Dear Sir

My Stallion
~~it~~ has Blud poison &
as I know you have a
Veterinarry on your
Cholam Rancho,
I would like to have
Permission to take him
out there and let the
Dr see if he can
do any thing for
him, I seen the Dr
& he seen the horse
and said he thought
he could cure him.
It is nothing contagious.
Please let me hear from you
at your Pleasure.

and hope with a
favorable reply.
The horse is the
one you spoke
to me about want-
ing to trade for.
Please let me hear
from you soon.

Y Remain as ever
Geo. R. Muckall.
