

Sunday Noon

Dearest Patricia:

Here is the key to my
apts. for any use you wish to make
of it. I brought a big piece of Jeffrey pine
bark back from Lassen for you. It is
in my kitchen if you want to see it or
possibly have Herb take it to your place
for you. Anything else you want to do is
OK or anything I have you'd like to use is
OK. Be thinking of a Bolshoi date.

I'll be back from Asiloman
Sat. afternoon. & will drop by to
see how you are if you are in.

Sun. remember we go out to
Montalvo to see the exhibit of
Arabian arts & crafts & to
share in Chris & Carolyn Broad-
wells reception.

The best of luck with everything all
week. Hope you get completely well.
If John can stop the flar, why not let him?
Love Carl.
