

Academic Regulations

Transcript Evaluation

Undergraduate transfer students are generally evaluated under the degree requirements listed in the *General Catalog* at the time they enter California State University, Fresno.

During the first semester of enrollment, transfer students should receive a copy of a computerized evaluation (Academic Advising Report) detailing how prior coursework has transferred into the university and indicating remaining degree requirements. It is recommended that students request an updated Academic Advising Report from their major department at least once a year for review with their academic adviser. A degree evaluation is completed during the semester a student files for graduation. (See *Graduation and Commencement*.) Students should keep their personal copy current.

All transcripts submitted in support of an application for admission become the property of the Records Office and are not returnable. Students are encouraged to obtain duplicate copies of their records from high school and prior college attendance for their personal file.

Explanation of Grades

Audit Status (AU). Persons wishing to attend classes without matriculating or

receiving college credit may register as auditors. Auditors register during the first week of instruction. Students enrolled in audit status only may not transfer to credit status without completing admission procedures. This must be done within the first two weeks of instruction.

Matriculated students may audit courses in addition to those in which they are registered for credit.

Enrollment in a course as an auditor shall be permitted only after students otherwise eligible to enroll on a credit basis have had an opportunity to do so. Auditors are subject to the same fee structure as credit students. Regular class attendance is expected and the student may be required to participate in any or all classroom activities at the discretion of the instructor. An audited course is not listed on the student's permanent record if the requirements for auditing the class are not met. A student who is enrolled for credit may not change to audit after the fourth week of instruction.

Credit for courses audited will not subsequently be granted on the basis of the audit. (See the current *Class Schedule*.)

Credit/No Credit Grading (CR/NC).

The credit/no credit grading policy at California State University, Fresno is designed to encourage academic exploration outside the major field of study. The policy also recognizes that in certain types of courses, student performance is best evaluated in terms of credit/no credit grading rather than through the traditional letter grades.

¹ Master's degree candidates are reminded that a *B* (3.0) average is required in the master's degree program and for all courses (related and unrelated; lower division, upper division, and graduate) taken concurrently with the master's degree program.

² Undergraduate students are reminded that a *C* (2.0) average is required for all college coursework completed, all courses taken at California State University, Fresno, and all courses in the major in order to graduate with a baccalaureate degree. Some majors are subject to more stringent grading requirements.

³ Master's degree candidates are reminded that a *D* is not accepted toward any master's degree program.

⁴ A *WU* is assigned only for courses graded *A* through *F*. The course can be repeated and the new grade may be substituted for the *WU* by petition, except for master's degree students. (See *Repeating Courses*.)
