, music director. Marguerite Abdelnour will also be on the board as past president.

**SATURDAY

In celebration of their 14th Anniversary, the Saturday Night Ballroom Dance Committee hosted a gala evening on Saturday, June 9. Festive decor, special refreshments, and a choice selection of music from their extensive inventory of top dance bands recorded on tape highlighted the occasion.

The June 23rd dance had Sy and Ruth Levine and Bill and Shirley Fox hosting and it was also a very enjoyable evening.

## DANCE WORKSHOP

By Evelyn McKay

At the last general meeting, members of Dance Workshop voted into office their new members for the 1990-91 term. They were installed by Irv and Ann Dubin at a dinner on Fri June 13 in the AR room. The new officers are: Marguerite Abdelnour, Pres, Rhoda Smithkin, 1st V.P., Sylvia Belsky, 2nd V.P., Ruth Tomalas, Treas, Evelyn McKay, Rec. Secy, Ida Kubica, Cor. Secy.

Awards of appreciation were given to the outgoing officers by President Marguerite Abdelnour.

Our favorite chef Luella Kelwin, prepared a lovely dinner which was enjoyed by all.

The entertainment for the evening was an outstanding performance by the Sher'ree School of Dance. The young talented dancers did a variety of dances in colorful costumes.

The two classes of the LoVe Round Dance Club are back in session after a full month's vacation due to holidays, etc.

The "A" Class is "Twistin' the Night Away" with one part devoted to the Twist (shades of Chubby Checkers) and adjusting to the slower tempo of the Single Swing as opposed to the Triples that we have done in other Swing numbers.

The "B" Class is practicing a variety of Tangos, which includes the "Serpiente" (a call which prompts a number of maneuvers) and looks very professional if done correctly.

**VILLAGE  
SWINGERS  
SQUARE  
DANCE CLUB**

By Cyrus Boynton

Sunday afternoon, May 20, the Village Swingers celebrated 15 continuous years of square dancing - and more recently, round dancing too between tips. We were joined at this dance by many of our square dancing friends from both inside and outside of the Village who swelled our ranks and added to the festive atmosphere of the occasion as we pursued our club theme "stay young." There are some new faces nowadays in our club of 100 dancers, but never-the-less, there are many couples in the club who have been dancing with us for over 10 years, three of which are Rae and Sol Gimpel, Bernice and Bill Bryan, and Bea and Paul Stotland, who received special recognition at our May 7 dance for their long terms of membership.

Guest caller for this special occasion was the spirited and ever popular Deborah Parnell and her helper-husband Frank, with rounds cued by the suave Bill Burrier.

This was the first dance at which members wore

their new square dance outfits of vibrant cranberry and dusty rose colors and they looked beautiful indeed. Through a special effort on the part of seamstresses Charlotte Dugan, and Jessica Reischel, and artist Lillian Brownstein, our club mascots looked fresh and up to date in their down-sized costumes in the new club colors. Villagers should make an effort to see the Club's historical display that has

been set up for this month in the atrium.

Earlier, at the May 7 dance, the club voted to contribute \$100 toward the new piano fund, and \$200 toward a new monitor for Ch 12. Also, meritorious service badges were issued to Fran and Mort Linick, Joan and Bob Guhl, and Minna and Hal Hudson for long and faithful services contributing to the success of the club.

A Jackpot Dance was held on May 29, and the three lucky winners were Millie Litrownik, Ruth Siegel and Suzanne Stern.

**BOCCE  
CLUB**

By Lue Kelwin

Members and guests attending the May 31 meeting of the Bocce Club, had the pleasure of being entertained by Don Holmes and the Village orchestra. The theme of the concert was: "It's a small world"; included was music from several different countries.

After the concert, refreshments of wine and cheese were served and everyone enjoyed the social time.

The next Board meeting will be held on September 11 at 7:30 p.m. in the Lanai Room. The next general meeting will be September 27 at 7:30 p.m. in the AR. Everyone welcome!

