

Research Services

Reference

We can help - 24/7

Librarians are here to help students and faculty with their research needs.

To contact a librarian:

- schedule a consultation with your Liaison
- visit the Start Here desk on the first floor of the library
- email us at emailref@csufresno.edu
- call us at (559) 278-2174
- use our 24/7 chat reference service

Librarian Liaisons

Every department has one!

The Liaison (or Subject) Librarian's role is to establish ongoing partnerships with teaching faculty, support students and faculty in their research, provide information literacy instruction, and develop resources and collections in their subject areas.

Contact your Liaison for:

- research assistance
- information literacy instruction
- collection requests
- any other concerns related to the library

Find your Liaison at library.fresnostate.edu/info/subject-librarians

Instruction

Information literacy

Liaison Librarians work with faculty & instructors to provide:

- course-integrated library workshops
- individualized consultations
- consultations with faculty on assignment or course design
- online tutorials and other digital learning objects
- assistance with integrating information literacy learning outcomes into their curricula
