***Twenty-first Annual Commencement
California State University, Fullerton
May 31-June 1, 1980***

FROM THE PRESIDENT

In seven individualized ceremonies, we honor this weekend some 4,300 students who completed degree requirements at California State University, Fullerton in January of 1980 or who expect to do so in June or August of this year. We are pleased to have all of you with us for these memorable events.

Given the time and effort a degree represents, it is fitting that students be recognized for the knowledge they have acquired. Yet Goethe reminds us that "knowing is not

enough; we must apply."

In the years ahead, may those in the Class of 1980 use knowledge gained at CSU Fullerton to pursue goals that will enrich their lives and help others.

L. Donald Shields
President
California State University, Fullerton

... AND FROM THE ALUMNI

The Alumni Association is proud to extend its congratulations to you upon your achievement. A college education is the key to the attainment of many goals in life. If used properly, your education is a tool which can greatly assist you in designing a successful life. Graduates of CSU Fullerton across our nation have become recognized authorities in many segments of our society. The same opportunities await you. We invite you to join our Association and con-

tinue your relationship with CSU Fullerton and the university community. Our Association and its related activities offer excellent opportunities to continue your growth in the educational, social and cultural fields.

Mark E. Minyard
President
Alumni Association

EXPLANATORY NOTES

LISTS OF CANDIDATES: Students eligible to participate in the 1980 commencement exercises are January 1980 graduates and June 1980 and August 1980 candidates for degrees. This program contains the names of January 1980 graduates and those June 1980 and August 1980 candidates who filed for graduation prior to the announced deadlines. It does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade-point averages follow: Honors, 3.5; High Honors, 3.85; Highest Honors, 4.0. Honors and High Honors notations appearing in lists of June 1980 and August 1980 candidates are based on the students' records at the end of the fall semester of 1979. Highest Honors notations are carried only after the students either have completed their degree requirements or performed at the 4.0 level in their final courses. Official designations are dependent upon the students' complete records.

CARILLON: Aided by a contribution from the Friends of the State University, Cal State Fullerton in 1975 installed a Schulmerich carillon. Westminster chimes and hour and half-hour strikes are produced by five tiny bell-tone generators of bronze, struck by miniature clappers. The tones then are electronically amplified and transmitted through roof-

top speakers. Through its amplification system, carillon music recorded on magnetic tape is played for commencement and other special events.

PHOTOGRAPHY: The Alumni Association has arranged for a commercial firm to photograph each graduate at the moment he or she crosses the platform. Graduates are informed before their exercise of how to receive a proof without obligation and how to order prints. While guests may take photographs during the ceremonies, in the interest of decorum they are not allowed between the seating area and the platform.

RECEPTIONS/FOOD SERVICE: Receptions, held south of the Commons, will follow most of the exercises and feature complimentary refreshments. For persons desiring to purchase hamburgers, hot dogs, beverages and other refreshments, the Snack Bar in the University Center will operate from 9 a.m.-5 p.m. May 31 and from noon-5 p.m. June 1.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the University Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency phone number is 773-3333.

LOST AND FOUND: The University Public Safety Department will operate a lost and found service during the exercises. The phone number is 773-2515.

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves—or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood

is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters, and light coffee (drab), Business Administration.

THE MACE: The mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973 and Master of Arts in Art in 1976. The design of the mace reflects the University's architecture, colors (blue and white) and location—the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the University's colors are represented through the use of ivory and niello. At the top of the mace is the University seal.