## SPIRITUAL GROWTH

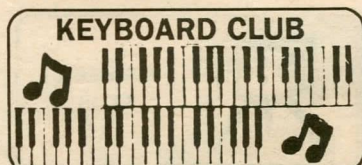

By June Case

The Spiritual Growth Group met at the home of Bernice Jenkins each Tuesday during the month of June, ending with a luncheon at McCarthys on June 26.

There will be no meetings during the summer but the group will resume weekly meetings in September. Watch Channel 12 then for an update.

Visitors are most welcome to this group. For more information please call Vi Shirk, Chm, 484-2389.

By George Pisors

The Keyboard Club issues an open invitation to villagers for an informal recital. Where will you be at 1:30 p.m. on Fri, July 27? You could be at the A.R. for an enjoyable 90 minutes of fun and good music. Old Favorites is our theme for July. The cost? Absolutely nothing! You don't even have to be a member. Everyone welcome for professional quality piano and organ music.

In a more practical mode, we remind all clubs and village organizations to please remember our piano fund. We now have \$980 toward the next replacement piano. Of course that is only a start since we have two more pianos to buy. If you like the new Kawai in the AR and want to see a similar improvement in the MPR, please consider a donation.

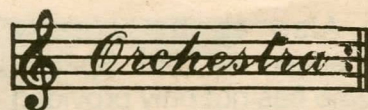

The June Book Review was "First Ladies" a political novel with a great deal of lively goings-on. The theme was particularly interesting. What does the United States do if the Electoral College cannot reach a majority?

The book for July is the promised "September" by the author of "The Shell Seekers". Thoroughly enjoyable.

Book Review meets the second Monday of each month, 10:00 a.m. GR. Everybody is welcome - no membership, no officers, no dues. Please drop in. Next meeting will be Mon, July 9.

The Leisure Village Orchestra has a busy Springtime scheduled. In May we played for the Leisure Village Bocce Club. Our rehearsal night fell on the same night as the Camarillo Symphony Concert (Wolff Phillips) and our Bocce Concert was so close that we were unable to attend the Symphony. However, we do support them, and Don Holmes will have tickets for all concerts. Phone him at 482-4979.

After the Bocce, the L.V. Orchestra's next concert was for the Thousand Oaks Chapter of AARP; The American Association of Retired Persons. This was the T.O. Chapter's last meeting of the season, and there were 60 or 70 persons in the audience. Next, we play for the Camarillo Convalescent Hospital on Thursday July 19, at 2:30 in the afternoon.

The LV Amateur Radio Club welcomed several visitors and new members to its June meeting. Meetings are held on the First Friday of each month at 10:00 a.m. in the Sun Room.

Our members meet on Friday nights (on the radio) for round table discussions as do the CB Communicators on Thursdays at 7:00 p.m. on CB Channel 12. We have experimented with linking these two nets to let the two groups get better acquainted.

All members are reminded of the LVARC net at (144.58) on Fridays at 8:00 p.m.

Leisure Village Stamp and Coin Club wants to thank Edith Zinn and Sam Smith of the village for donating some stamp accumulations that they had, to various teen age stamp clubs that our club services by sorting and preparing for distribution. We are mainly involved in the stamp club at the Camarillo State Hospital here in Camarillo. These kids receive a great deal of therapy through the hobby of stamp collection. The person in charge of the stamp club is a physician, Dr. Helen Jones.

During our meetings here in Leisure Village on the second Tuesday evening of each month at 7:30 p.m. we sort and prepare packets of different stamps and countries that are distributed to these kids.

We are still in need of any stamps that you may have and would like to donate to our club for this very fine undertaking. Please call Roy Lester 484-8847 or Charles Kaub 987-7411.

### Friday Morning Discussion Group

By David Goldstein

The Friday Morning Discussion Group, formed in LV this past January, has shown that intelligent, informed people of differing opinions can get together and express themselves without acrimonious interruptions on such topics as current events, psychology, history, humor, visual art, and finance. And all this with the vigor and enjoyment that comes from sharing thoughts with compatible people. The group meets the 2nd Fri of each month at 9:30 a.m. in the MPR with our next meeting after summer recess to be Sept. 14. You will be welcome.

