

Imagine a year
with more time
just for you—

Fewer worries
and hurries,
and more moments
all your own.

Dear Michelle,
Imagine the
BEST year EVER with
all your favorite things
and people around
you all year round!
Let's not forget SUCCESS!
Best Wishes!

Imagine a year
with more days
like today,
filled with memories
that make you smile
and new things
to look forward to—
because that's
the kind of year
I'm imagining for you.

HAPPY BIRTHDAY

lots of love,
Jennifer
