

Occupied - 72 Days from March 21, 1942 to May 31, 1942
 Maximum Population - 9,666 on May 31, 1942
 Average Daily Population - 5,186 Japanese internees
 Origin Of Evacuees Received - Bainbridge Island, Washington
 and Los Angeles, Sacramento and Amador Counties of California
 On June 1, 1942 the status of this Center changed to a
 Relocation Center and the Evacuees interned here remained
 at Manzanar for the duration of the war under War Relocation
 Authority administration.

COLORADO RIVER RELOCATION CENTER at Poston Arizona received
 11,711 evacuees directly from their homes without their be-
 ing processed thru Assembly Centers. This Center was oper-
 ated by the War Relocation Authority from the beginning.

Manzanar and Colorado River eliminated the need for
 temporary housing of 21,541 Japanese evacuees in the
 Assembly Centers.

The Peak of Assembly Center occupation was reached on
 June 6, 1942 with 80,184 Japanese interned.

~~Santa Anita~~
 Santa Anita was the first Assembly Center to receive
 Japanese evacuees on March 27, 1942.

The last Assembly Center to be vacated by Japanese in-
 ternees was Fresno on October 30, 1942 when 506 evacuees were
 entrained for the Relocation Center in Jerome, Arkansas. This
 ended the Assembly Center episode.