By Don Holmes

We had a pleasant surprise at the May meeting of the Gem and Mineral Club. Our friend Meg Easling and her partner Julie, of "Gem Quest" in Ojai, gave us a talk and slide show on gem stones. Previously, at another meeting, they had shown us some slides of their trip to Sri Lanka (Ceylon), and this time they showed more of the actual mining and processing of gem stones there.

Gordon Wagner is entering a case of gems in competition at the State Fair, and will show it to the Club at a future date.

The election of officers was at the June meeting. The Slate was: Bill Huffman, Pres; Gordon Wagner, VP; Eunice Donahue, Secy; and Ed Donahue, Treas.

### VILLAGE PAINTERS

By Mildred G. Oberg

The Village Painters had a very successful Potluck luncheon Wed June 6 at 1:00 p.m. in the MPR. An enthusiastic group of members enjoyed sociability and a good meeting hosted by Maxine Fritz and Marion Jayne. There will be no meeting on July 4th.

Members will continue to paint in the Sunroom every Tuesday afternoon during the summer months. The next meeting on Aug 1 will have program to be announced.

The Library display of paintings for May and June is Marie Young's, a professional artist and teacher of Chinese Brush, sharing her elegant and sensitive style. Do see it! For any information on Club activities please phone Marion Jayne, 482-5112.

At the June meeting of Ceramic Mold Decorators Club the following officers were elected for the new year: Pres, Marjorie Rice; VP, Eleanor Golly; Treas, Evelyn Durham; Secy, Florence Neely. They will be installed in July when the heads of the standing committees will also be announced.

The club has many plans "in the kiln" for the coming season. These include a ceramic safari to a recently opened shop in Oxnard, where members hope to discover unusual ideas and articles for new projects.

By Madelyn McKean

The Garden Club was delighted with Kathy Lemler's demonstration of the art of ikemana at their meeting on June 14. Several members were particularly delighted because they won an arrangement to take home.

Caroline Howse, member of the Conejo Valley Garden Club and President of the Woodland Hills Floral Designers, will demonstrate the art of corsage making "Flowers to Wear" at the meeting on July 12 in the MPR starting with refreshments at 9:30 followed by the meeting at 10:00 a.m. All villagers are welcome.

On May 31, 35 Garden Club members enjoyed a bus trip to Claremont for shopping and lunch at Griswold's then to Rancho Santa Ana Botanic Gardens, the largest in the nation. Four docents conducted us through the desert and cactus collection as well as the coastal garden section...a sample of their 1,500 native plants.

## THE SAWDUSTERS CLUB

By Dana M. Street

As the Sawdusters' 1989-1990 fiscal year winds to a close, the Sawdusters wish to thank Bill Stabler for his able leadership as president during the past year.

Bill and Dorothy will soon be leaving the Village, moving to Tucson. We hope they won't find it too hot to handle. Bill will be greatly missed, not only by the Sawdusters, but also by the Camera Club, who have found him a capable Village photographer.

While we are thanking people we should also thank Morris Lefkowitz, who has been the club Program Chairman, arranging excellent programs for several years and we are fortunate that he will be continuing in this capacity.

Also to be greatly thanked is Carl Sparks, who has not only provided many toys and useful household devices for the Women's Club bazaar, but who also keeps the Woodshop supplied with wood through a contact he has with a cabinet making shop.

Our programs are frequently presented by club members and are very interesting, such as one on the construction of clocks, by Andy Plihcik. Other programs have been by outside speakers or from tapes.

Future programs will be similar and the Club welcomes visitors. The programs are of interest to both men and women. Come and see! The Club meets on the first Thursday of each month, at 2:00 p.m., in the MPR.

CAMERA  
CLUB

By Sam Weinstein

The May 16th meeting featured a slide show-travelogue of "India" presented by President Ed Pollaine. Ed and his wife Ruth are avid travelers and experienced observers of the life, people, customs and sights of the places they visit. They kept the audience entranced with the scenes and narration of their three week visit to that most mysterious of countries, India.

