POOL RENOVATION GETS UNDERWAY

By Bob Atz

On January 31, 2000 the Leisure Village Board of Directors approved a contract with California Commercial Pools for renovation of the pool at the Recreation Center. The contract price is \$160,000

with a completion date set for May 15, 2000. The project includes making a slight modification to the bottom of the pool to accommodate more of those who use the pool for exercise without sacrificing any of

the lanes use by lap swimmers. The water circulating system is to be completely replaced to bring the pool up to current construction and sanitation codes. The pool heater, which was installed in November 1994, will be retained.

EDUCATION AND RECREATION:

HAUNTING HONDURAS.

By Sig Jaffe

The Education and Recreation Committee will present another talk in its "Then And Now" Program. Ms. Dorothy Angel, a resident of Leisure Village, will speak about her experiences in the Peace Corps. The program will take place in the M.P.R. from 2- 4 p.m. on April 6.

In 1976, Dorothy and her late husband, Sam, joined the United States Peace Corps and underwent intensive training which included fluency in Spanish. Leaving the comfort and safety of their home, they departed for their mission to serve for two years in Tegucigalpa, Honduras.

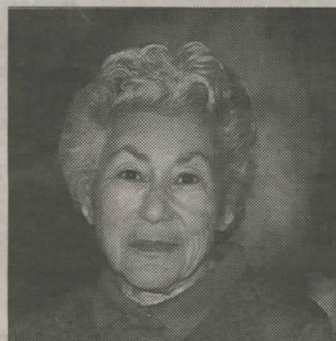

Honduras has a rich history since it was "discovered" in 1502 by Columbus on his last journey. Dorothy will tell us about life and customs

of the country, and relate interesting anecdotes concerning their service.

Dorothy says "Are you bored with life after retiring? We were, but we found the perfect answer. It was exciting, stimulating, worthwhile and rewarding. After talking to former volunteers and a great deal of investigation, we joined the Peace Corps. Come join us to hear about our extraordinary experiences, leaving home, family and friends to live in a third world country."

The members look forward to this presentation and would like to encourage others who have had interesting experiences to share them with the group by taking part in future "Then and Now" presentations. Please contact Sig Jaffe at 484-2955 for information.

LILLIAN HAWTHORNE IS HONORED WITH LIFETIME ACHIEVEMENT AWARD

By Jack Whalen

The Ventura County Local Unit of the National Association of Social Workers recognized Lillian Hawthorne with its Lifetime

Achievement Award during recent ceremonies at their Third Annual celebration and awards luncheon.

Lillian's social work spans more than thirty years, starting as a caseworker for the LA Dept. of Public Social Services. Prior to this assignment she spent some twenty years as a secondary English teacher, both on the East Coast and in California.

Knowing that social work was to be her ca-

reer, she attended USC, gaining an MSW (Masters in Social Work).

Later, joining the USC School of Social Work, she advanced to being Assistant Dean of that School. Her primary focus was field education, with the goal of protecting and enhancing the educational aspect of the student's field experience.

In her last year, prior to retirement, USC's field education program was lauded as one of the out-

standing in the nation.

Once retired, she continued to be involved with social work. With the help of USC's School of Social Work, she was able to revive and reorganize the Ventura County Chapter of the National Association of Social Workers.

For the next three years she coordinated a joint off-campus program between the USC School of SW and the Ventura County Dept. of Personnel.

These days Lillian is involved with the issues of aging for women. She writes articles for senior magazines relating to relationship changes in aging and is sought-after speaker before women's groups throughout the county and recently published a book on these subjects titled, "Finishing Touches."

Lillian has been married to Dr. Edward Hawthorne for 53 years.

INSIDE LEISURE VILLAGE

• OPINION •

KUDOS FOR LV BOARD OF DIRECTORS

The Leisure Village Board of Directors faced a situation of fundamental agreement amending the CC&R's to approve existing exterior improvements. However, residents expressed intense opposition to changing the wording in Section 6.02. The Board listened to, and respected their constituents. After lengthy deliberations, they unanimously presented villagers with a document that will clarify rules pertaining to exterior changes.

