Sé que hay muchos obstáculos que me esperan a los cuales me tendré que afrontar. Y aunque mi vida no ha sido tan difícil como la de mis abuelos y mis padres, sé que sí puedo porque mi gente me ha puesto el ejemplo con mis ancestros. Recuerda que derrotarme los franceses como Francisco Villa y Emiliano Zapata, que pelearon por la causa pobre como Rubén Salazar, que con su muerte inspiró el movimiento chicano y como los soldados mexicanos que han servido a este país en tiempos de guerra desde la Revolución Americana hasta ahora en el Golfo Pérsico.