Our June 6th meeting was a competition meeting. The Assignment was "Nature" and the membership responded brilliantly. There were thirty one slides entered and judge Bob Novick, past president of the Camera Club, had his hands full in choosing the winners. The quality of the slides was so good that for the first time in Camera Club history there were seven slides tied for first place. Sam Brown's beautiful shot of red flowers was chosen to be "Picture of the Month" for July, and a print of it will be hung in the Rec Room hallway for all to see and enjoy.

Leonora (Lee) Vaughan scored in the "Open" category with a slide of a country road surrounded with Autumn foliage and an auto in the background. The brown, yellow and red leaves made a lot of us transplanted Easterners homesick.

Reminder---there will be no meeting on the first Wednesday of July which is July Fourth. We will hold our monthly competition on the third Wednesday which will be July 18th. The assigned theme is "Mountains/Hills", another very popular subject for photographers and we anticipate a hotly contested competition for the prestigious "Picture of the Month" honors.

**VARIETY  
GUILD**

By Lorraine Kaplan

After the serious and hard work done to produce "Can Can", the June 14 meeting of Variety Guild presented a satire on the original, "All about Can Can", dedicated to the director of the show Joan Johnson. Parodies were written to the original Cole Porter music by Dorothy Karlin, Irv Leeds, Vi Cohen, Don Pearlman and Larry Sawyer. All of these names are so familiar - is there anything they can't do? Performing in this spoof were many of the original cast of "Can-Can".

Program for July 12 will be a musical presentation with Miriam Dubowsky at the piano and Connie Andrews playing the flute. Plan to attend - it's always entertaining.

**VILLAGE  
PLAYERS**

By Gertrude Kern

Thanks to Ruth and Jim Zupa who were responsible for bringing the group to their attention, The Village Players May 17th program was a "first" for Leisure Village -- a performance by the Drama Department students of the Adolfo Camarillo High School. The play "Here and Now" was written by David Rogers. A sensitive and understanding portrayal of the problems confronting young adults in today's world. It was directed by drama coach, Randal Durbin. The play was well cast, directed and superbly performed.

The Village Players are to be commended for making the performance possible, and for the generous donation given to the school for the Drama Dept.

The June meeting saw the performance of "Computer Data" featuring Ruth Smith and Herb Schwartz. It was directed by Edythe Fahringer.

The July program promises to take us down memory lane. "Burlesque Revisited" Remember When Sketches. The program was conceived and directed by Irv Ellison. Tell a friend -- bring a friend July 19th -- A.R. 7:30 p.m.

### BINGO

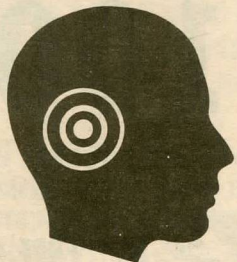

By Cy Maller

The Wednesday evening L.V. Bingo Games are flourishing once again. After a slight drop in attendance in the past few weeks due to other activities in the Village, attendance was almost back to normal. Jackpot prizes are up, a greater variety of games that has always been popular with our vil-

lagers. Call one BINGO and the night is profitable. It is a non-profit game, all monies taken in are returned to players in the form of payoffs. Drop in on a Wednesday and you also will become a steady player.

**L.V. WOMEN'S  
GOLF  
ASSOCIATION**

By Jedly Fornes

The L.V.W. Golf Assn hosted a Wine & Cheese Membership Tribute May 9. The gourmet table arranged by Mary Kovack was a welcome sight.

At the general meeting May 9, the slate of officers for 1990-91 reported in the last edition was unanimously confirmed.

The following committee chairmen have been selected: Membership, Marty Gregory; Handicap, Irene Cunningham; Mixed Tournament, Lois Kissinger; Rules, Corky Milman; Hospitality, Mim Hockman; Trophy, Iolene Beach; Regulation Golf, Cara Hatfield; Parliamentary, Kate Ward; Hole-in-One, Edie Sena; 9 Hole Rep., Shirley Baker; Bridge, Marge Kelly; Greens, June Rose; Historian, Alda Kroll; Installation, Marie Story;

Sweeps, Della Gageby; 19th Hole Entertainment, Mike Mancusi.