The attitude of Leisure Village residents changed from one of feeling ignored to one of feeling respected. They responded by voting nearly unanimously for the CC&R change. By their willingness to compromise, the Board showed leadership in this situation.

The construction of the slump stone walls and other exterior improvements can begin again, and the beautification of Leisure Village can proceed. By the middle of May the swimming pool will be completely refurbished. The past and present boards, working in conjunction with the residents, are ensuring that Leisure Village will continue to be a desirable place in which to live.

Teenagers in Recreation Facilities

There is some talk in Leisure Village about allowing teenagers use the rec. facilities.

I'm not sure how the L.V. residents feel about children creating divots in the golf course, handling fragile works in the ceramic shop, tearing holes in the felt cloths in the billiard room or hitting tennis balls into the next court.

What, if any, will it cost our association for additional maintenance and additional cost of security to baby sit these teenagers? Will this lead up to skate-boarding in L.V. or bicycle riding on the sidewalks and green areas?

Leisure Village has functioned well for over 25 years without teenagers in the recreation facilities. To make such a change now would only benefit the parents to use L.V. as a "dumping ground" for their children and put the association in a potential situation for a liable suit. Is this what we need??

Let's hope the Board of Directors acts in the best interest of Leisure Village in this matter.

Jack Quinn, V. 1.

RESIDENTS' OPINIONS

information provided by Leisure Village Administration and the latest Common Sense publication regarding my lawsuit against LVA and Common Sense.

I never wanted to sue LVA but was advised by my lawyer to sue Common Sense, its editor, and LVA. Then when Knopfler & Robertson, the attorneys representing LVA, contacted my attorney requesting that I sign a Mutual Release and thus drop the lawsuit against LVA, I agreed to do so. It was explained to me that if I dropped the lawsuit against LVA, I would not be held responsible for any attorney's fees or costs incurred by LVA up to this point, and they would not have to pay fees and costs to my attorney if I won the lawsuit.

I want to clarify the fact that this Mutual Release was initiated by LVA's attorney and NOT BY MY WIFE NOR MYSELF. In fact, when my wife and I were sitting in my attorney's office, he received a call from Knopfler & Robertson about them preparing the Mutual Release for my signature, which they did do. The only defendants then remaining were Common Sense and its editor.

I learned of the trial of this case at 5:00 one night by my attorney who wanted me and my wife to appear the next morning for trial. The only way we would agree to show up for the trial was on the provision that if the case would be lost, my lawyer would pay the prevailing attorney's fees and costs. My attorney agreed to this arrangement, so my wife and I appeared at the trial. GOD BLESS MY WITNESSES WHO WERE SUBPOENAED AT 7:00 p.m. ONE NIGHT AND APPEARED AT TRIAL

Invitation to Visit the New University

By Lillian Hawthorne

The offer to Leisure Village residents of a free round trip shuttle ride to the campus of the new California State University, Channel Islands (CSUCI) has been extended through April 30. The shuttle bus runs from the Camarillo AMTRAK station at Lewis Road, and all that is required is to show the Village name tag to the driver. The shuttle busses run very frequently; the schedule is posted in the Recreation Center.

Moreover, the University has offered to conduct free guided tours for Village residents visiting in groups of 6 or more. To arrange such tours, call Mr. Jim Cochran at CSUCI on (805) 437-8400. Village contact for additional information is Ed Hawthorne, 987-6790.

Health Care Seminar at Leisure Village

Gallegly's Unexpected Visit

By Edward I. Hawthorne

A very informative seminar on health care took place in the AR on March 2. Unfortunately, this event received very limited publicity, partly because it was arranged with little advance notice. This was unfortunate because of the wealth of data presented, and because guests and speakers included Congressman Elton Gallegly (last minute decision), Kathy Long, Chair of Ventura County Board of Supervisors whose participation was confirmed only a day before, and Mike Morgan, Camarillo Vice-Mayor.

