Mr. William Randolph Hearst,
La Cuesta Encantada,
San Simeon, California

Dear Mr. Hearst:

Thank you for letting me see the Byk "finds."
The mantel surely will be useful, just a good size for one
of the fine rooms over the theatre -- and we could make an
interesting balcony with the pierced grille as main panel.

I like the Umbrian doorway, but have no key
to its size. If small, it could go in the little lobby on
the lobby side of the doorway to the Billiard Room, -- this
lobby to have the little (French) stone ceiling.

I will bring up all your minor architectural
stone material on hand here this week end.

Yours truly,

JM-M
