New board means new hope for Village

CAROL SWEENEY

Opinion by Jerry Hoffman

The new Chairperson, Carol Sweeney, and two new Board members, Clair Huffman and Jack Prosen, along with the carryover Board Members, look to be a harmonious group that will get things done. Carol says being the only female on the board doesn't faze her, as she has three sons and was the only female in the house.

It would seem that the most critical thing on the agenda would be in resolving the humongous rise in insur-

ance costs. the Concerned Homeowners Club spokesman mentioned that the deductible coverage has increased by 1,000 percent. Technically, it was a 900 percent increase, still a large amount along with the premiums that must be reckoned with.

It is hoped with the planned appropriate costs and responsibilities being allocated to the resident owner, the drop in claims will cause the insurance underwriters to provide more reasonable bids. Diligence of the

Board of Directors, General Manager, Concerned Shareholders and many other Resident Owners has already actively pursued this.

The Board held an Insurance Forum on the evening of Aug. 8 to an almost full house. The meeting was most informative, reviewing the legal aspects and need for a Covenants, Conditions and Restrictions change, which, of course, will require a vote.

One Board Member, Clair Huffman, felt that the Rules and Regulations change was

sufficient and didn't think the CC&Rs change was necessary. Most of those attending seemed confident the change was necessary and would pass. Questions and answers went well beyond 9 p.m.

Most of the owners are now cognizant of their future responsibilities of maintenance inside the walls of their residences. Many have already re-piped to enjoy the benefits now rather than wait for plumbing failures. Pacific

'Hollywood Squares' host joins 'Man of 1,000 Voices' for Sept. 21 Showtyme

Showtyme President Ed Williams recently announced that on Saturday, September 21, he will present at the Rec Center "one of the best ones yet!" The show starts at 7:30 p.m. in the AR.

The "Man of 1,000 Voices," Jim MacGeorge, opens the show. Jim does voice impressions of Stan Laurel (he even looks like him!), George C. Scott, Andy Rooney, and many others. His early voice-over work is legend with morning cartoon characters such as Abbott and Costello, Yogi Bear, and Beanie and Cecil, to name just a few. Jim and his partner, Chuck McCann, did impressions of Laurel and Hardy in many commercials, as well. He has since added musical comedy to his portfolio. His impression of Bob Hope is uncannily believable.

Mr. Peter Marshall is the star of the evening. He is accompanied by

his pianist, Larry White. Peter is well known as host of the Emmy-winning "The Hollywood Squares," a position he held for some 15 years. Mr. Marshall also had a significant career appearing in musicals on Broadway, in London, and in road shows. He performed such shows as "Bye Bye Birdie," "High Button Shoes," and "The Music Man. He did 800 performances of "La Cage Aux Folles."

Mr. Marshall started as the "Boy

Singer" in the big band era, graduating to his Dick Haymes style of singing. He also worked as part of a comedy team with Tommy Noonan. They appeared in major nightclubs and theatres, also making several appearances on the Ed Sullivan Show, "Toast of the Town."

It is suggested that reservations be made early since a sellout crowd is expected. More information can be found on the bulletin boards and on Channel 8.

LV, city meet to discuss bus service woes

Mimi Chuntz, Chair of the LV Transportation Committee, and about 100 other concerned citizens met with Camarillo Mayor Jan McDonald and city transportation officials Tom Fox and Rock Pullido recently to discuss LV's transportation problems.

Many Village residents use the available services, and those service hours are about to be extended. Currently the CAT bus service runs from 8:30 a.m. to 4:30 p.m., while Dial-a-Ride is available all day until 5 p.m. As of Aug. 5, Dial-a-Ride will be extended to 9 p.m.

Suggestions were made such as to extend CAT service to Trader Joe's. These were turned down for now because of the twin problems of not enough riders to provide income and not enough service to provide riders. There was also a discussion of a better hookup between CAT service and Vista.

More than 1,000 Village residents use the bus service each month. But the prob-

Thank you, thank you, thank you to the kind and caring person who, on June 27, placed a note on the windshield of our car telling us the left rear tire was almost flat.

