City Hall, 305 W. Third
Oxnard, CA 93030

Dear Mayor Tolmach:

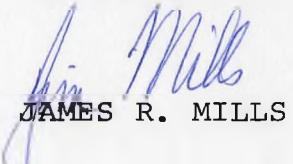

I would like you and your city council to join me on a leg of my Sacramento to San Diego bike trip in support of Proposition 5.

The June ballot measure, which I authored, would allow the use of highway funds for public transportation systems and pollution control.

I will be riding in your area on Monday, April 8. Details of the ride will be sent to your office in the next two weeks.

I hope you will join us and help us provide a solution to California's transportation and energy problems.

Sincerely yours,

JAMES R. MILLS