Congressman Gallegly reviewed the current activities in Congress relating to health care that are of importance to seniors, including "patients bill of

rights" and relief in cost of prescription drugs. Supervisor Long reviewed some of the activities in these areas at the County level and related some of the options available to seniors.

The scheduled panelists and presenters were Betty Berry, Senior Advocate with Conejo Valley Concerns; Darlene Benz, Senior Services Coordinator, Camarillo Health Care District; and Dr. Jeffrey Allen, Camarillo geriatrician.

The speakers reviewed the practices and fee requirements of the five local HMOs: Kaiser Permanente, PacifiCare, Health Net, Blue Cross and Blue Shield. They commented on the departure of other HMOs from Ventura County (e.g. Secure Horizons). They discussed some of the reasons for the unequal fee structures among various localities, especially in the greater Los Angeles area, and they

also pointed out that government's reimbursement to the HMOs differs among localities.

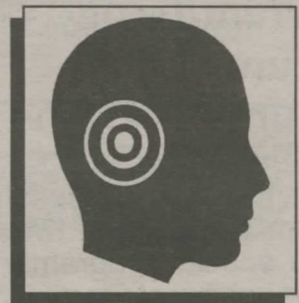

The speakers explained the differences between the option of belonging to an HMO vs. having individual Medicare coverage, with or without supplemental private insurance. They pointed out the advantages and disadvantages of each choice. They also discussed the opportunities for switching among these options, as well as switching among HMOs or among supplemental insurance providers.

Other important issues relating to health care for seniors were discussed, especially in response to the many questions from the very enthusiastic audience. It was explained that, as a result of recent Federal law, Medicare patients and HMO members without coverage for drugs now have the opportunity to purchase prescription drugs at the gen-

By Nick Dahl

This is a special reminder for all new move-ins. The Security Department is responsible for removing the 1999 decals from residents' windshields and replacing them with new 2000 decals of a different color. With the help of 72 volunteers, decaling will be done in front of the Recreation Center on the following days:

Tues. May 16

9 a.m.-1 p.m., 2-5 p.m.

Wed. May 17

9 a.m.-1 p.m., 2-5 p.m.

Thurs. May 18

11 a.m.-3 p.m., 4 p.m.-7 p.m.

Fri. May 19

1. REMINDER: To help speed up decaling, have valid driver's license and registration in hand. Over 3,000 vehicles are decaled in 25 hours.

2. It is the vehicle owner's responsibility to notify the patrolman if your car has a plastic coated windshield.

3. ATTENTION RENTERS: Make sure your lease is current and is on file in the Association Office.

4. Non-resident homeowners do not receive a decal.

5. For those out of town during decaling, please call Association Office 484-2861 for appointment at East Gate.

6. All RV's must be decaled in RV Lot because their decals number from 4500 to 5000.

7. RV'ers planning a trip between May 10 and May 20, please notify the office so that your vehicle can be decaled before leaving.

8. NOTICE TO ALL VOLUNTEERS: Bring your decal and registration with you when you come to work. Everybody on last year's list will be contacted first. Do not get in line with your car. Your help is appreciated.

LEISURE VILLAGE CLASSES

By Lillian S. Hawthorne

The Ed and Rec Committee is responsible for presenting classes on a wide range of subjects of interest to Leisure Village residents. These may be taught by residents or non-residents, there is no fee for these classes, and they are open to all Leisure Village residents but not to the outside community. The criteria for such classes are: 1) the instructor must have sufficient experience or expertise on the subject; 2) the subject matter must not be divisive or offensive; and 3) there must not be any commercialization involved, i.e. selling or advertising of any products or services.

The procedure for starting any class is to obtain at least 15 signatures of interested participants, and to present a proposal before the Education/ Recreation Committee for its consideration, discussion and approval.