Pursuant to The Davis-Stirling Act, it is incumbent upon the Board of Directors to notify the Homeowners immediately upon receipt of a notice of non-renewal of an insurance policy. Also, the endorsement to the Allied Insurance Company policy states that the insurance carrier must provide at least 60 days but not more than 120 days' notice to the insured of its intention not to renew said policy. The last Board of Directors and the Insurance Broker of Record had to have known prior to the Insurance Forum on June 3 that Allied was not going to renew its policy with LVA on June 15. Yet the Homeowners were not advised of this information until 12 days prior to the policy due date.

Second, at that Insurance Forum, our Broker discussed a \$5,000 and a \$10,000 deductible. No mention was made about a \$25,000 deductible, although 12 days later that's exactly what we got.

It makes no sense that we didn't find out until 12 days before our renewal date that

our deductible will more than double, and that our premium will be 300 percent higher than what was anticipated. If this is the way our Broker of Record operates — by last-minute deals — then we don't need a Broker of Record. We do need to have the General Manager and Board members stay abreast of insurance matters so that we're not locked into unsatisfactory arrangements at the last minute.

— Ed Evans, V. 3

Everywhere you look, you see brown crabgrass. You'd think crabgrass is an endangered species the way it's being protected in Leisure Village. The last Board of Directors decided to pay \$175,000 to an outside contractor for a spray contract for one year, of which \$150,000 is for the chemical Premo and labor to retard crabgrass growth.

Now, I'm no gardener, but I had the best-looking lawns in Van Nuys before moving here. My secret: I would reseed every fall with Kentucky Bluegrass, and the new growth would choke out the crabgrass. I never used chemicals to treat my lawn; it's too expensive and unhealthful. The past Board's theory was that by applying a grass retardant, the gardeners wouldn't have to cut the grass as often, thus saving manpower and equipment. But we still have crabgrass. Isn't the appearance of our

lawns just as important as the appearance of our homes?

What about the extra water we're using? We're retarding the grass during a dry season and then watering like crazy so that the grass won't die. Isn't that being penny-wise and pound-foolish? We're already spending thousands of dollars to implement a water management program to conserve water, and then we're excessively using that precious water to keep our crabgrass healthy.

Our lawns never looked worse nor cost us more money. Wasting money to save crabgrass is not very prudent.

Judy and I want to thank all our friends and neighbors for their kind words and good thoughts fol-

lowing my recent stroke. My doctor tells me I should have a complete recovery, which, I am sure, is due in large measure to your encouragement.

— Eugene Foxman, V. 22

To all my friends in the Leisure Village Billiard Club: I want to thank you all for your great gift of "Golf for Two" at the Ojai Valley Inn & Country Club, and especially for the great "thank you" card.

Having said that, I must add that as much as I appreciate your generosity, I feel compelled to tell you that this was a labor of love not only for the great members of our Billiard Club, but also because I consider all of Leisure Village to be a part of my home.

We must all also give credit to the other club members who helped make this renovation happen. I want to thank my wife, Barbara, for her support and great ideas that I get credit for.

Thanks to Mannie Abbate, Sid & Ethel Alweiss, Irv Cohen, Mel Ducharm, David Halfin, Sam & Genny Kay, Paul & Luella Kelwin, Erwin Kress, George Nolte, Al Sullivan, Aleda Trogden, Jack Quinn, Rosemary Woody and the many members who worked on the sidelines. We also thank the LV Board who, in their infinite wisdom, agreed to fund this project, Randy Watkins, Bob Sweeny and his staff, Susan Rockwell and her staff and the "Woodshop Committee."

Voice mail: Modern way of getting the runaround

By Jerry Hoffman

How many seniors are having difficulty with voice mail? It seems that our only connection with the world outside is answering sets and/or recorded requests. On a business call, what a joy it can be to hear a non-recorded human voice.

Does this sound familiar? You're going to renew a prescription with a pharmacy in Texas designated as your supplier in your retirement plan. You've been given a 10-digit toll-free number. Don't forget to precede this number with a "1." This is a pretty long number to hold in your head, so you dial — or push — the

buttons for the first half of the numbers and steal a peek for the second half. Hurry! The telephone center has an interdigital timing device that will not recognize that you're going to dial some more. If you pause too long, you will be greeted with a wailing sound.

