COMMENCEMENT

1996

gfr - Office of Alumni Relations (10-11-96)

CALIFORNIA STATE UNIVERSITY, FULLERTON

37TH ANNUAL COMMENCEMENT

Special Collections-Library
California State University, Fullerton

FROM THE PRESIDENT

As President of California State University, Fullerton, I am pleased to welcome you to our 37th annual commencement. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

During the six individualized ceremonies on May 24, 25 and 26, the university honors some 5,910 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise.

We hope that you forever will be lifelong learners dedicated to the pursuit of excellence and the importance of life issues.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 1996 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours.

Milton A. Gordon
President

FROM THE ALUMNI

On behalf of the CSUF Alumni Association, congratulations to the Class of 1996! As fellow CSUF graduates, we share your sense of pride and accomplishment in earning your degrees.

You stand on the threshold of a very exciting time in your life as you prepare to make your mark in your chosen fields. After having enjoyed many new experiences and friendships over the last several years, you now join over 105,000 CSUF graduates, many of whom have made significant contributions in business, the arts, education, science and engineering.

Today we celebrate the transition from your student years to the beginning of your new status as alumni. I invite you to maintain your university ties by joining the CSUF Alumni Association. Membership offers networking opportunities, social activities and a voice in the future of your alma mater. Also, with the opening of the new Alumni House on campus, alumni will always have a place to call home at Cal State Fullerton.

Once again, congratulations on your accomplishments and best wishes for the future.

Ramona Schneider, Class of '75
President
CSUF Alumni Association

ABOUT THE PROGRAM

LIST OF CANDIDATES: Students eligible to participate in the 1996 commencement exercises are January 1996 graduates and June 1996 and August 1996 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: Honors, 3.5 to 3.74; High Honors, 3.75 to 3.89; Highest Honors, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the university: white ribbons denote honors; orange ribbons denote high honors; and blue ribbons denote highest honors. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 1995 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement exercise has been honored as the Distinguished Faculty Member of that particular school. This

distinction is bestowed by the president upon the nomination of fellow faculty members.

PHI KAPPA PHI: Among those participating in commencement exercises are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

PHOTOGRAPHY: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Proofs and information on ordering prints will be mailed with no cost or obligation to participants. Guests may take photographs during the ceremonies; in the interest of decorum, they are requested to do so from their seats.

ALCOHOLIC BEVERAGES: Alcoholic beverages will not be allowed at any time in the assembly area, at the commencement seating area or at other areas associated with commencement.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency telephone number is 773-3333.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color

of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity. The University Mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973, and Master of Arts in Art in 1976. The design of the mace reflects the university's architecture, colors (blue and white) and location—the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the university's colors are represented through the use of ivory and niello. At the top of the mace is the university seal.

ACKNOWLEDGMENTS

The university's commencement exercises require the combined resources of many campus departments as well as the talents and expertise of faculty, staff and administrators. Those contributing to this year's ceremonies are: Office of the President—Norma Morris, Ronald G. Andris, Ronald Bond, Elizabeth Grace, Holly Hall and Melody Kojima; Academic Affairs, Mary K. Tetreault, vice president—Judi Anderson, Mark Garrabrant, Vincent Hernandez, Dean Hess, Susan J. Lasswell, Mary Jo Medyn, and Jerry D. Samuelson; Administration, Jay Bond, acting vice president—Robert Baker, Brian Christie, Liz D'Hondt, Jerry Olson, Sid Patel, Mike Reeder, Donna Gwaltney Ridge and Willem Van der Pol; Student Affairs, Robbie L. Nayman, vice president—Kevin Colaner, Charles B. Darke, Loydene L. Keith and Paul K. Miller; University Advancement, Harry R. Gianneschi, vice president—Patricia Boggs, Mary C. Jacobson and James C. Snyder, Kay Stanton, Bradley Starr, Pamela H. Steinle, Curtis W. Swanson and Frank G. Verges

SCHOOL OF NATURAL SCIENCE AND MATHEMATICS: Kolf O. Jayaweera, dean of the school, Kay Blackburn (Chair), Marvin Rosenberg, Gene Hiegel, Neil Maloney, Gerald Marley, Glenn Nagel and Roger Dittmann

HONORS CONVOCATION: Robbie L. Nayman, Kevin Colaner, Loydene L. Keith, Paul K. Miller, Michele L. Powell and James C. Powell

PROGRAM: James C. Powell (editor and designer); Patrick O'Donnell and Nathan K. Orme (photography)

PROGRAM PRINTING: Publication Services; Linda Lockwood and Jack Plump

THE UNIVERSITY SEAL

This year's Commencement program marks the retirement of the university's original seal (embossed on the cover) and the introduction of its replacement, shown above. While retaining the basic elements of the original, the new seal introduces an accent color and adds an image of oranges which represent the university's origin. Founded in 1957, the campus was built on the site of one of the county's largest orange groves. The new seal, along with the university's new logotype, were designed by graphic design alumnus Douglas Henry.