DON'T LET IT FOLD

By Sandy Okum

I instituted the formation of the paper, *Inside Leisure Village*, twenty-one years ago and would hate to see it fold.

The Leisure Technology Corporation built Leisure Village, and they published a small newsletter, *Village Voice*, for the residents for official business. It had no news of all the clubs forming or any information about them.

There was a writers' group in the Village that published articles and poems. They were asked if they would vol-

unteer to start a newspaper independent of Leisure Tech, if a publisher could be found. The editor and publisher of the then *Camarillo Newspaper* was contacted and agreed. The first edition was published in March 1979.

That was the birth of *Inside Leisure Village*. Betty Murray and Lois Atz have done their work for ILV. It's time for others to take over and continue this fine paper. Please don't let it fold. Contact Marge Lorraine at 389-9683 if you can help.

Are there any particular subjects that you would want presented in a class? Is there any class that you would be qualified and willing to teach? Is there anyone you know who would be qualified and available to teach a class? Please call 987-6790 for further information.

BLOOD PRESSURE CHECK

Your Neighbors Care Group will sponsor blood pressure checks for all village residents Monday, April 3, from 7 p.m. until 8 p.m. in the main lobby of the Recreation Building.

Current Issues Forum

Future Programs

In September and October, the Current Issues Forum will present two more special programs on the subject of Election Year 2000. Depending on candidates' availability, these will deal with contest for offices at the city, county or state levels.

As always, the Current Issues Forum will be non-partisan, i.e. -it will not endorse any particular political party or candidate or recommend a position on any particular issue. It will present all the candidates running for a given office, and both sides of a given issue will be considered, so that Leisure Village residents may make informed decisions on election day.

Association Honors Volunteers at Annual Breakfast

By Bob Atz

The Leisure Village Association held its annual Volunteer Recognition Breakfast in the Assembly Room at the Recreation Center at 10 a.m. on February 17. Approximately 200 residents were treated to sweet rolls, bagels, juice and coffee which was served by the LV staff under the direction of Susan Rockwell, Recreation Center Manager. Following opening remarks by Randy Watkins, LV General Manager, Board President Caroline Pratt paid tribute to those who volunteered to participate in Village activities such as putting up the holiday decoration, applying decals for our cars, mailing the Village Voice, assembling the telephone book, working on the elections and many other tasks needed to keep the Village running.

Following Caroline's presentation, Max Heller, LVA Board Member and

Photo by Vic Fledge

Chairman of the Nominating Committee, cited the need for candidates to stand for election in June of this year. The Nominating Committee intends to announce the names of candidates on May 1 and two offices need to be filled.

Marilyn De Angelo, Office Manager read a poem praising volunteers. She was followed by Kristen Youngmark, office receptionist, who sang a solo.

Randy Watkins made some comments about

volunteers, emphasizing how the work done by volunteers made up for the need for paid staff to accomplish the tasks.

Bob Vanderhaven, of Channel 8, presented his film with a narration based on the book by John Muir about Yosemite.

The program was concluded with a tableau depicting "Gilligan's Island" with the Recreation Center Staff and Randy Watkins as the captain of the S.S. Minnow.

SAFETY AND SECURITY

By Bill Himstreet

The standing Committee on Safety and Security focuses its attention on ways and means of making the Village a safer and more comfortable place to live. Under the leadership of Gloria Page, Chair, committee meetings entertain comments from residents about how to achieve those goals.

Specifically, LVA Rules and Regulations Articles II on security, IV on auto traffic, V on bicycles and tricycles, X on auto traffic, and XV on guests of villagers cover most of the Committee's areas of concern. They are worth reviewing as presented in the new LVA phone book. Check them out.

Among recent changes resulting from Committee action is making the swimming pool area more "user friendly" by permitting hosts to bring younger children into the pool area at designated times even though they are not admitted to the pool itself.

Additionally, new cross walks have been painted on Leisure Village and Mountain View Drives to provide safer crossing for pedestrians. It is hoped these will be used and "jay walking" reduced. Also, the concrete berms in the handicapped parking areas at the Recreations Center have been removed inasmuch as they presented a tripping hazard.