If you have been successful with the foregoing, you are treated to some electronic noises as your call completes. If you don't get a busy signal, you are answered by another machine that gives you up to as many as nine numbered options as to the reason for your call. Listen carefully now. The number "3" had the

word "prescription" in it, but you will want to hear them all to be sure. If you're too slow, don't worry. The machine will ask if you'd like to hear them again. Isn't this easy?

Let's assume you got through and are now answered by another recording advising you to have your account number along with your secret code number ready. (You wouldn't want some rascal ordering Viagra on your account.) If you have this information, relax and listen to Mr. Sousa's rendition of "Seventy Six Trombones" on the call-waiting music. Don't be surprised if periodically another recorded voice tells

you how important your call is and what number you are in line. How confusing! Another number to remember!

Perhaps at long last, you hear a ringing signal and then another recorded voice telling you they're closed for the day. Hey, they're in Texas! It's only 4 p.m. here in California!

What I do now is technically lie. I call them on my Touchtone (push-button)

telephone. When the recording comes on asking me to push a "1" if I have a Touchtone, I just do nothing. After five seconds, or longer, a real person comes on the line, and you will be surprised how far you have gone ahead of that number in line they would have given you with modern voice mail. I can even beat my computer-wise grandson via the modern route!

Bus service

Continued from 1

lem extends not only to Leisure Village but also to the entire Camarillo area. A recent survey showed that 70 percent of the bus riders are senior citizens, and that ridership has increased 32 percent since last year, partly as a result of improvements.

Dial-a-Ride works like a taxi service except that the cost is \$1.50 each way.

Mayor McDonald insisted that people must use the evening service or else the city will have to stop subsidizing it. To be viable, officials said, it must attract enough riders to return 20 cents on the dollar. The city's current return is about 15 cents. So the more riders use the service, the more likely the year-long experiment will be made permanent.

"If we don't have the ridership, we can't afford to provide the service," Mayor McDonald said.

Classic Movies

By Bob Koster

Last month we saw "It Started With Eve," starring Deanna Durbin, Charles Laughton and Bob Cummings. It brought down the house. Good old comedies like that don't happen anymore.

Now we are about to see the irrepressible Buster Keaton in one of his finest works, "The General." He also directed it. There is an ongoing discussion as to who was the better comic: Keaton or Charlie Chaplin. The truth is that they are both very funny, each in his own way. Come and decide for yourself, on Aug. 18 at 7 p.m.

Then, on Sept. 8, you have another chance to see the old master, Charlie Chaplin, in what is generally regarded as his funniest picture, "The Gold Rush." All his stock company of crazies is featured in this one. Be sure to check out the dance-hall sequence when he tries to hide his dog in his pants, and the scene in which a starving Charlie eats his shoes and shoelaces, like spaghetti.

In October, the A.R. is completely booked, so our next screening will be in

November. As a special treat we will see one of the finest silent pictures ever made, D.W. Griffith's "Way Down East," starring Lillian Gish. It features the famous scene where Richard Barthelmess rescues Lillian Gish from an ice floe. Ms. Gish almost drowned during the filming. There were no stunt doubles in those days!

See you next time!

L.V. New York Club

By Bob Sklarz

As we write, we are looking forward to the first annual picnic, to be held Sunday, Aug. 4. By now, it will be a fond memory for the 140 members who attended, especially the many who won door prizes and raffles. Many will have worn the new "New York T-shirt," a colorful proclamation of our organization.

Our concerns about 9/11 have continued, and plans

are being made to plant a tree, with a plaque, in our present home, Leisure Village. The public will be invited to join, to show their respect for those who died, many of whom were involved in rescue efforts.

Plans are being made for attending the New York Alumni Reunion on Saturday, Oct. 5. There will be a bus for this occasion. If you have not yet signed up for the bus, see Bob Sklarz or Jules Posner. For those who have not yet bought their tickets, we have been informed that some tickets,

at all prices, are still available.

A note: Since 9/11, many former New Yorkers have rediscovered their roots, bringing our membership to more than 250. We have also had a limited number join as "Friends of New York."

Players Guild

By Anne Wolfson

The Players Guild Workshop for August will be a video program by Bob Vandehaven (on the big screen) about two Players Guild productions.

The first is a look at what went on behind the scenes during an actual performance of "Lend Me A Tenor" in 1993.

Then, we'll see what went into the making of "La Cage aux Folles."