Regulation golf at Camarillo Springs May 17 which featured the game, Partners, was won by: 1st: Alda Kroll & Mike Mancusi; 2nd: Allyne Lindsay & Hattie Stern; 3rd: Maria Meyers & Christie East; 4th: Dorothy Caster & Lois Kissinger; 5th Irene Cunningham & Mim Hockman. July 19 regulation golf will be played at Pt. Hueneme.

The May 27 Men's/Women's Tournament and 19th Hole Party was made interesting by the excellent performance of Belly Dancer Grace Back.

Low net for the month of May was 46 by Doris LaPrell while Donna Duke, with 55, took low gross.

The June 6 Appreciation Day Tournament was much fun with lots of "surprises" to enhance our golf Donna Duke and her crew did a super job.

Remember, starting in July, weekly sweeps will be \$1.00.

The annual Tournament of Champions, featuring golfers who have won at least once during the previous twelve regulation matches, met at Soule Park recently. Alan Bruce, with a sparkling low gross 81 took top honors.

Low net in Flight A was Jack Kassel with John Rice taking second place.

Flight B found Barney Simon winning low gross with H.B. Ailman in front for low net, followed by Chuck Spurlock. The above named winners also won low gross and 1st low net, as shown, with the exception being Flight C which saw Sam Breitbart winning low net.

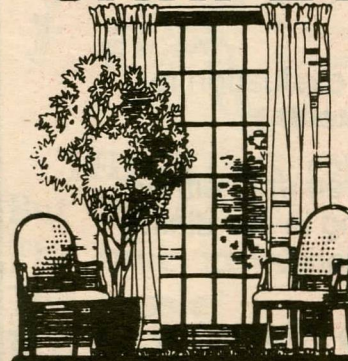

champions. They had to play 5 gruelling matches before emerging victorious.

The end-of-the-month Mixed Couples play found Al Koblin (again a winner?) shooting an excellent 53 gross to top all players. Niels Pedersen took first low net in Flight A, with Gene Bookwalter taking low net in B and Gil Weitz winning Flight C low net.

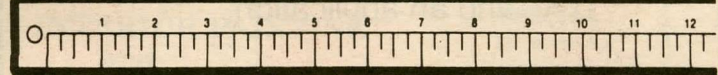

Our annual gala Installation Party was held at Saticoy Country Club on Wednesday, June 13. Trophies and cash awards were presented to winners of all major tournaments for the previous year. Officers who will lead club activities for the coming 12 months are Gil Weitz, President; Henry Heller, 1st V.P.; Al Sullivan, 2nd V.P.; Treasurer, Al Defusco and Secretary, Gene Drogin.

A rousing round of applause was accorded our excellent out-going board: President George Nolte; 1st V.P. Ross Houser; 2nd V.P. Ted Rose; Treasurer Ernie Mueller and Secretary Herb Warneke.

THE  
CERAMIC  
PLUS  
CLUB

By Don Holmes

Last month we announced that the Ceramic Plus Club was having its Annual Luncheon at the China Palace. At the last minute it was changed to the Peking Inn because the China Palace did not have one room large enough to accommodate all the reservations we had. The meal was good, although they seated some "outsiders" in our "private" dining room.

Irma has been on an extended traveling vacation, but is planning a "leaf" project, perhaps for the June meeting. Then on Thursday, July 26, in place of the regular meeting, we will have a "Picnic In The Park". As we mentioned in earlier reports, the Club is organizing Crafts Shop Open House, for Sunday November 11.

By Vee Flowers

Summer time is here and the L.V. Bowling League is off till early September with most activities being enjoyed out of doors. However, let's not forget completely the benefits of practice in an air cooled bowling establishment during the expected hot days yet to come.

