outdoor amphitheatre.

Women are a religion in themselves
-- you pray they'll give you a tumble
when you first meet them - If you worship
them during the courtship - then they
keep preaching to you after you marry
the heavenly bodies. In a way they are
like angels because they are always
up in the air

Its Dr. Isamu Saito now. Dr
Saito, left the Pinter for San Francisco
a few weeks ago to take his state board
examinations. He has received his license
now and has been added to the Pinter Dental staff.