Another example of committee action was to make the response of staff to phone calls at the Main Gate also more "user friendly." Officers have been instructed to identify themselves by something like "Good morning, Main Gate, Officer Smith speaking." In this way, the caller will have the name of the officer in the event it may be needed to correct a mix up or error.

However, all the good work of the Security and Safety Committee can only pay off if people observe the speed-limit signs, stop signs, and other safety rules and regulations. In December alone, Security issued 89 violations of varying types.

COMPUTER CLUB

By Winifred Singleton

All Village residents are welcome at meetings of the Computer Club. There is always someone available to answer questions or help in the choice of a first computer if that is what needed. The monthly General Meeting covers topics of interest to all and special interest groups and classes are announced at these meetings. A chance to visit the Computer Center is available at the end of the meetings.

Schedules of Sigs and classes may be seen on

Channel 8 and on notice boards outside the Computer Center and in the atrium. There is also much information on the club's Home Page, including a very valuable list of Mentors who are club members who have volunteered to share their knowledge and experience in a wide variety of subjects and programs.

The Village Painters

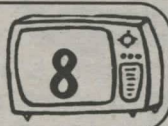

By Ruth Miller

The Village Painters truly enjoyed their potluck luncheon on March 1. The tables were beautifully decorated by Jo Blakely and Maureen Stein with their collections of birdhouses as centerpieces. And the entrée, salads and desserts from many different countries were all delicious! An unexpected surprise was the wonderful video of Van Gogh that was from Judy Zeff's collection which she has taped over the years from public TV programs.

Plans for the April meeting are not yet finalized but will include an exciting hands-on demonstration of the creative process with all attendees participating. Does this sound mysterious? All members of the Village Painters, and interested or intrigued are encouraged to attend the meeting on Wednesday, April 5, in the MPR at 1:00 p.m.

The Village Painters sponsored Art Class continues on Mondays from 1:00 to 3:00 p.m. in the Lanai Room. All Villagers are welcome. Materials are provided as are instruction, inspiration, and good will. Those who are experienced in artwork will enjoy the ambiance. Newcomers to art expression will love the freedom and non-judgmental atmosphere. Join the group, listen to music, and try your hand! This class is just one of the ways that the Village Painters would like to bring art to Leisure Village.

New Move Ins

By Marge Lorraine

New residents, Irv and Fran Cohen, moved to Leisure Village last November. Irv had retired from his auto repair business in West Los Angeles in 1989, and Fran is a recently retired office manager. They desired a change from the San Fernando Valley where they had lived since 1972, and wanted to be near Danielle, their four-year-old granddaughter in Newbury Park. In their words, they "looked Leisure Village over and were very impressed right away. The beauty of it, the security, the safety. Being able to walk at night."

The Cohens, natives of Cleveland, met in 1956, when Irv's sister and Fran's sister-in-law "fixed us up." They dated for two years until Irv moved to California with his family. He started an auto repair business and dated some, but never forgot Fran, nor she him. Finally, in 1962, he phoned her to see how she was doing, and finding she was still single, flew back to see her under the pretext of visiting his brother. Then as Irv relates, "Fran opened the door. I saw her for the first time in four years and thought, 'this is it!' He proposed that night; they were soon married, and came to California the next day.

Irv and Fran are parents of three grown sons, one living in Seattle, one in Palmdale, and one in Newbury Park.

During his first ten years of retirement, Irv did woodworking, became a handy man at the Senior Citizen Center in Reseda, and took piano lessons. He's definitely a man of varied interests! Now, in a new environment, Irv wants to investigate the billiard room, golf course, and horse-shoe pits. Fran is a camera buff, with an interest in nature pictures. She anticipates taking art, ceramic, and yoga classes, and getting checked out to use the exercise room. They both plan to enjoy years of the morning sunlight streaming into the kitchen of their attractive home.