For any new to the Village Bowlers who would like to join this fall, please contact Ernie Slabotsky 482-9897, Al Sparkman 484-0672 or Vee Flowers 484-7882 for information.

The General Meeting is held in August and bowling starts in early September.

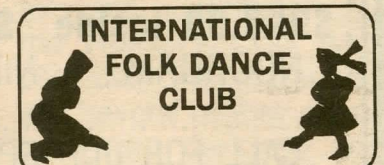

Practice is a must and if an average is not current, it should be established by bowling 9 games or more with a read-out of scores from the desk.

## Lou Tamkin's Exercise Group

By Shiphrah Maller

Our Exercise Group has once again racked up great success with our June 7th Santa Barbara outing. We were treated to an unexpected interesting, informative, and well presented lecture on the influential women of Santa Barbara at the Historical Museum there. We also enjoyed a tour of the museum and then bag lunched it at an enchanting spot overlooking the ocean. On the way home we visited the lovely Santa Barbara Zoo. Everyone seemed to have had a delightful day and we are now looking forward to our annual picnic in August. See what you are missing besides our wonderful stretching exercises Mon to Fri at poolside 8:30 a.m. to 9:00 a.m.?

We are now collecting \$1.00 per person for dues June 1990 to June 1991 since we are presently in the process of becoming a bona fide village club. We welcome all new members.

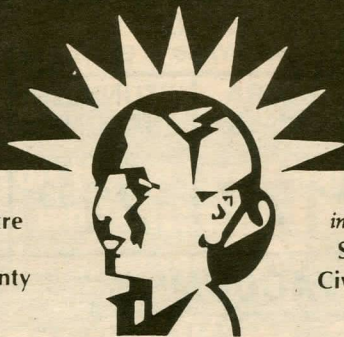

By Florence Friedman

International Folk Dance Club is having a pot luck luncheon July 16th, in the AR. All members and spouses or friends are invited to join for a pleasurable afternoon, from 12 noon to 3:00 p.m.

The May meeting of the Racquet Club found the red-shirted paddle people still recovering from their wounded pride after losing the tournament to Mission Viejo. John Russo reported on the surrendering of the joint trophy to their club for the coming year. Our tennis people did well but only paddle scores counted for trophy possession. Al Law and Russ Lomask lightened the moment when they appeared with the trophy, encased in a big box sedately draped in black, to the tune of a funeral dirge. This was followed by a humorous parody of the 23rd Psalm hurriedly composed and dramatically performed by Len and Pauline Koenig for the somber occasion. The Mission Viejo folk were wonderful hosts and

we had a grand weekend.

President Max Farber announced the following important events and urged everyone to post them on their calendars:

July 14 - Racquet Club Picnic; Sept 15 - Off-Spring Picnic; Oct 19 - Dinner Dance. Tickets are now being sold for the July picnic and can be obtained from Rose Woronow, Eileen Weitz and Louise Ralph. The tickets are \$5.00 each and L.V. residents must be Racquet Club members in order to attend. However, members may bring non-resident guests. We are urged to help the food committee by purchasing our tickets as soon as possible.

Tournament winners for May were: Paddle Tennis: Roy Poders, Lou Mickelson, John Russo (tie), Rosalie Miller, Louise Ralph, Al Law, and Dave Ovadia. Tennis: Mickey Newman, Roy Poders, Sol Miller and Jimmy Wolf.

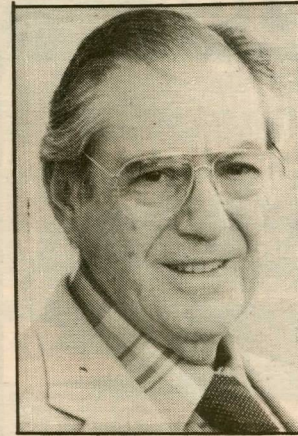

By Morley Goldberg

The Billiard Club Tournament is over with awards presented at our first picnic/dinner and now we're ready for summer action. If you have any ideas, please come forward at the July meeting.

