My dear Mrs. Mabley:
Your letter received today and I am so glad that you are interested in the Federation.

I am inclosing a Leaflet that will give some idea of what we are believing - I will also send an Application Blank and a card of directions for joining, should you decide to do so.

The L. A. District of Federated Clubs is anxious to have within its membership every group of women banded together for any line of strength or betterment, for we feel that the groups held together in this way are a means of strength and help to each other; that we can each do our specialized work better for the broader contact and that all together we may accomplish some things otherwise impossible.

The benefits are many if you wish to avail yourself of this contact with large groups of women. Intellectual and inspiring meetings of many kinds, Federation Magazine, Presidents letter each month keeping you in touch with activities all over the District, privileges of having splendid speakers from the Fed. come to your meetings.

and representation at District, State
Conventions.

The next District Convention will be
held in Pasadena, Pas. Shakespeare
Club April 6, 7, 8.

The State Convention will be held in
Riverside, Headquarters Glenwood Inn.
May 4, 5, 6.

Hoping you will decide to join
I am

Cordially yours,

Mrs. W. W. Slayden.

Fed. Ex. Ch.

Will you please let me know
what you decide to do just as
soon as possible?
