GOVERNOR'S OFFICE
SACRAMENTO

February 27, 1963

Mrs. Daniel Michael Tolmach
Oxnard, California

Dear Jane:

I had already decided to appoint Oscar Wiener to the State Board of Pharmacy when May Bonnell handed me your letter recommending Harold Nason for this position. The appointment has in the meantime been formally announced.

You may be sure, however, that I shall give consideration to your recommendation in the event of a future vacancy.

Sincerely