Ken Spangler, Bob Cooper and Leonte Read are still in control of a possible tournament with other Ventura organizations to be held in Leisure Village in 1991. A proposal, by the committee, will be presented to the Board for approval.

Winners of lottery tickets for meeting attendance last month were Sylvia Rottersman, Vega Crowl, Morley Goldberg, John Gianettoni and the husband/wife Davisons. The 3 special door awards went to Bill Ross, Emil Farkas and Andy Orsan.

## Camarillo Hospice: Death Out Of The Closet

By Bernice Knebel

If you read this article, chances are you have overcome the ostrich syndrome: I commend you on your bravery! I rest easily when I know Camarillo Hospice offers emotional, physical and spiritual support to individuals and their families who are living with a life-threatening illness. This support is given during the period of illness and later to the surviving family and friends during the time of bereavement.

There are no synonyms for the word "hospice". It is not a place. Given the choice almost all of us prefer to die at home. Professionally trained volunteers will call on you with a greater variety of assists than I can include in this short article. Villagers who volunteer and love their work find Hospice's

emphasis is on the quality of life regardless of how short the time.

There is absolutely nothing to be achieved by suffering alone or being anxious, feeling forlorn, abandoned; whether you are terminal or wanting to assist someone else who has been so diagnosed. We learn that death is a portal to someplace else. When one is not afraid to die, he's not afraid to live.

Pleasant Valley Hospital provides office space and classrooms for Hospice to help terminal clients and their families or for groups that offer sustainment in bereavement and the inspiration to carry on when a loved one has gone. Grief counsellors are available on a one to one basis if one is reluctant to join a group.

A large number of Hospice volunteers become

interested in training and assisting because they were attended themselves during the loss of a family member. Trainees might explore such concerns as the unlive life, unfinished business, keeping current with the special people in our lives.

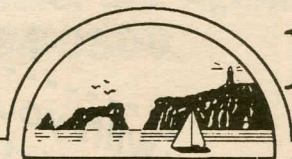

As to the training...when you've given your best, when you accept that so called dying is an inevitable aspect of living, there is a joy, a feeling of elation to have served. You uncover insights about yourself and you find strengths you didn't know you possessed. Our bodies are no more than a garment that we wear like a coat. Our real essence is knowable and is eternal. We don't propound this, we sense it and terminally find comfort in the

3. Oxford brown is easier to apply and effectively conceals defects in the wood trim.

"This proposed change in color would upset the aesthetics planned for the decor of the Village," one aesthete member objected.

I replied, "What aesthetics?" Leisure Tech precluded aesthetics by placing a plethora of monotonous patio fences, built with inferior lumber, facing Leisure Village Drive. These have about as much aesthetics as an army barracks.

I sincerely hope that the new board members will appoint a grievance committee, whose only function will be to give an 'Open Ear' to individual complaints, or suggestions. They can then report the valid ones to the board for action.

Their monthly, or bi-monthly meeting with the

board, would eliminate the five requests, made over a two month period, I made for a non-slip step on the portable golf toilet. I anticipated hearing, any day, of a golfer in spikes slipping and cracking his skull.

It would also eliminate six phone calls and a letter, with the Camrosa pamphlet enclosed, to get maintenance to raise the blades on the mowers to conform with the present water drought.

No, gentlemen, I appreciate living in Leisure Village as much as you do. Only the lack of expertise in the fields of finance, insurance, management, or engineering prevents me from being a candidate for the board.

