

HAPPY NEW YEAR TO ALL

As the old year limps out, and THE NEW YEARSighs,
DON,T bother with the DO,S and WHY,S.

Let your faces LIGHT UP/ with smiles/
OF mistakes and pitfalls, we,ve made an awful
fuss,

DON,T look behind you, LOOK AHEAD or BŮST/
HAPPY NEW YEAR TO ALL/

PLEASE forgive mistakes. Just learning to type.
Altho this is late may yours be a very good year.
