July 4, 1929.

Dear Miss Morgan :

I have marked the enclosed bill from N. Clark & Sons of San Francisco (April 26, 1929--\$1360-- for sewer pipe) for Mr. Clark to pay. I do not know how it should be charged, however,-- whether to construction work or to Mr. Slattery.

I have arranged with Mr. Clark for the construction work-- that is, Mr. Rossi's department and everything included-- to have \$45,000 per month.

I think this will be able to cover all contingencies if we do not get in too deeply.

Mr. Slattery's department is to be held down to \$15,000 per month.

This will be \$60,000 all told, which is about all that I can afford to spend on the Hill.

For three months, however, I am allowing Mr. Slattery \$3000 a month for road construction from the Hill to the Burnett.

Sincerely,

WRA Heard