## *You say you're not ready for a retirement residence?*

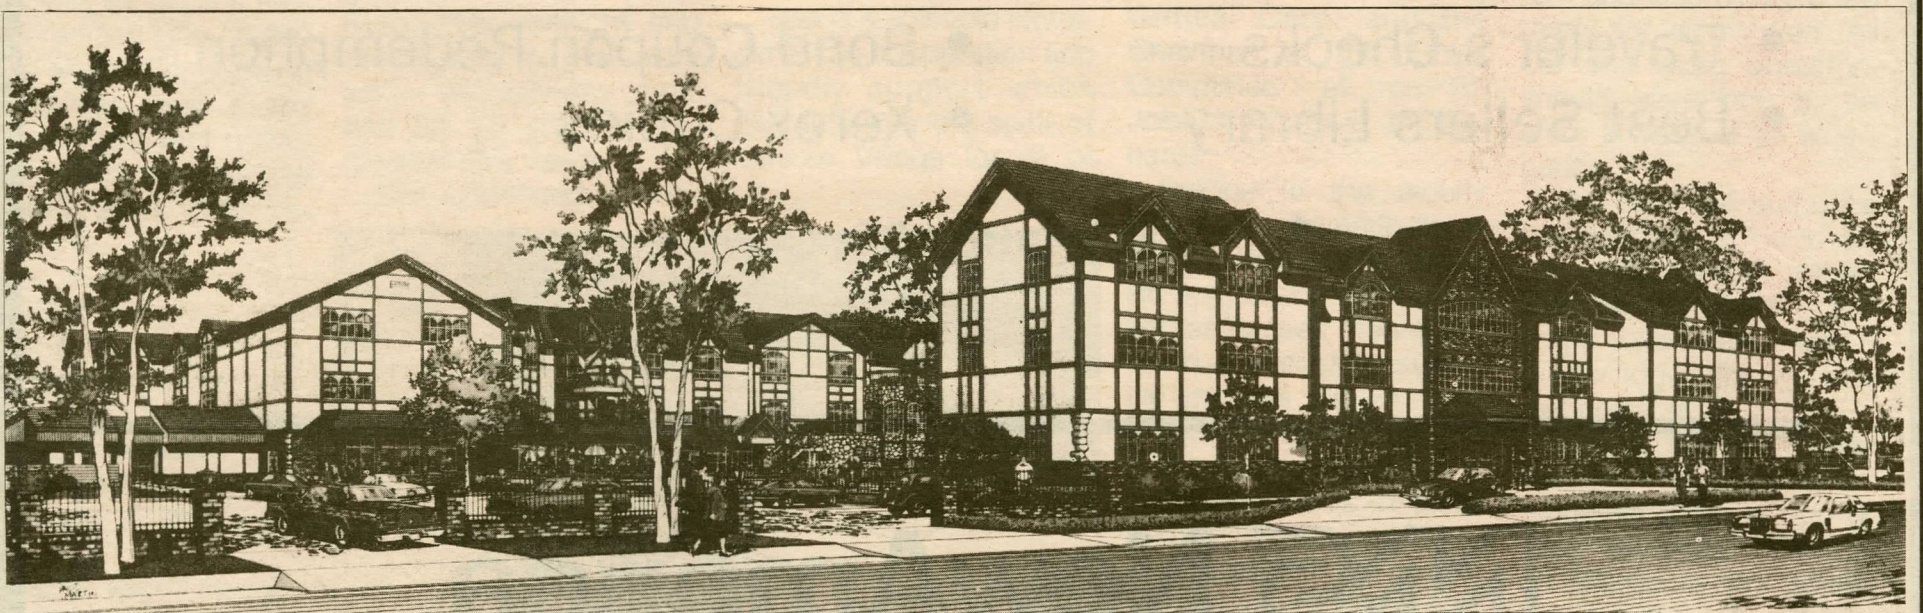

In December of 1990 the newest multi-level retirement community in Ventura County will be open and ready for immediate occupancy. At that point you can forget about all the routine household chores and start on a new lifestyle at The Victorian.

When you make that break from your routine you can expect only the finest in retirement living at The Victorian. We provide you with three delicious meals from many choices each day, housekeeping services, transportation services, and a variety of interesting and stimulating programs, activities, workshops and trips.

The Victorian will be a spacious and secure community offering the friendship and social life you would expect in a luxurious and elegant setting. Enjoy our restaurant style dining room, our pool, jacuzzi and sauna, exercise gym and our theater.

Should the need for more care ever arise, you can get it at the adjacent Victoria Care Center. If all this sounds good to you, please call or stop by our current offices at 5450 Ralston St. See our displays, have some coffee and sweets and talk to our representatives.
