Mr. William Randolph Hearst  
La Cuesta Encantada  
San Simeon, California

Dear Mr. Hearst:

I do not think that Mr. Bronson Williams is a regular dealer. He called at the office with an introduction and said he had just returned from a South American trip and had been commissioned by the owner to dispose of a collection of old paintings he saw there.

He had no photographs with him, but later they came with his letter, and I carried out my promise to forward them.

As always,

Yours truly,

JM:F
