

Dear Michele Dennis,

I like your poems I think that you are a good poet. I think that you came to the right school to share to us about your self. You know I'd like to be a little poet, a poem writer I like poems. I liked the way that you would say your poems. I think that it was nice of you to come and read your poems and to introduce your self in front of us some might not like poetry but I do.

Sincerely,
your fan
