Expense of China.

No transportation.

Dentist at \$300 per month \$3 000.00 for ten months,
Hygienist at \$150 " " \$1 500.00 " " "

upkeep + materials paid \$4500.00 for these fees.

Income for China:

Co. allowance - at \$150.00 - \$1 800.00

Seal Sale -

\$900.00

\$2 700.00

In near future hoping to get each H. S. district to employ a dental hygienist which would deduct the expense to \$3000. It is possible in some way to raise the \$300 but impossible at present time to raise 300 + 900 = \$1200. As soon as possible turn over money to be used in other ways.
