(6; max total 12)

Prerequisites: senior standing; minimum 2.0 GPA; completion of G.E. writing, core and breadth; and S WRK 20, 123, 130, 135, and 136. Six units taken with S WRK 140; 6 units taken with S WRK 141. Guided social work practice experience with individuals, groups, families, and organizations. Liability insurance required during internships. *CR/NC* grading only.

185. Senior Capstone Seminar (3)

Open only to social work majors. Prerequisites: senior standing or permission of instructor, 5 units of S WRK 181. Culminating senior seminar integrating theory and practice of social work, current trends in the profession. Satisfies the senior major requirement for the B.A. in Social Work.

190. Independent Study

(1-3; max total 6)

See *Academic Placement — Independent Study*. Approved for *SP* grading.

Master of Social Work

This program is designed to prepare students for advanced, autonomous social work practice — capable of intervening at the individual, family, small group, organization, and community levels. Students will achieve competence in problem identification, assessment, development of intervention plans, and evaluation of practices. They will build cross-cultural awareness. Students will learn to use empowerment and social justice perspectives in intervention with client systems various sizes.

Students will complete a total of 60 units of graduate work, including 10 units of supervised internship with participating agencies in the community. They will prepare an acceptable master's project/thesis which investigates social problems and appropriate intervention strategies.

The program will prepare students for practice and advancement in the social work profession. Students will develop the knowledge and skills necessary to provide direct services, consultation, training, program development, practice evaluation, and social service research on behalf of clients and community for the advancement of the profession.