Both of these videos are hilarious, and I'm sure you'll really enjoy them. So, put it on your calendar now! See you on August 16 in the A.R.

Billiard Club

By Milan Weiss

The Billiard Club will not hold meetings in August, but the newly refurbished Billiard Room is open for play. Come by, take a look, play a few games, and go home satisfied that you are a winner. Because, just by playing, you are a winner!

Future plans call for the

fall tournament, more lessons, and the enjoyment of the good camaraderie that exists between the players. Some of the tables have new covers, and a few will have the cushions replaced for improved play. The improvements go on for the benefit of everyone in the Village. We look forward to seeing you there!

Country Line Dance

By Ida Kubica

The Country Line

Dancers meet on Tuesdays from 3 to 4:30 p.m. in the AR. Instructions are given 15 minutes before classtime. To all new dancers, a brief "self talk" before class will help you master the art of dancing, such as, "I know I can learn the dances in due time and for now I will enjoy the process." Give yourself permission to succeed and chances are, you will. This is a workshop for all dancers, new and regulars, not a performance. Regular attendance (attendance) makes for a better dancer. Watch Channel 8 for special announcements. Information: Rhoda Smithkin, 484-8132.

CLUB NEWS

In anticipation of this event, and with a mind to keeping up the quality of art show, the meeting in September will be a critique conducted by Marion Jayne. At this time, Marion reviews the paintings and gives her expert advice on their possible improvement. Actually, she usually has very nice comments about the artwork produced by club members. Her critique is never a "criticism," but is always very helpful. Marion, for many years, presided over the Village Painters and indeed was one of its founders more than 20 years ago. We are lucky to have the expertise of this art teacher who is herself such a fine artist. Anyone who

wishes to bring paintings to be "critiqued" may do so on Wednesday, Sept. 4, in the MPR at 1 p.m. You will then be invited to join the Village Painters at \$5 per year for dues and then participate in the aforementioned Art Show. We will report more on the Art Show in the next issue of ILV.

The Aug. 7 demonstration of woodcarving was enjoyed by all. The club certainly hopes to bring more artists and demonstrations of their media to the Village in the future.

And don't forget, the Art Class continues every Monday at 1 p.m. in the Lanai Room. We cater to any and all who are interested in trying their hand at drawing, painting and pastels. Art materials are supplied, along with instruction, inspiration

and encouragement. Try it, you'll like it! The company is great. The more people who participate in this enjoyable, creative and therapeutic activity, the greater the chance that, someday, we will have an Art Room in Leisure Village which anyone will be able to utilize at any and all times.

Wednesday of each month there are various programs. All Villagers are invited to attend, and refreshments follow.

L.V. Mens Golf Association

By Mannie Abbate

On the morning of Aug. 6, the monthly tournament had a separate "One Day Blind Match Tournament," the brainchild of Jerry Johnson, our LV Major Tournament and Awards Chair. There was a \$1 fee for the opportunity to win in a match of cards selected in a "blind draw," where players were selected randomly and placed in flights of seven or eight. Scorecards were matched to eventually obtain a winner for each flight. Everything was "net,"

so you stood a good chance of winning even if you had a few lousy holes.

On Aug. 15 we had a tournament at Buenaventura GC. On Sept. 5 we played at Elkins Ranch GC. We will also have our mixed tournament with the LVWGA at Soule Park on Oct. 3. This has been a wonderful event with a luncheon at the golf course after the match. Watch Channel 8 and look at the bulletin board at our course to get more information.

President Don Hamilton promises to keep the membership growing and would like to see more participants in the numerous projects the Board undertakes. A lot of hard work is done by a group of dedicated members, and they can become frustrated when the attendance is less than overwhelming. Must we always have free handouts to insure a good turnout? If that is the case then you

have no excuse because at the very least the raffle at the end of each monthly meeting fills that requirement.

Sing-a-long Group

By Jules Nayfack

Newcomers and longtime residents: We welcome all of you to our fun-filled get-togethers, which are growing all the time. You will find this to be the most congenial, friendliest group of people in the Village. You don't have to be a good singer, or sing at all, if you don't want to, but if you like having fun, come on down! Socializing and music starts at 7 p.m.; singing and fun starts at 7:30. Wear your ID badge. Our next meetings are Aug. 26 and Sept. 9.
